

MRS. ATTENBERGER

I am Mrs. Attenberger, and I am so excited to be teaching my first year at Union Park! I am from the wonderful mountain of Arizona in Payson, AZ. I graduated from GCU in 2020 with my Bachelor of Science in Business Management degree.

I worked in HR for many years and decided it was time to pursue my life long dream of teaching. I am currently attending Walden University to obtain my Master's of Arts in Teaching. This will be my second year teaching first grade.

Some more about me, I have a wonderful husband and beautiful dog named Moo.

My Favorites
