What is Title I?

Carroll High School is identified as a Title I school as part of the Every Student Succeeds Act (ESSA) which is a reauthorization of the Elementary and Secondary Education Act of 1965 (ESEA). Title I is designed to support state and local school reform efforts tied to challenging state academic standards and to reinforce and enhance efforts to improve teaching and learning for all students. Title I programs must be based on effective means of improving student achievement strategies and to support parental involvement. All Title I Schools must develop a written parent and family engagement plan.

School Plan for Shared Student Achievement

What is it? This plan describes how Carroll High School will provide opportunities to improve parent and family engagement to support student achievement. CHS encourages suggestions from parents and the community to reach the common of improving student learning. CHS will support parent involvement that will promote student learning at school and at home

How is it Revised? CHS invited parents to attend our annual Title I meeting in the fall of every year to discuss all components of the Title I plan. our Parents are welcome to provide feedback received will be used to revise the plan for the next school year. We also distribute an annual online survey to ask parents for their input.

Where is it Available? The Parent and Family Engagement Plan is sent home with all students during the fall of the year. The plan is also available on the school website. We also keep hard copies in the parent resource area in the foyer.

Who is it for? All students and all families are encouraged and invited to participate in the opportunities described in this plan.

Goals for Student Achievement

Ozark City Schools Goals

- Create a culture of instructional excellence for **all** students & staff
- Increase academic achievement and growth among **all** student groups while addressing gaps
- Increase the graduation rate
- Prepare college and career ready students
- Create a culture where all stakeholders value education

Carroll High School Goals

- Provide a safe and healthy learning environment for all students
- Engage and empower learners and staff through up-to-date technology
- Produce graduates who strive for and reach high standards of academic excellence
- Create an atmosphere where students feel welcomed and supported
- Increase stakeholder engagement
- Inspire students to be growth-minded by modeling continuous professional growth for all staff

School-Parent Compacts

As part of this plan, Carroll High School and our parents develop a school-parent compact that is an agreement among the teachers, parents, and students that everyone will work together to ensure that our students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from parents, families, students, and teachers. These copies are signed by all parties and are kept in each student's cumulative file.

Parent & Family Engagement

Carroll High School believes that parent and family engagement means that participation of parents and families in regular, two-way, meaningful communication involving student learning and other school activities include ensuring:

- that families play an integral role in assisting their child's learning
- that parents/families are encouraged to be actively involved in their child's education at school
- that parents are partners in their child's education and are included, as appropriate, in decision-making and serving on committees to assist in the education of their child

Parent & Family Resource Center

Our Parent Resource Information Center is located in the front foyer of the school. There are materials available that contain useful information for parents and families regarding several age-appropriate relevant topics.

National Parent & Family Engagement Standards

Standard 1

Welcoming all families into the school community

Standard 2

CHS Booster Club Meetings

Carroll High School invites all parents to attend our school's extra curricular Booster Club meetings to share ideas and additional ways to involve other parents as we work toward building partnerships with the school, families, and community. These are held at various times throughout the school year and you will be notified in advance of the dates, times, and locations of these events.

Carroll High School will.....

- Ensure that all information related to school and parent programs, meetings, and other activities is published on the school website, posted on social media, included in the monthly newsletter or calendar (if applicable), as well as sent out via the system's mass communication system.
- Provide training to educate teachers and staff on strategies to improve communication with parents and ideas to increase parent and family engagement.
- Provide necessary materials and handouts for parents at conferences, meetings, and activities to help parents work with their children to improve achievement.
- Communicate with families and the community on a regular basis regarding school-wide events and activities via several types of media: mass communication, emails, texts, website, newsletters, etc.
- Collect feedback from parents and students via surveys.
