7. Discussion Items-

7.1 Review Continuous Learning Plan:

Administration will give the board an update on how current policies and procedures are working during this unprecedented time in education. (I/D)

8. Action Items-

8.1 Approval of Property, Vehicle, and Casualty Insurance:

Chris Bohrer, Wood Dulohery, will be present to give the board an update on our purchased insurance services. (A)

8.2 Approval of Adjustment to Adult Meal Prices:

Adult meal prices must be reviewed annually to ensure they are sufficient to cover all costs for producing the meal. Student payments, federal or state reimbursements or other program revenues cannot be used to subsidize meals served to adults. Alicia Doyle and Chris Kastler review the costs several times throughout the school year to determine compliance. If prices are not sufficient to cover all costs, they recommend we ask the board to adjust the current prices or the district will be required to use nonfederal funds (general fund transfer) to cover price shortfalls. (A)

7. Reports

7.1 Superintendent Report

Dr. Wyrick stated that it is great to have staff and students back to class after the Christmas Break. Dr. Wyrick stated it has been a challenging time for some of our families and we are very fortunate to have such a compassionate staff to support our families that are struggling during the pandemic. Dr. Wyrick reported the Labette County Health Department has no timeline for the COVID Vaccine to be administered to our staff in the Phase 2 of the Vaccine Process. Dr. Wyrick stated the Health Department will contact as soon as they know when Vaccine is available for our staff.

7.2 Administrative Report

Shane Holtzman stated he appreciates Mrs. Smith helping with all the COVID issues that occur through the day. Mr. Holtzman stated he appreciates a great LCHS Staff that is working well together knowing every day is new day with different challenges. Mr. Holtzman stated KSHSAA Activity Fan Attendance Policy expires on January 28 and will know more information as it comes available soon.

Stacy Smith stated she fully supports Mr. Holtzman's decisions he has been making lately. Mrs. Smith stated our responsibility is to keep our staff and students safe and we feel that job has been done. Mrs. Smith stated kudos to our students.

Spence Allison thanked the BGS Staff and Students for their hard work right now.

Chris Kastler thanked the Board of Education for their full support during this challenging year.

Donny Peak stated Meadow View sent 20 students home Friday morning to quarantine and went virtual quickly after they arrived home.

Melissa Green thanked LCHS Student Caleb Whitten for the buddy bench he made for Mound Valley Grade School. Mrs. Green stated the benches look great and the students love them.

Tim Traxson thanked the EGS Staff and Students for their hard work right now.

7.3 KASB/Legislative

Kevin Cole stated KASB is trying to find resources to help school districts help manage the stress and anxiety the pandemic has brought to our districts.

7.4 SEK Interlocal 637

Kevin Cole stated the next SEK Interlocal meeting is this Wednesday.

8. Discussion Items

8.1 Brad Reams, Director of Great Plains Industrial Park gave a very interesting update on the Great Plains Industrial Park. Altamont Grade School
February 2021 Board Report

A Note from Mrs. Flatt: Currently, we have 5 staff members out on quarantine, plus 2 staff members that are taking care of their children who are in quarantine.. 40 students are in quarantine. It has been a tough month at AGS. We have had a staff member in the hospital, we have had one staff member lose their significant other and one lost their mother. It has been a trying time but somehow the staff manages to show up, put on a smile, and do their best to teach the students in their class or remotely. The pandemic fatigue has definitely set in.

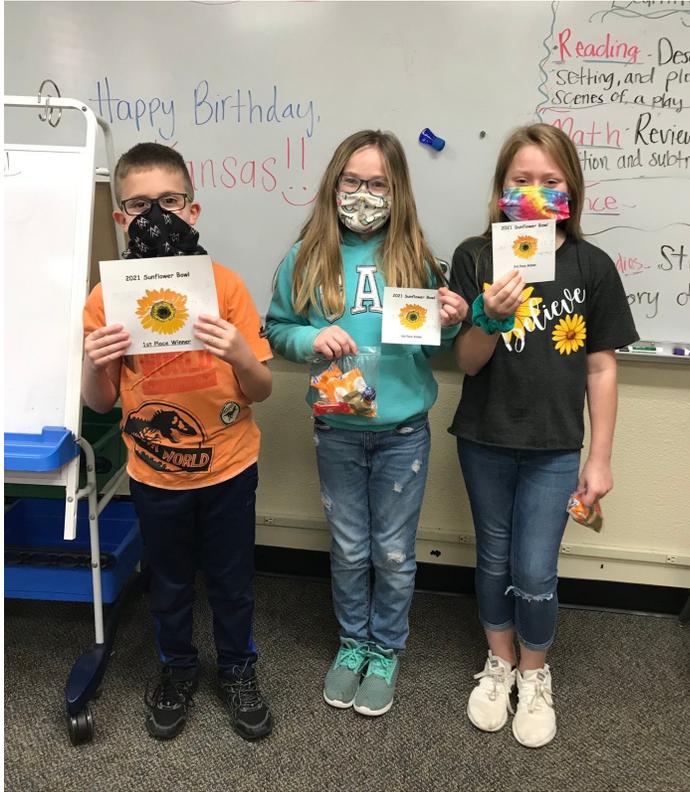

Our regular basketball season has come to an end. The AGS 'A' team boys were the League Champs, so that was exciting. Basketball was a challenge but we managed and were able to get games in for the kids. The live streaming through FB was such a nice way to connect those family members who weren't able to attend.

