Construction Update – TCO received

Dear Members of the Blind Brook Community,

I am happy to inform you that, as of 10:00 p.m. last night, we have received the Temporary Certificate of Occupancy for the new areas in the Bruno M. Ponterio Ridge Street School! With the exception of the kitchen and the stage, all of the rooms will be accessible to our students and staff.

I am extremely grateful to everyone who put in the extra time and effort to make this happen! I need to once again thank Mr. Ed Braddick, our certified fire inspector, for helping us navigate this process.

Work will continue on any unfinished areas but will transition to after school and on weekends. We continue to make progress towards our final completion date. The Board and I will keep you updated on how things are going.

Sincerely,

Dr. Colin M. Byrne
Superintendent of Schools
