2015-2016 School Year

Welcome!

The Developmental Preschool Curriculum Adoption Committee will be exploring current early childhood curriculum that is available. The committee will attempt to identify an early childhood curriculum that will meet the needs off preschool children with special needs, and those without special needs.

Membership of this Committee consists of at least one administrator, Developmental Preschool teachers, a Kindergarten teacher, classified staff members, and parents. Participants must be able to meet bi-weekly throughout the 2015-2016 school year until a curriculum is selected.

If this Committee may be something you are interested in participating in as a team member for the15-16 school year, please contact the Early Childhood Department at 623-445-4991.

Sincerely,

Janet Zeek