We will be kicking off our JH Quiz Bowl season on Monday, Feb. 8. Mrs. McKinzie has been gracious enough to fill in as coach for Mrs. Rakestraw this year. Our Quiz Bowl meets will look a little different this year, but we believe we can pull off a season with the safety precautions and changes.

- Only two schools will compete against each other at 2 buildings and one building will have a bye.
 - Feb. 18 - Edna and MVY will compete @ MVY
 - Feb. 18 - MVW and AGS will compete @ AGS
 - Bartlett has a BYE
- The two schools will virtually log their scores to determine a winner for 1st, 2nd, 3rd. Placings will be determined by points only. Medals will be given the following day at their respective school.
- 16 questions, 5 rounds
- We will allow two parents to attend the meets.
- No concessions
- 'B' Team will remain in an isolated area until the 'A' team is finished. Vice Versa.
- Masks will be required for students, even when they are answering the questions.
- Reader will be behind plexiglass to read questions.

Congratulations to Mrs. Wassenaar who was awarded a 506 Foundation Grant. He wrote the grant for 5 bass drums for \$1,500. We appreciate Mr. Wassenaar going above and beyond to seek funding for the band department.

The teachers celebrated Kansas Day on Friday with some fun activities in their classrooms.

Mrs. Darnell's third graders held a Sunflower Bowl and the following students were the winners:

- 1st: Aden Garcia
- 2nd: Addison Dunbar
- 3rd: Case Capron

Mrs. Allison's PreK students also learned about Kansas!

Bartlett Grade School

Board Report February 8, 2021

Leadership

- Attended district administration meetings
- Worked on Teacher Walkthroughs
- Created monthly calendar, newsletter (attached), as well as weekly updates for the staff. Held staff meetings as needed.
- Wrote a grant to the Parsons Area Community Foundation for benches on and around the playground

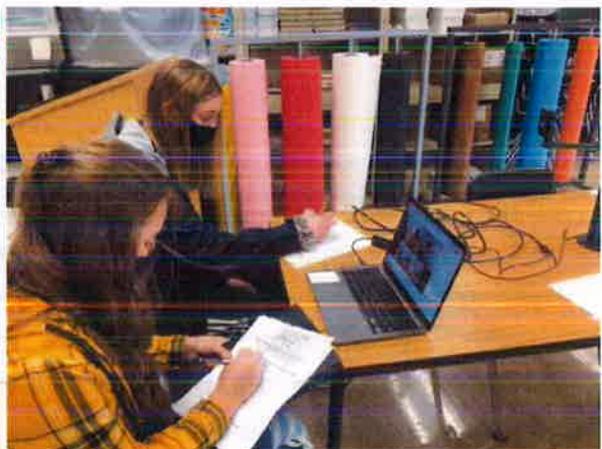

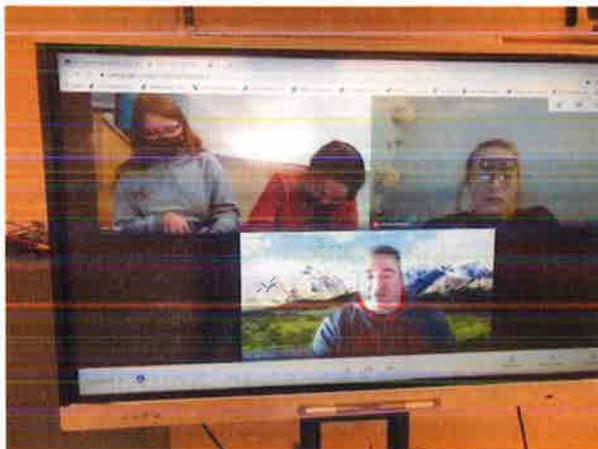

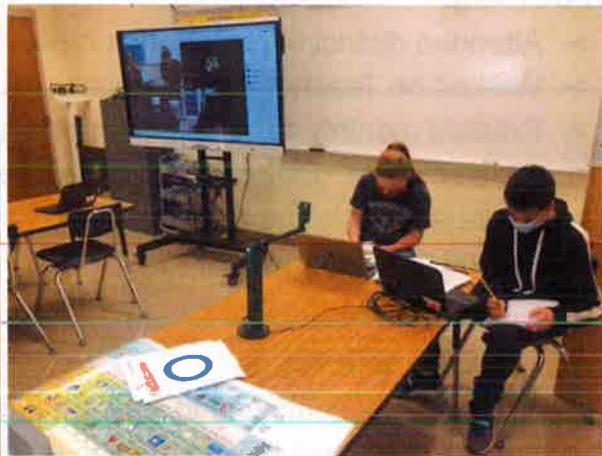

Building Operations

- The staff has continued to work through various hurdles that arise. They had done an excellent job of adapting on the fly.
- The maintenance crew laid chat rock in our GaGa Pit so it can be used after rain.

