AP Lang & Comp Video Consent Form

Oftentimes video can be an excellent way to augment our students' education, helping to reinforce curricular ideas as well as create excellent discussions about how contemporary society views our subject matter. In AP Language and Composition we will be viewing appropriately rated ancillary television, AP Daily videos on AP classroom, TED talks, and YouTube clips may also be utilized in class. For more information on specific titles please check Canvas on the weekly agenda for that upcoming/current week or contact me directly at melanie.hallock@dvusd.org .
