

Onslow County Schools Transportation Department Liability Release

As the property owner and/or Designee for _____; I formally give OCS Transportation Dept. permission to utilize _____ located at _____ for their school buses to pick-up/drop-off students or as a turnaround point effective _____ until _____.

All Property Owners/Designees consent and agree:

1. That all roadside obstructions will be removed if they interfere with bus traffic.
2. That at any time that Onslow County Schools determines that the area is unsafe or dangerous for the operation of school buses, or maintained in an unsatisfactory condition, all transportation service will be suspended from the area until such time as said dangerous conditions are eliminated or repaired.
3. To release and hold harmless Onslow County Schools from any claim or damage to any street, highway, road shoulder, roadway obstruction, or other real or personal property that may become injured or damaged as a result of the bus transportation services provided by Onslow County Schools.
4. If the above location is a facility no student will be left unsupervised and a designated adult will be in control during pick-up/drop-off.
