Middle/Junior High Scho...
Deer Valley Middle School

- Tap 'Follow Schools' to select the school(s) your child(ren) attend

- Next, select the notifications you'd like to receive

- Set the language in which you would like your information displayed

- Share the app with family and friends by clicking on the 'Share This App' feature

- Use the reset feature to begin again, if you like

STREAM - On the home screen you will see streaming news, social media posts, calendar events and other important notifications. Use this featue to keep up with the latest information throughout the day.

NOTIFICATIONS - Up-to-the-minute information from the district and your child's schools will be displayed right in the palm of your hand. Some school's send out their daily announcements through notifications.

CALENDAR - Click on the calendar to view current and upcoming district and school events. Don't want to forget? Tap the event to add to your device calendar. Never miss another event at your child's school.
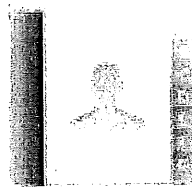

DIRECTORY - Our directory displays pertinent contact information to help you reach key personnel in our departments and schools. Need to call? Just tap the phone number to call that person or school. Need to email? Just tap the email address displayed and your device will allow you to email right then. Need to know where a school is? Just tap on the address and your device's map app will open to show you the location.
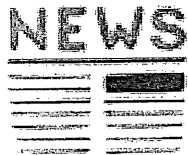

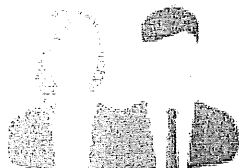

NEWS - View the latest news events. Tap the item for more detail.
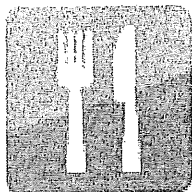

MENUS - Click this icon to view monthly menus for the schools you are following.
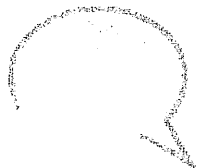

TIP LINE - The Tip Line allows for reporting of incidents directly to the school. It can also be used to leave a compliment to the school.

JOBS - Go to our website with job listings and career information.

PEACHJAR - View flyers sent out for your school(s) distributed electronically through Peachjar.
