IMPORTANT: Returning parents need to UNINSTALL last year's App from their phone before installing the new App. All parents should get an email by the end of the week, prompting them to create a new password for the year.

The Apps are no longer available in the App Stores. New/Incoming parents will need to add the SDM App to a smartphone, tablet, or web browser via www.schooldismissalmanager.com. The app is compatible with Android and Apple devices and is free.

a. Android – Open a Chrome browser window, go to www.schooldismissalmanager.com, and login. Then click the three stacked dots at the top right corner, scroll down and click on Add to Home Screen, and follow the onscreen instructions to install the app.

b. iPhone – Open a Safari browser, go to www.schooldismissalmanager.com, and login. Then click on the box with the arrow pointing up, scroll down, and click Add to Home Screen. Type in (or click on if auto-filled) SDM and then tap Add to install the app.

c. Other mobile devices - Open a browser window, go to www.schooldismissalmanager.com, and login. Then add a shortcut to the website to your Home Screen following the directions for your device.
