Dear Somers Parent/Guardian:

As a district, we are always looking for ways to celebrate the good work of our students and staff. Our school website, as well as our school T.V. station, Channel 18, provides two forums in which to highlight some of the great work being produced by our students. From time to time, we would like to post exemplary student work on our website. We also plan on airing a series of programs which spotlight various curricular initiatives on Channel 18. These programs may involve the filming of specific classrooms where children are engaged in various learning activities, in addition to the traditional programming seen on Channel 18 like athletics, music, and the arts.