Activities

- Mrs. Waugh has been working hard with the 6/7/8th grades on their PBL projects. The kids have been speaking with expert mentors from all over the country on their chosen topics. COVID opened the door for video conferencing with these mentors, which had not been done in the past. They have spoken with Brent Hahn in Iowa, Brock Mullen in Oregon, Ryan Page in Galesburg, Dr. Mellissa Wilson in Arizona, and many more are lined up. These topics vary from plastic engineering, shoe design, AI process, and desert species adaptations. This has really opened the kids' eyes to future opportunities. (See pictures.)
- Second grade worked hard on various projects for Kansas Day. (See Picture)
- Linda Carland and Melinda Littrell (5th / 3rd grades)have continued to work on their plants. Planting seeds and filling in pots with fresh starts.
- Basketball wrapped up last week and Quiz Bowl practice begins tonight.

Bartlett Grade School Board Report February 8, 2021

A Note from the Principal

As we move closer to spring you can begin to feel the energy rise within the building. With this energy also comes added pressure to focus. Please take time to remind your children that no matter the season academics are a priority. We pride ourselves on teaching the whole child but academics remain a priority. Please utilize PowerSchool to check on how your child is doing. This helps hold everyone accountable.

- **When your child is sick please call and let us know. If they have 2 or more symptoms we will need a doctor's note or negative COVID test for them to return to school.**

Important Happenings

- Feb. 3rd-6th - JH BB Tournament
- Feb. 8th - Quix Bowl Practice Starts
- Feb. 8th - USD 506 Board Meeting
- Feb. 15th - **NO SCHOOL**
- Feb. 22nd - Quiz Bowl @ MVW
- Feb. 23rd / 25th - P/T Conferences

Absence From School

If your child is absent for a reason that is not COVID-related their work will be handled the same as it always has. If it is COVID-related and more than a couple of days we will send a device home to ensure that remote education can take place.

USD 506 Mission:

Educate every student every day!

Social Media

Check us out on social media.

Facebook - Bartlett Elementary School

Twitter - @BGSbraves

Please use these platforms to help you stay informed. However, this is not the place to contact us. Please contact us by calling or emailing the school.

Support Your Child's Learning

Please help us hold your child accountable. Take time to look over their work and show them that you really do care about what they are doing academically. This might encourage them to produce better work but it can also help their organization skills if they know they need to bring papers home. Bartlett Grade School has proved to have a great group of parents so I hope these tips can help show your kids that you are in their corner and want them to succeed.

Activities

Basketball will wrap up soon with the tournament. We have had a great season and I am lucky enough to have seen the growth throughout the season. They have worked hard and should be competitive in the tournament. I am also excited about the opportunity to witness the kids in action during the upcoming Quiz Bowl Season.

USD 506 Vision:

Meet the needs of every child!

The C.A.T.S. Tale

(Competent, Achieving,
Talented, Students)

February 1, 2021

January Students/Teachers of the Month

We would like to congratulate the following students/teachers for being selected January students/teachers of the Month here at Edna. This is an honor and we are proud of you.

Pre-K – Marshall Tickle and Bennie Johnston
K – Amelia Kastler 1st – Henley Roberts
2nd – Brogan Zwahlen 3rd – Kyleigh Reeves
4th – Brynlee Barnes
5th – Elysian Reeder 6th – Dakota Doyle
7th – Caitlyn Briggs 8th – Brody Weil

Valentine's Day Notice

Pre-K will have their parties on Thursday February 11th. (K-8) parties will be Friday, February 12th. As in the past, we ask that you DO NOT have flowers, gift baskets, etc. delivered to the school. Because these items are very distracting and cause problems both in the classroom and on our buses, the school will not accept deliveries from home and/or florists.

Book Fair Coming Soon!

The week of February 16th through the 22nd is when Edna's Book Fair is scheduled. Mrs. Buchanan is working to provide opportunities for our students and parents to visit the book fair. Wednesday the 17th students can dress up in their Hippie Clothes and on Monday the 22nd students can dress up as their Favorite Book Character. This year's theme: "Groovy for Reading".

Parent/Teacher Conferences

Conferences are set for Tuesday February 23rd from 3:30 - 7:30 and Thursday February 25th from 3:30 to 7:00. Schedules are being set and we are looking forward to seeing each of you here.

Looking for Future Wildcats!

We are looking for students who will be attending kindergarten at Edna next year. If you know of a child who will be 5 years old on or before August 31st, please have the parent contact the school at 922-7210. We will need the child's name, birth date, parent name, address, and phone number. Vision and hearing will be screened during the clinic. This year's kindergarten roundup is scheduled for Friday, April 23, 2021 from 10:00 am to 3:00 pm.

