Thanksgiving Message

Dear Members of the Blind Brook School Community,

It is astonishing that we are closing in on the end of November already! It has been a good start to our school year and looks to be a great holiday season!

As we enter the season of thanks, I would like to express my gratitude to all our administrators, faculty and staff for the good work that they have done in supporting our students both academically and mentally. Blind Brook is very fortunate to have an incredible team of professionals working to create an exceptional learning environment for our learners.

I would also like to thank our parents and community members for the ongoing support of the work that is going on in Blind Brook. The willingness of our community to give the time, money and resources needed to help our students succeed is nothing short of amazing. I am grateful to work in a community that cares so deeply for high quality education.

I hope that this year has brought you much to be thankful for. I wish you and your families a Happy Thanksgiving!

Sincerely,

Dr. Colin M. Byrne
Superintendent of Schools
