- Looking to do Banquet at Tussey on Monday the 17th May 20th, May 24th of May at 6:30pm with a take home dessert
- Maybe rent out the Go-Cart Tracks, depending on cost
- This date will be Rain or Shine
- Most decorations will be there, we will hang lights, banners etc...
- Janelle will confirm dates with Tussey

Sharon discussed summer team camp

- Sharon previously provided a breakdown of estimated costs
- Top Notch coaching
- State high school team winners
- Hotel rate \$139 = \$154/room (two queen beds)
- Gauge is \$400-\$500 per kid
- Allowing the kids to pick who they are lodging with
- Janelle reviewed her conversation with Lauren Crispwell and shared that LC was not comfortable with the idea of promoting or supporting the overnight camp
- Sharon spoke with Jill Martz about hosting a camp here in State College
 - Sharon's concern with hosting an event is that we don't want it to feel like just another extension of Pre-season
- We need a total of 22 players enough to field - 1 Varsity Team and 1 JV Team

The suggestion is to put it out to the players individually and then parents can decide how they want to handle camp, rooms, food....

Looking to have registration go directly to Sharon along with individual payment. Sharon is going to draft an email and share with us prior to sending to parents/families regarding camp registration information.

Future meeting sometime in June to prep for Fall Season.

Discussed if we should continue carrying the insurance. Discussed if we need to carry it for youth hockey.

Discussed hosting fundamentals through booster club it would not be a significant cost. Sharon will likely run Fundamentals through Boosters.