Transportation Corner

The school bus has become an American icon that represents the care and concern we have for our future generations. But did you know?

* According to National Highway Traffic Safety data, your child is 50 times safer in a school bus than riding with friends or driving themselves to school, and 20 times safer than riding with a parent driver.

* Moreover, safety experts estimate that cutting school bus service in the US would result in 800 additional student deaths per year.

* Your child's school bus driver is supported by an entire team dedicated to safety. From the mechanic who ensures that the bus is mechanically sound, to the dispatcher who makes sure that routes are designed to minimize traffic hazards, to the office staff that stay in compliance with state and federal regulations.

* School bus drivers are carefully screened and trained. Strict criminal background checks as well as driving record checks are done on an on-going basis. Physical exams and drug and alcohol testing are conducted on all drivers throughout their employment.

* The effects of the school bus reach into the classroom as well; recently data in Tennessee has shown that cutting school bus service increased student absenteeism from 5% to 18%.

Building Management

*I did all of the usual building management procedures for the month; fire drills, transportation request, weekly staff calendar, etc. [Goal 1.1.3 Relevance meaningful learning experience](#)

*I have completed all my On-Cycle Tenured evaluations, and all of my Non-Tenured evaluations are complete. [Goal 1.1.3 Relevance meaningful learning experience](#)

Educational Leadership

*I notified 4 district staff that their grants totaling \$2,900.00 had been approved by the 506 Foundation and how to place their orders and bill the Foundation. [Goal #4 - Enhance Parent and Community Involvement to help support student success](#)

*I attended a Greenbush Food Bid consortium meeting on January 25th via Zoom. This is the group that gets the food bids for our cafeteria. EVCO is our current provider for our food service bid and we are giving them a chance to submit new pricing for this year.

*I am scheduled to attend a teacher Career Fair via Zoom on February 17th.

*Mr. Peak has taken the lead on our Student of Concern meetings at Meadow View. He gathers the information on the students and shares pertinent information with the staff. He has done a great job making these SOC meetings informative and meaningful. [Goal 3.1.3 Social Emotional](#)

Noteworthy Items

*We are continuing to post on Facebook, Instagram, and Twitter so our parents can stay up to date on what is happening at Meadow View. We also use our bright-arrow messaging system. [Goal 5.1.4 Communication](#)

*I don't know if we will have our Washington DC trip for this year. I have had to move it once again, this time to May. We are planning a Spring Break trip for this year's 6th and 7th graders for 2022 . [Goal 1.1.3 Relevance meaningful learning experience](#)

Yearbook Sales

The Meadow View Yearbook staff has announced that yearbook sales will be held during the month of February. Yearbooks will be \$15.00 each. Our yearbook staff this year are: Neeley Baker, Abi May, Payton Sanders and Laynee Reed. Order forms will be coming home later this month.

No Flowers

Please do not deliver Valentine's Day flowers or gifts to school for your child again this year. We will not accept deliveries from parents or florists on that day. The area florists have been notified. Valentine parties will be around 2:15 on the 12th.

PTO Corner

PTO met Tuesday January 12th at 3:30. We met both in person for those in the building and online so those in the building and online so parents could join us. Mrs. Fabrycky shared several items. Krispy Kreme fundraiser will take place the last weeks of March and the beginning of April. Mr. Kastler has submitted a grant to try to fund an extension to our basketball court. He should know about the grant by March. The next meeting will be held on Tuesday March 9th at 3:30 and we will again offer a link for parents to attend. Thank you for your support of our school through this difficult time.

Pre-School Sign Up

We have PreSchool sign ups scheduled for Friday, March 5th and March 12th. Please call our office for an appointment 421-1857. After you have scheduled an appointment bring your child's immunization records, social security card and birth certificates, as these are required for enrollment.

Be Courteous on Social Media

We are asking parents and school supporters to be courteous and thoughtful when posting student pictures on social media. We have many students enrolled in our school who have asked our district NOT to publish or post their pictures. Many times at school functions and event parents take many pictures of their students and others. Please be considerate when publishing or posting pictures.

Transportation Notes

In case you have never met her, Diane McCartney is an employee that is seldom seen but plays a vital role each and every day. Diane serves as the district's transportation secretary. There is not enough room on this letter to describe all that she does to help keep 506 transportation rolling along! Diane drove for the district for 19 years and for the past 10 has been dispatching, record keeping, scheduling and getting schools, students and parents all connected.

Diane has also served as the State's Secretary for the Kansas State Pupil Transportation Association and has been treasurer for this organization. When you call 784-5412 (Bus Barn) this is normally who you will be speaking with. The next time you see her, or if meeting her for the first time, be sure to let her know how much she is appreciated. Thank you, Diane, for going above and beyond each day!
~Tony Blackwell

Book Fair

Book Fair will run February 18th - 26th. Students will be able to shop in the mornings and during their library time. For safety, this year's in-person fair will not be open to parents and other family members. New this year is ewallet, a secure digital payment option for students. Parents can create an account and add funds for their students to shop without cash by going to:

www.scholastic.com/bf/mview

Site Council

Our next Site Council meeting is scheduled for Tuesday, February 9th at 6:30 it will be online. We will send out a link on Monday, February 8th.

