The Premier Provider of Career Technical Education

The Baldy View Regional Occupational Program (ROP) was established in 1972 and is operating pursuant to a Joint Powers Agreement between the Chaffey Joint Union High School, Chino Valley Unified, Claremont Unified, and Upland Unified School Districts to regionally serve our community by preparing students for 21st century employment demands.

www.baldyviewrop.com

STUDENTS AND PARENTS

- Research shows that students who take ROP improve their grade point averages, feel a greater connection to learning, and are more successful in careers and college
- Courses are designed to provide students with knowledge and training that meet the current employment, business, and industry demands
- ROP teachers are fully credentialed by the California Commission on Teacher Credentialing and have industry experience in the field in which they teach
- Earn credits toward high school graduation
- Meets UC & CSU "a-g" requirements and Community College credits*
- Internships offered*
- Industry recognized certifications*
- Gain knowledge and hands-on experience required for immediate employment
- Over 6,000 students enrolled annually
- Foundation scholarships available to seniors who completed a course anytime in 9th-12th grade.
- Alumni Association membership
- Services: Free donated business attire, free eye-screenings, free mental health support, and free meals for students enrolled at the Career Training Center

Mission Statement

We provide equitable, accessible, rigorous, and relevant career technical education with work-based learning experiences, to prepare students for career, advanced learning, and life.

Vision Statement

Collaborating with our education and regional partners, Baldy View ROP will lead in empowering students to excel in emerging technology, adaptability, leadership, and relevant industry skills necessary to succeed in the evolving global workforce.

Student Learning Outcomes

Upon successful completion of a Career Technical Education program of study, students will:

Demonstrate Career and College Specific Communication and Critical Thinking Skills

- Perform skills necessary to obtain employment and/or advance in the occupation
- Apply English Language Arts, Mathematics, Science and Social Science skills
- Utilize appropriate professional terminology
- Recognize, assess, work through and solve problems

Demonstrate Responsible Work Ethics

- Apply appropriate workplace behavior and standards
- Utilize time effectively and produce quality work
- Communicate and work effectively with diverse groups
- Exhibit punctuality and consistent attendance

Demonstrate Career/Employment Literacy

- Identify, research, and prepare for career opportunities
- Exhibit appropriate employability skills including resume writing, job application completion, and interview etiquette

Demonstrate Effective Use of Technology

- Identify and ethically apply appropriate 21st century technologies for career and college success

EMPLOYERS

- Strengthen your entry-level workforce with trained and career ready candidates
- Need Interns? The ROP affiliate programs allow students to gain work experience while working for you
- Promote your products/services to students, families, staff, educators, and the community across the region
- Large coverage area for beneficial advertising and sponsorship opportunities
- Public recognition at events, in print, and online
- Offer work-based learning opportunities such as: Internship sites, Guest lecturers, Mentors, Presenters, Tour Guides, and more
- Sponsor scholarships in your business' name presented at the annual Student Success Awards
- Support your community and share your expertise with students eager to learn
- Join the Advisory Board and be involved in preparing students to meet current employment needs
- Advertise employment opportunities
