ELA 1-2 Video Consent Form

Oftentimes video can be an excellent way to augment our students' education, helping to reinforce curricular ideas as well as create excellent discussions about how contemporary society views our subject matter. In ELA 1-2 we will be viewing the listed segments below. Should you prefer that your student participate in an alternative assignment, please contact me via e-mail or leave a note on this video permission form and have your student turn it in to me.