Winter Dress

As Kansas typically has very cold temperatures in February, please be aware of what your child is wearing to school. We will go outside for recess unless the temperature is dangerously low. Students need to wear a coat and hat during the winter months.

Kansas Career and College Ready Standards

As part of the KCCRS we are implementing two "Habits of the Mind" concepts every month. We believe that by teaching these concepts that our students will have the 21st century skills they will need to be successful. February's "Habits of the Mind" are: "Creating, imagining and innovating." and "Responding with wonderment and awe."

State Assessments

State Assessments are coming in April. Please be looking for an upcoming schedule.

Kindergarten Round-up

Kindergarten round-up is scheduled for April 23rd. Please look for notes coming home or call Cindy in our office to schedule a time.

Administrative Report
February 2021**

Building Management

- Our building announcements are sent out weekly using Bright Arrow. Also, our newsletter is sent home monthly and Facebook announcements are posted regularly. *Goal #3 Relationships, Goal #4 Responsive Culture, Goal #5 Results*
- We continue to follow the Covid-19 health flow chart as students come to the office to report their health symptoms. *Goal #5 Results*
- We will continue to report to the state our weekly attendance.

Educational Leadership

- Our annual Book Fair will be February 15th -28th. This year the Book Fair will be virtual. Parents will have the opportunity to shop online for books. We will post advertisements on our Facebook and send home information about the Book Fair and how to purchase books for students, teachers, and our library. Our library will receive 25% of book sales to be used in our library. *Goal #3 Relationships, Goal #4 Responsive Culture*
- Our teachers met with our title teacher and myself to review the winter Fastbridge results. We reviewed our Tier one, two, and three students' scores and made decisions on group size, resources, etc. We had 16 students who scored t2 and t3 in math. Out of the 16 students, six students are in grades kindergarten-second grade. We had 23 students who scored t2 and t3 reading. Out of the 23 students, eight students are in kindergarten-second grade. Our teachers recorded their classroom winter scores and compared their results to the fall scores. *Goal #5 Results*
- Our LINK team will meet this month to discuss our family engagement activity for the second semester. Amy Compton, our LINK instructional coach, will share ideas for family engagement. Our title teachers shared some ideas of reading books online and providing students an activity to do at home with their parents. Also, we will provide data from two of our schools showing reading improvement due to researched based strategies implemented during interventions. *Goal #5 Results, Goal #1 Relevance, Goal #3 Relationships*
- Our Junior High Quiz Bowl coaches, Mrs. Heit and Mrs. Cole, have met with our Junior High students sharing about the Quiz Bowl rules and requirements. Students who are interested will try-out to be on the team. The practices will start next week after school. *Goal #3 Relationships, Goal #1 Relevance*
- Our nurse, Janelle Weidert plans on teaching sex education classes on February 26th. These classes are taught to our 5th-8th grade students. Parents will be notified and will have the opportunity to opt their child out of the learning session. *Goal #3 Relationships*
- Our Admin team will meet with Greg Goheen to hear about the updates on the Title IX requirements. *Goal #5 Results*
- The math and social studies curriculum teams have been reviewing resources. We plan to meet to discuss the need for presentations from company's reps. and to address questions from teachers. Also, we will plan our next steps in curriculum selection process. *Goal #2 Rigor*
- I have been observing teachers during walk throughs and using the KEEP evaluation tool for formal observations. *Goal #5 Results, Goal #2 Rigor*
- Our current enrollment is 139 students.

- **No Flowers**
Please do not deliver Valentine's Day flowers or gifts to school for your children again this year. We will not accept deliveries from parents or florists on that day. The area florists have been notified. Valentine Parties will be around 2:30 p.m. on the 12th.

- **Quiz Bowl**
Quiz Bowl is ready to start for 7th and 8th grade students. Students are working hard practicing for our meets. Mrs. Heit and Mrs. Cole are working the kids hard.

- **Transportation Corner**
The following items are just a few facts compiled by the Minnesota School Bus Operators Association but they are applicable to Kansas Public School transportation and our bus drivers.
The school bus has become an American icon that represents the care and concern we have for our future generations. But did you know? According to National Highway Traffic Safety data, your child is 50 times safer in a school bus than riding with friends or driving themselves to school, and 20 times safer than riding with a parent driver. Moreover, safety experts estimate that cutting school bus

service in the US would result in 800 additional student deaths per year. Your child's school bus driver is supported by an entire team dedicated to safety. From the mechanic who ensures that the bus is mechanically sound, to the dispatcher who makes sure that routes are designed to minimize traffic hazards, to the office staff that stay in compliance with state and federal regulations. School bus drivers are carefully screened and trained. Strict criminal background checks as well as driving record checks are done on an on-going basis. Physical exams and drug and alcohol testing are conducted on all drivers throughout their employment.

