SUPERINTENDENT'S MESSAGE

Dear SVCS Families,

GRADUATION

The long-awaited sounds of "Pomp and Circumstance" signaled the end of the 2021-2022 school year. The last two years have been filled with many challenges, however the resilience of the Stockbridge Valley students, staff and community proved that together we can overcome any obstacle. On June 24, 2022, on the Glen Stevens Athletic Fields, we celebrated the graduation of 29 amazing students. This year, we had all 29 students receiving Regents diplomas. Of those, 12 students earned Advanced Regents diplomas and 9 students earned Regents diplomas with Technical Endorsement. They started the day as Stockbridge Valley students but left as Stockbridge Valley Alumni.

Graduation highlights included words of wisdom from Valedictorian Rachel Mennig, Salutatorian Nevaeh Randel, and commencement speaker Kim Meacham from the Class of 1972. Rachel reminded us how dependent on Google we have become, Nevaeh encouraged us to be part of the change our world needs, and Mr. Kim Meacham provided us with some words of wisdom that included the power of positivity and hard work.

SENIOR NIGHT AWARDS CEREMONY

On June 9, 2022, our Seniors were recognized for their individual accomplishments at the Senior Night Awards ceremony. Through the generosity of our alumni, community, and staff we handed out almost one hundred awards and scholarships totaling more than \$17,500.

SUMMER OFFICE HOURS

Office hours from June 27 to August 26 will be from 8 a.m. to 3:30 p.m., Monday through Friday. Due to workshops, vacations and other district business, please call ahead to ensure that the person you are coming to see is in the building that day!

Thank you to everyone that helped to make all of this possible. Your ongoing support is greatly appreciated.

Sincerely,

Mr. Corey Graves

Superintendent of Schools

SVCS MISSION/VISION

Mission: We empower students through education.

Vision: We embrace a culture of respect and support that allows every student to recognize their worth, realize their purpose, cultivate their passions and achieve their ultimate potential.

MESSAGE FROM THE 7-12 PRINCIPAL

Hello SVCS Families,

First, I would like to thank all of you for another wonderful school year. With your support, students wrapped up final projects and assignments, and many experienced Regents for the first time. Now I hope all have settled into the relaxing days of summer.

Congratulations to the Class of 2022! Graduation was beautiful; from the speeches to the perfect summer evening. You have reached a spectacular milestone in your lives. Coming not only to the end of the school year and the final chapter of your high school career, this must be a combination of excitement and bittersweet emotions. Although your careers or colleges may take you far and wide, Stockbridge Valley will always be a place you can call home.

As we prepare for next year, we are excited to welcome the incoming 7th graders. There will be an orientation for 7th and 9th graders towards the end of August. Information will be mailed home with specific dates and times as it gets closer. During orientation, students gain essential information about the schedule, lockers, regents, high school credits, etc. We hope to see you there!

Have a great summer,

Andrea Smith

Ellen may have been seen by some as an average student, but to one of her teachers, she was a “diamond in the rough”. This teacher always saw her potential and made sure she told her so. This kindness was something that Ellen carried with her when she found her passion in life. She earned her associates degree in Criminal Justice from MVCC, her bachelor’s degree in psychology from Columbia College and was in the Nursing program at SUNY Morrisville studying to be an RN. **ROBYN CARINCI MEMORIAL
AWARD**

Robyn Carinci left behind her husband, Officer Mike Carinci and her two sons Matthew and Nathan when she passed in 2016. She was a teacher throughout her life and instilled upon her sons the importance of education, being respectful, being polite and always to be humble and kind. It was common phrase in Robyn's household to start and end each day with an "I love you."

Additionally, Robyn was an avid sports fan and ultimate team mom. She helped her husband Mike create an AAU basketball team that included athletes from Oneida and VVS. The two schools had been perennial rivals, so parents were hesitant about playing together

at first. It was Robyn's maternal presence and positive attitude that lifted any skepticism and resulted in a team that played together for 6 years.

When the boys were seniors, they played their final school game at VVS's home court. Nine of the ten starting players were members of the original AAU basketball team. Before the game, when the VVS senior boys were introduced they greeted their parents on the court. They then ran to the opposing side and hugged and kissed Robyn, their original AAU mother. This speaks to her deep impact on all those who knew her.

Early in 2015 Robyn was diagnosed with stage four cancer. She fought her battle with dignity and courage for about 18 months. During that time, Robyn always remained positive and upbeat. She was more concerned about her family and loved ones than she was about any pain. She did everything in her power to make her remaining time with her family a very special time.

After Robyn passed, Hundreds of previous players, students and a college baseball team all wore purple wrist bands displaying angel wings and the words "Humble and Kind". Robyn epitomized these words. We recognize a senior that also embodies all that Robyn held dear with the Robyn Carinci Memorial Award. This senior is active in extracurricular activities, excels in the classroom, shows humility and is kind to others.

