Reporting Positive Covid Cases

Dear Members of the Blind Brook Community,

As the COVID cases continue to be on the increase in our area, it is important that we all continue to follow the protocols that have been put in place. In particular, it is critical that parents report to the schools if their children test positive. Even though we are on break, the District needs to know when students test positive. We need this information in order to be able to plan most effectively for the reopening of school in January. If your child has tested positive or does test positive over the break, please report this to the appropriate email addresses below.

Bruno M. Ponterio Ridge Street School – covidrss@blindbrook.org

Blind Brook Middle School – covidms@blindbrook.org

Blind Brook High School – covidhs@blindbrook.org

We need your assistance to help maintain a safe environment for everyone.

Sincerely,

Colin Byrne
Interim Superintendent of Schools