The effects of the school bus reach into the classroom as well; recently data in Tennessee has shown that cutting school bus service increased student absenteeism from 5% to 18%.

Thank you,
Tony Blackwell

- **Attendance Reminders**

If your child is ill, please call or send a note to school, otherwise the absence will be unexcused. Truancy is defined as any three consecutive unexcused absences, any five unexcused absences in a semester, or seven unexcused absences in a school year, whichever comes first. Tardiness occurs when a student enters the building after 8:00 a.m. or misses up to an hour at any time during the school day.

- **Colder Weather**

As cold weather approaches this season please be mindful of what your child wears to school. We will be going outside for recess unless the temperature is extreme. Students need to wear a coat, hat, and gloves during the winter months.

- **School Closings**

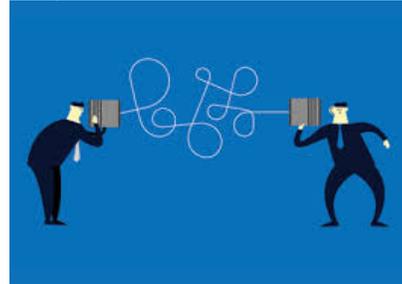

In the event of inclement weather or mechanical breakdown, school may be closed or starting time delayed. The automated phone system will be implemented. However, please check the following stations for school closings in the event of a system failure:
KOAM-TV (channel 7) KODETV (12) KKOW
96.9 FM KGGF 690 AM KLKC 93.5 FM KOBC
90.7 FM

- **Health**

Cold and Flu season is just warming up, so remember this time of year the added importance of good hand washing. Please

encourage your child to use warm water with soap and scrub for as long as it takes for them to sing "Happy Birthday" twice, making sure they get between fingers, wrists, and backs of hands too. While hand sanitizer, vitamins, and flu shots are great, hand washing is the single best way to prevent the spread of germs.

Marty Warren – Electronics:

Fundamentals of Electronics- Students are learning the basics of AC. They are learning the basics of voltage and current measurements and converting Peak- Peak, Peak, Root Mean Square or Effective, and Average values! They are learning the concepts of the oscilloscope along with calculating the voltage, time, and frequency of the waveforms.

Emerging Technologies- Students are finishing up oscillator circuits by building, testing, and experimenting with the circuits. They will be starting the AM/FM radio kits the first week of February.

Digital Electronics- Students are still working with flip-flops and registers which are the building blocks of memory devices.

Advanced Electronics- Students are working on individual projects in Electronics. SkillsUSA- We have 16 students from Electronics, Health Careers, and Welding competing in contests February 1st-12th!

Misty Burke:

Economics/College Orientation- Students have been busy working on local scholarships and exploring college housing options. LCHS has many outstanding students including the following students who have been recognized for competitions. Dakota Payne and Hayden Pool are finalists for the U.S. Presidential Scholars, Cassandra Lewis is a finalist for the Rudd Foundation scholarship, and Elsie Sorrell, Noah Grady, Noah Simmons, and Cassandra Lewis are finalists for the Hagan Scholarship. In Economics, we have learned the basic items that need to be included in a budget and established the difference between a need and a want.

Psychology- Students have learned about the different fields of psychology and heard from Misti Mustain, Labette Center for Mental Health Services, about local services. General Psychology students also used a game to apply the concepts of the Scientific Method to identify strategies to win. They have enjoyed the hands-on approach and many have shared their new theories at home on how to win the game. We will begin studying the types of data collection in research in February.

Developmental Psychology- We began our new semester learning about generations and how culture affects the trends of each generation. Students created presentations and shared world events, fashion, music, and icons of each of the generations from 1900 to current.

Floretta Haggard - Science:

The students in my chemistry classes are experiencing lab procedures. They are having to write elaborate reports. In addition, they have to do research.

Candace Harris - Art:

2D Beginning students are finishing up mandala drawings.

3D Beginning students are working on coil pots and glazing techniques.

2D Advanced students are exploring new watercolor techniques and will be creating acrylic paintings on black canvas boards next.

3D Advanced students are creating mosaics using handmade tiles and glass tiles.

Graphic Design Fundamental students are exploring photoshop through the creative cloud and made watermarks to “sign” their work with.

Guidance Office – Jack Leake and Crystal Witty:

State wide Free ACT for all Juniors are enrolling, to be given Feb. 23rd during a school day, doing classwide Accuplacer testing for all sophomores planning on taking concurrent classes their 11th and 12th grade years here, also having that same group apply for admission to LCC for the same reason. Doing pre build for the 2021-2022 schedule and will load students the month of Feb. and run the load early March.

