Deer Valley GIFTED SERVICES 2023-2024

Deer Valley Unified School District offers a FULL continuum of gifted services in grades Pre-K thru 12. Local Norm Identification is utilized at our Title 1 schools to ensure students from diverse backgrounds receive the supports required to reach their academic potential. While not recognized as gifted by the state definition, these students require differentiated instruction based on their significant abilities. **Students may qualify for Local Norm Identification at their Title 1 school only.**
