RE: **Permission to bid Memorial Field West Bleacher project**

Date: February 11, 2013

Recommend that the Board of School Directors grant permission to advertise and bid the Memorial Field West Bleacher project.

Background: Based on direction from the Board, work has continued on finalizing bid documents for the West Bleacher project. (Phase 1 of the Memorial Field project). The project remains unchanged from the October 22, 2012 Board update.

This action does not specifically approve the project; it simply allows the administration to advertise for competitive bids. The Board will have the opportunity to approve or reject the project as the bid results are brought forward for your approval. Bid award is planned for March 25, 2013.

This project is estimated at just under \$2.1 million. The project will replace bleachers, wall and fencing along the entire west side of the stadium (Fraser Street). Additionally, it will add ADA access to this bleacher assembly.
