Any Administrators hired after October 1, 2015, shall be entitled to twenty-five (25) vacation days per school year, effective July 1 of each school year. A maximum of fifteen (15) days may be carried over into the next fiscal year. Written approval shall be required from the Superintendent of Schools prior to the Administrator's use of vacation days.

B. Use of vacation days during the school holiday periods of Christmas/New Years, Winter Recess and Spring Recess shall be at the discretion of the Superintendent of Schools.

C. Administrators who separate from the District before June 30 shall have their accrued vacation days determined by a pro-rata formula, at 2.5 days earned per month. All current Association members whose accumulation of unused vacation days, as of June 20, 2006, exceed ten (10) days are "grandfathered" with that number of days for payment upon separation from service not to exceed twenty (20) days. For example, if an Administrator has twelve (12) accumulated days, the Administrator shall be paid for those days upon separation from service, assuming the accumulated days have not subsequently been used as vacation days. Those Administrators with ten (10) or fewer unused accumulated vacation days as of

June 20, 2006, shall be paid for up to ten (10) days of unused and accumulated vacation leave upon separation of service. Administrators hired July 1, 2006 and thereafter shall be paid for up to ten (10) days of unused and accumulated vacation leave at the time of separation of service. Payment for unused vacation days shall be at the Administrator's daily rate which will be computed at 1/240th of the Administrator's base annual salary.

D. The following holidays shall not be charged against the Administrator's vacation accruals. When any of these days occurs on a weekend day, the Administrator will have the previous Friday or subsequent Monday, at the discretion of the Superintendent, as the holiday:

Other single day holidays when school is not in session.

E. All Administrators shall have the option to cash in unused, accrued vacation days at the end of each school year. An Administrator will be reimbursed for each unused day which he/she cashes in at an amount equal to 75% of his/her per diem rate. For example, if an Administrator's per diem rate is \$300/day, he/she will receive \$225 for his/her unused vacation day cash-in. Regardless of the number of unused, accrued vacation days an Administrator may have at the end of the school year, under this Subsection, the amount of days the Administrators may be allowed to cash in per school year is capped at no more than five (5) days.

Article 6 - Evaluation

A. For non-principals the attainment of the performance levels shall be based upon the numerical rating from the District's current eight (8) page evaluation form, which

incorporates seven (7) standards. Each of the four (4) descriptors {Distinguished, Proficient, Basic, Unsatisfactory} will be assigned its correspondent point value from 3 to 0 (zero) in each category. A total score of 18-21 shall constitute Level 4, Distinguished; 13-17 Level 3, Proficient; 10-12 Level 2, Basic; 0-9 Level 1, Unsatisfactory. For principals, the negotiated APPR rubric shall be used and the scoring levels shall reflect the requirements set forth in the applicable statutes and regulations.

B. Each Administrator will meet with his/her evaluator at least twice during the course of the school year. The first meeting shall occur by December 15th and the second meeting by March 15th. Any administrator whose performance is deemed "Basic/Developing" or below or in danger of receiving a "Basic/Developing" rating or below shall be given written notice of the concerns at these meetings as well as a written improvement plan setting forth what the Administrator must do to improve his/her performance.

C. Every effort will be made to provide Administrators with their final evaluations by June 1; however, no Administrator shall receive his/her evaluation later than June 30th.

D. Administrators who are not being asked to return for a second or third year or are being denied tenure will be notified no later than April 1. Administrators being denied tenure will receive notice at least ninety (90) days prior to the expiration of their probationary period.

Nothing herein will restrict the right of the District to notify an administrator that he or she will not be asked to return for a second or third year, or that he or she is being denied tenure, after April 1 should the administrator's actions after April 1 merit a re-evaluation of the administrator's performance, as determined by the Superintendent of Schools. Furthermore,

nothing herein will restrict the right of the District to notify an administrator that he or she is being denied tenure less than ninety (90) days prior to the expiration of the administrator's probationary period if the administrator's actions after the ninety (90) day threshold merit a re-evaluation of the administrator's performance, as determined by the Superintendent of Schools.

Nothing herein shall be deemed a waiver of any administrator's statutory rights to notice regarding the termination of his or her probationary period or the denial of tenure.
