

ICS's Growth and Development Timeline

1993

The Birth of Christian International School (CIS)

The committee found a campus on a steep hillside with many tall trees to provide shade from the tropical sun. It was at the corner of Mount Faber Road and Lower Delta Road. The school opened on September 6, 1993 with 16 students and 2 teachers.

1996

Enrollment Growth

Enrollment for year one peaked at 42 students. Year two's highest enrollment was 59 students. On January 24, 1996, in year three, the school had 89 students.

Asian Financial Crisis

ICS's enrollment declined from 102 to 70 students during the Asian financial crisis of 1998 when many companies repatriated their overseas staff. However, our enrollment bounced back up to 100 students after much hardwork from our leadership and staff.
