Resignation of Assistant Director of Pupil Services

Dear Members of the Blind Brook Community,

I wanted to let the community know that Amelia Carpanzano, our Assistant Director of Pupil Services has notified me that she will be leaving the District as of October 13th. Mrs. Carpanzano has accepted a position as the Director of Pupil Services for the Brewster Central School District. This new position is both a progression in her career and an opportunity to work with her home school district. While I am sad to see her go I wish Mrs. Carpanzano all the best!

Mrs. Carpanzano's last day in the District will be October 13th. I met with her and Mr. Burg today to discuss covering the responsibilities of the Assistant Director of Pupil Services in both the short term and long term. We will make sure that all student needs continue to be supported throughout this transition.

I will continue to keep the community apprised of what is happening as things progress.

Sincerely,

Dr. Colin M. Byrne
Superintendent of Schools
