

Fall 2023

from your

Legend Springs

Counselor

A note from Mrs. Wells

HELLO!

Fall has been full of RESPECT and GRATITUDE!

***In Classroom Lessons** we have explored what it means to show RESPECT and THANKFULNESS through stories, group discussion, games and team work. Students had time to reflect on how they show respect to others and what their hearts are most thankful for.

***In Small Groups** we spent the last 6 weeks talking through what it means to have positive self-talk, the importance of being a good friend and using social filters, problem-solving, working together as a team and how to encourage others through games, discussion, painting, crafts and of course marshmallows! :)

***In Girls Leadership Squad** the girls put together a campus-wide outreach project to bring optimism and encouragement to the campus. Each young lady designed several small positive posters to hang around campus to brighten the day of LS students. These ladies designed and wrote their own messages on each poster!

***The Kick-off of Lunch Bunch:** This fall was the kick-off of Lunch Bunch with Mrs. Wells. This is a time for students to come join me during their lunch recess to play all different kinds of games. We have had a blast playing team-building games like "who can build the tallest free-standing tower", "social-skills Jenga", "name that emotion Candyland and Uno", "who can work together to build a flower garden" and more. It has been a hit and something we will continue to enjoy into the new year!

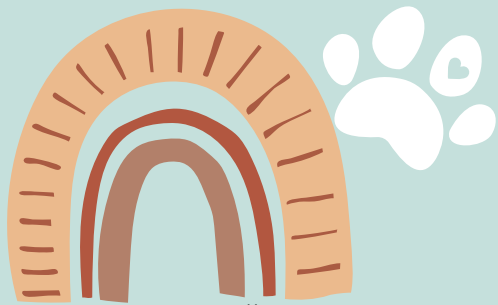

Thank you all for sharing your amazing kids with me, they are a blessing to be with each day! :)

May you all be blessed during this winter season and soak up every minute with your loved ones! Maybe even spend a few minutes sharing with one another what your heart is most thankful for!

~Christy Wells