Lee Reliford JAG-K:

Jobs for America’s Graduates-Kansas (JAG-K) is a 501(c)3 organization which prepares students for successful futures. Our goal is to help students facing various barriers to success, overcome those barriers, graduate from high school and get on a successful career path. JAG-K is an in-school, elective class that is taught by a trained JAG-K Career Specialist. This Career Specialist provides individual and group instruction to 35-45 students in the classroom using the competency-based JAG National Curriculum. The Career Specialist teaches JAG-K students employability skills, career and leadership development skills and helps with academic remediation. Additionally, JAG-K students complete at least 10 hours of community service each year. JAG-K Career Specialists invest time, compassion, understanding and love into the program and their students. The JAG-K Career Specialists maintain contact with students throughout the summer months and, most notably, continue to work with students past high school. The unique 12-month follow-up program allows the Specialist to continue providing support and encouragement to the student for the first year after graduation. Our Career Specialists develop community relationships to help provide internships, job shadowing opportunities, guest speakers, college and business visits and other career and leadership development opportunities. We have three statewide JAG-K events each year and one national event in Washington, D.C. for qualifying JAG-K students. There are numerous local events open to every student, as well as a Career Association within the classroom in which all students participate. The Career Association provide opportunities for leadership, community service, career exploration and on-site job

shadow experiences. JAG-K is a state affiliate of the national JAG program network which operates in 35 different states and territories.

Proud Moment! Dakota Smith is such a success story for LCHS as well as JAG-K!! He has been in JAG-K for three years. When he first came to my class, I thought he was going nowhere fast. He didn't care about school too much. He was lacking in the maturity department at that time, but I saw potential in him. So I worked on getting him to believe he is better than his circumstances. He had a tough life, to say the least. I am proud to say he beat the odds! He overcame so many barriers that his home life had set for him to not reach his full potential! I watched him grow from a immature kid, to a mature young King! Dakota is graduating at semester and will be going to Coffeyville Community College to start his general education credits. Keep growing and keep maturing! Use the tools that you have obtained over your 3 years in JAG-K and take over the world! Much love young man! Continue to achieve greatness!

JAG-K Career Associates Dress for Success Day!!

Students are learning the values of first impressions! January 13th was our Dress for Success Day for this month!

Kim McMunn:

Health Careers III and IV—26 students received their CPR/First Certification. They are now getting started on LCC college classes for the Spring Semester. Since we still can't do job shadowing we are focusing on taking classes that will be helpful in their health career choices. There is still hope for these students that are juniors that there might be some job shadowing next year. The various classes that students are taking are OSHA, Certified Nurse Aide, Basic Nutrition, Phlebotomy, Medical Terminology and Advanced Medical Terminology.

Health Careers II are beginning their section of researching and presenting various health care skills. We will spend a lot of time in the lab working on these.

Health Careers I is doing a section on the Integumentary system. Each student has a specific skin condition to research and present to the class.

Health Careers and I and II continued to be blessed by many health professionals coming to the class. We have had Misti Mustain, psychologist, Ashley Harlow, Hospital pharmacy director, Jennifer Forbes to speak about Cystic Fibrosis and Chris Brown, athletic trainer.

Carrie Case - Math:

Geometry: Geometry students are working hard and are about to finish their sixth unit over congruent triangles. Once we've completed this unit, students will begin the Fundamentals Triangle Project. During this project, they will use concepts

learned in Chapter 5 to create an original piece of artwork that incorporates congruent triangles and their properties.

College Algebra: My College Algebra students continue to work hard. They are preparing to take their first test over linear algebra and inequalities. They have done very well so far, and I thoroughly expect them to succeed on test day.

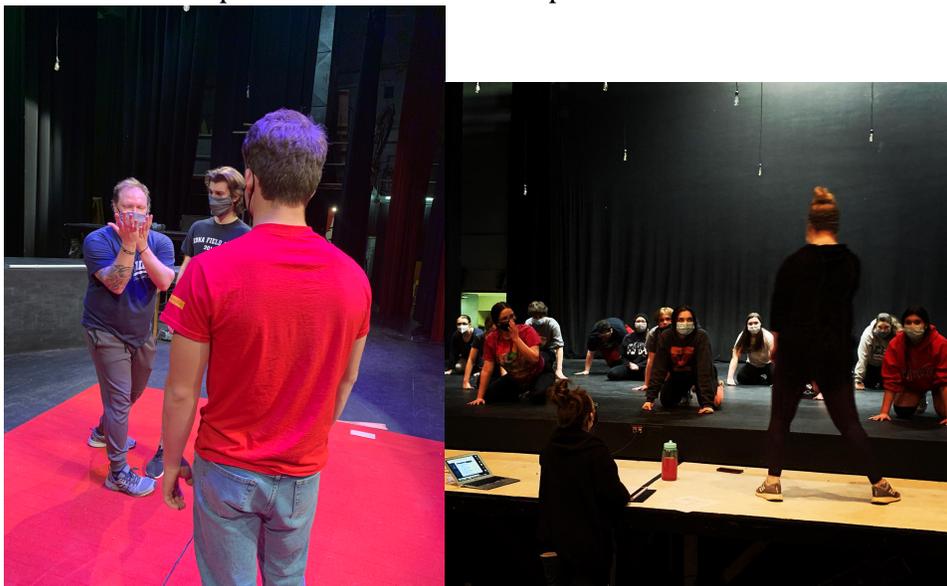

Calculus: Calculus students have been working hard to master the difficult concept of Implicit Differentiation and its applications. They will be completing this extremely long unit on derivatives shortly and be moving on to derivative applications and integration. I'm very proud of their continued hard work and dedication.

