We know this may be your first AP class, and World History can be challenging, but we are here to help. The most important thing is to keep up with your chapter readings. This assignment gives an overview of world history pre-1200, as our course is from 1200 C.E. (A.D.) to present. It is broken into 3 parts and will also help you assess your reading and note-taking skills.

Depending on your teacher's requirements, you will need a dedicated folder to keep your guided readings, and/or a dedicated notebook for writing all your essays in. You will receive more information during the first week of school. For your summer assignment, you need to use the attached guided reading.

DUE DATE: WEDNESDAY, AUGUST 9th.

We look forward to seeing you in class in August!
