Halloween Message From The Superintendent

Blind Brook School Community:

As with other holiday traditions in 2020, Halloween will not be the same for our children. This week, Blind Brook Schools experienced our first cases of COVID-19 positive students, and we would like to minimize the chances of more cases in the future.

In order to keep our school community safe, we ask that students avoid parties and events where they will not be able to maintain safe guidelines, including the wearing of masks (COVID protective masks, not costume masks), staying outside in ventilated areas, and staying 6 or more feet apart. Students who are quarantined because of COVID-19 exposure must not attend social gatherings as per public health guidelines.

We depend on your cooperation to keep our schools safely open for as many students as we can for as long as we can. If our students do not adhere to mask wearing and social distancing, we will likely experience an increase in COVID-19 cases, which will require interruption to in-person learning and a shift to a full remote learning model.

Thank you for your cooperation this weekend and heading into the holiday season. Have a safe and Happy Halloween.

Respectfully,

Dr. Patrick Brimstein
Superintendent of Schools