Trigonometry: Trigonometry students are about half way through their first unit on trigonometric functions and will be testing this week over the trig functions of angles and arcs. They are excellent students and have been giving their best efforts to learn this new material.

I continue to be proud of all of my students. They are working hard and being diligent about wearing masks and cleaning up their areas. I can't believe how fast this year is going. It'll be over before we know it. It really is amazing that we're still here and healthy. I hope it stays that way.

Heather Wilson - Theatre:

Our whole theatre department is actively anticipating Tarzan the musical by David Henry Hwang, Music and Lyrics by Phil Collins on March 18-20. We have been rehearsing with the entire ensemble, cast, crew and understudies, and that numbers over 50 students. Mrs. Shawna Terrell and I cast the show from over 50 students who auditioned. We invited open auditions, but we mostly had theatre, band, and choral students partake. Here are some photos.

Recently, **Paul Molnar from the William Inge Center for the Arts** came to the beginning theatre classes and staged some fight choreography for our production. He is recruiting students for his theatre program, and he is also doing us a service.

Last week, **Lisa Fischel of Coffeyville Community College** provided a workshop to the advanced theatre students on audition monologues over Zoom.

Professional scenic designer, **Dan Williams of Tulsa** evaluated our beginning and advanced theatre's set designs, chose one, and came for a workshop to teach us how to implement that design. We have paid him to come back again this week to help us craft some structures and figure out how to create a jungle on stage for Tarzan. Dan is an expert in cardboard and scenic construction, so our class will learn a lot from him!

We also have former student **Courtney Omarkhail and professional choreographer Gracie Terry** working with students to choreograph dance sequences.

Ivan Crow, resident sub, and former professional actor has been working with the kids on their British dialect. He is of Welsh descent and a great human to volunteer his time to our kids. He loves it! We even have him as an understudy in the performance.

Beginning the end of March, LCHS was chosen for a playwright in residence to attend classes and teach playwrighting in the playwrights in the school program from the Inge Center.

Also

1st hour-- **Dramatic Literature** class has been reading some classic works such as Oedipus Rex and Medea. We have been focusing on vocabulary words as well, and implementing them in our writing.

3rd hour-- **Advanced theatre**-- Students have been working on moment to moment acting in their theatre, new comedy scenes, and theatrical portfolios to showcase for college and universities.

2nd hour/4th hour **Theatre 1**-- have begun their study on the elements of comedy. They are viewing comic selections and identifying the type of comedy present. They will soon perform a classic Italian comedy, Commedia dell arte, which is the basis for all comedy forms.

Technical classes-- building, creating and designing for Tarzan.

Crystal Witty – Guidance:

Freshman girls will start meeting with Ms. Witty this week for Safe Dates groups. We have utilized this curriculum for 6 years and the girls always seem to enjoy it.

During our time together we discuss various aspects of friendships and dating relationships including: identifying what healthy relationships look like, red flags and situations to be aware of, personal feelings and triggers, coping strategies, as well as a few guest speakers who provide insight and information for local resources.

Broc Wolfe - Science:

Biology: Biology will be starting a new unit on ecosystems and biomes. This unit the kids should be doing a lot of creative and engaging projects for a lot of their assessments.

Environmental Science: just finished up on a chapter over water scarcity, water pollution and water management. After the chapter we did a class lab where the students had to create a natural water filter using soil, sand and rocks. We then tested several different types of mixtures to how the filter would clean the impurities from the water.

Teresa Leake - English:

A short story was enjoyed by all my Freshman English classes, and they increased their writing skills by writing an essay over the story. They concentrated on writing an impressive introduction and conclusion paragraph.

The senior classes enjoyed new technology skills by reading research on how the host city is chosen for the Super Bowl. Comprehension skills were used as well as reading articles to search for important information. Both classes are learning the importance of citing sources when utilizing ideas gained from outside resources.

Arlene Brothers - Connections:

This semester started with students ready to be back from Christmas break and finish this school year. There were several students that changed classes to help with their schedule. It was surprising how fast the first semester went by even with the many challenges that the school year brought. My students adapted to wearing masks and social distancing. I think I have mentioned this in past board reports, but I am so amazed at how well we have done to keep the school safe and people healthy. It has not been 100% clear of the covid, but it is remarkable that we continue to be able to keep school open.

The education through google meets or in the classroom is just another day in a students life. With many students being in quarantine in the past months, I believe it has become easier to teach from the computer screen. Our students have learned how to become successful whether in the classroom or behind the computer screen. It is wonderful how resilient high school students have become during this pandemic.

With only three and a half months left in this school year, it will go by very fast. The sports teams have adjusted to changes in the games. The seniors are currently discussing prom options. The graduation plans are also being discussed. Many things to make this school year successful are being considered. It will be interesting to see what the future holds.
