

National Board Candidate Information Sessions

Register Today!

To support Washington state candidates through this process, OSPI will be hosting information sessions open to all educators looking to begin or resume their National Board journey. If you are considering becoming a National Board candidate this year, then please plan to attend an informational meeting soon.

These sessions will cover considerations for why National Board Certification is right for you, the assessment process, and supports and resources to help you along the way. The second session in September will also include the Why and How to Join a Cohort module.

Who? Any teacher or counselor interested in pursuing National Board certification during the 24-25 school year or later

What? Information session hosted by OSPI, in partnership with WEA and CSTP. Attend to find out what National Board certification requires and the timeline options

When?

- Tuesday, August 27 @ 4:30 PM-6:00 PM
- Saturday, September 14 @ 9:00 AM-11:00 AM

Where? Zoom – set up an account at <https://zoom.us/> and join with an electronic device
