

STATE COLLEGE TRACK & FIELD

Booster Club Membership Form

All SC Track & Field families (middle school and high school) are considered members of the booster club. Money collected is used to support various activities, senior gifts, banquets, team snacks and drinks for away meets, as well as team equipment. Please fill out the form even if you are not able to pay the dues or make a donation. Emails are our primary method of communication, and we want everyone to be informed about our activities! Thank you for your support!
