

IKDA Religious Objections to Activities

IKDA

A parent or guardian (or a student eighteen years of age or older) may request that the student be excused from participating in activities for religious reasons. The parent, guardian, or adult student must complete the district opt-out form for religious objections, stating the specific activity, the portion of the curriculum in which the activity exists, and the reasons for the request. The request may be granted, or denied, or partially granted and partially denied.

This policy shall not be interpreted to allow parents to prevent the dissemination of information which parents find religiously objectionable. Rather, this policy only extends to actual participation by their child in an activity, the performance of which is contrary to the child's religious teachings.

IKDA-R Religious Objections to Activities

IKDA-R

A parent or guardian seeking to opt-out their child from activities contrary to the child's religious teachings must complete the district's Activity Participation Opt-Out Form regarding religious objections which is available in the board office. Parents desiring to opt-out their children from activities due to religious reasons must return the completed and signed form to the principal. The form must be submitted within a reasonable amount of time prior to the scheduled activity in order to allow time for the principal to

consider the request. The completed form shall be kept on file with the clerk and the superintendent shall receive a copy.

The principal shall review the request and determine whether the request should be granted or denied. The principal shall notify the parents of the decision within a reasonable amount of time after the request is submitted. If the parents are dissatisfied with the principal's decision, they may appeal, in writing, to the superintendent.

If the opt-out request is granted, students who opt-out of activities for religious reasons may still be required to view the activity, to learn the subject matter of the activity, or to discuss the activity. The student may be reassigned during the activity or given alternative class assignments.

Opt-out requests must be submitted annually and are valid only for the school year in which they are submitted.

If someone is injured by an animal or comes into contact with a toxic plant, the incident shall be immediately reported to the administration by the supervising teacher. The principal shall notify the appropriate persons.

Service Animals in the Schools

Service animals are permitted in the schools and on school property in accordance with federal law. In order for the district to accommodate the health and safety of our students and staff while maintaining our educational services, programs, and activities, employees and students are encouraged to notify their building administrator prior to bringing a service animal to school for the first time. Patrons or individuals attending functions or having short term business on school property are not required to provide advance notice to school staff in order to be accompanied by a service animal on school property.

Access to school buildings will not be denied to a service animal as long as the animal is individually trained and required to do work or perform tasks for the benefit of an individual with a disability. Such work or tasks must be directly related to the individual's disability. District staff shall not be responsible to provide care or control of a service animal, and any service animal which is out of control or is not housebroken may be excluded by district staff.

For the purpose of this policy, "service animals" is not deemed to include animals provided by the school for instructional purposes or for therapy or comfort animals.