Her father and brother were professional firefighters, her mother was one of the first women to join the Emergency Rescue Squad for the Munnsville Fire Department and her son Kyle currently works for an ambulance corps. Her Mom Marie and her sister, Audrey Burleson were also long-time employees of Stockbridge Valley. Upon graduation, Ruthie followed in her family's footsteps of public service and became a LPN Nurse at Oneida Hospital working in the Medical Surgical and operating room. Ruthie will be long remembered for the compassionate care she gave her patients, her comical sense of humor that put them at ease during stressful medical procedures and the commitment she made to being the

very best nurse her patients needed her to be under the most difficult circumstances. Ruthie was a well-loved and respected member of the Oneida Hospital family and this community. This award is being given by her husband Ken, son Kyle, the Dymes & Kiehn families, friends and colleagues of Ruthie to a student who is pursuing a career in Nursing; in hopes they walk in the footsteps that Ruthie has left behind for the nurses of tomorrow to follow.

Ms Bennati was always willing to help students reach their art potential even if they were not creatively gifted. She also had a special talent for making

people laugh with her witty humor. This award honors her talent in the arts, her gift of helping students reach their potential, and her unique, creative spirit.

Each year a \$1,000 scholarship will be awarded by the Bennati Family to a graduating senior who meets the selection criteria. To be considered for this scholarship, the student must be a graduating senior in good academic standing who plans on continuing their education in a technical post-secondary institution or a two or four year college. JUNIOR PROM RETURNS TO SVCS

All year long, the Junior Class of 2023 worked really hard to raise money to have the best prom possible! On June 4, 2022, all of their hard work paid off and a successful prom is what they had. It was so nice to see everything come together in one place.

We started with our grand march in the Charles E. Stratton Memorial Auditorium where we crowned our attendants, Rowan Cady, Abigail Reed, Caden Jones, and Seth McHugh. Our prince and princess, Jayce Rood and Ava Genge. And lastly, our king and queen, Ben Jantzi and Abigail Smith.

Kristin Thomas, our very own elementary art

teacher, opened up her venue, FB Gill for us to use, creating our Rustic Romance Prom theme. The barn atmosphere was beautiful and perfect! The whole night consisted of eating, dancing, picture taking, laughter, and overall fun. Everyone looked very beautiful and handsome and it was so refreshing to see smiles

on everyone's faces.

It was a pleasure working with such a great group of kids and I look forward to planning prom again with next year's class!

MESSAGE FROM THE GUIDANCE COUNSELOR

To the Class of 2022 -

I wish you the best of luck in your future endeavors! It has been really awesome watching you grow from 7th grade on and I can't wait to hear about all the awesome things you are going to do. Please don't forget that if you have taken a dual credit course and plan to go to college, you must request your transcripts from the colleges you took these courses at. Please contact me if you need assistance, these transcripts can only be requested by you! Your official high school transcripts have already been sent.

To the Class of 2023 -

Welcome to your Senior Year! This is a very exciting and busy year for you all! We will be meeting in the beginning of the school year to discuss applying to colleges, financial

aid, scholarships, and other post-graduation plans. **The following are somethings that you can start doing this summer to so that you may stay ahead of yourself:**

⇒ **Start visiting colleges this summer.** It will give you a good idea of what to expect when you get there and if that college would be a good fit for you. Check their websites to schedule a tour as many are returning back to in person. We will also be going to a college fair the beginning of the school year so stay tuned for details!

⇒ **If you have not taken your SAT's yet, please sign up to take them in September/October.** The sooner, the better if you are planning on going to college. Please contact me if you need help to register.

⇒ **Work on your brag sheets!** We use these sheets to write your letters of recommendations that you will need for your college applications and scholarships.

⇒ **Start thinking about where you would like to go for your Senior trip.** Keep in mind – trips that involve overnight and/or special transportation arrangements are very expensive and will require fundraising efforts from everyone in the class! You will work with your advisor next year to get this organized.

MESSAGE FROM THE K-6 PRINCIPAL

Greetings from the Elementary Office!

What an amazing school year we have had! We saw the return of many of our traditional events such as our annual Halloween parade, music concerts, in-person character education assemblies, PTSO spring social, school picnic and field day, and class field trips! We also had some brand new to SVCS events such as Mystery Week to celebrate Read Across America and PARP reading week to encourage our students to read over the summer. Our children have made great academic progress this year while having fun!

We want to congratulate our kindergarten and sixth grade students as they embark on their next educational journey. Kindergarten will be moving down the hall to first grade. We will miss our sixth graders as they enter high school. We know that both groups of students are on the road to achieving amazing things!

Enjoy the summer! We hope that you take time to relax and spend time doing things that you love. The school is not the same without students in the summer. We can't wait to see everyone in September!

AUTHOR C.J GILLETT VISITS SVCS FOR PARP WEEK!

Author C.J Gillett wrote the book "Cicada Bibada and the Healing Springs". Cicada Bibada is a bug with a very important job. Every day he wakes up bright and early to sing the weather to his neighbors. He tells them what to expect and how to prepare for the day ahead. If the weather is bad, he even stays up all night, making sure to keep his weather reports are up-to-date. He is the hardest working weather bug anyone ever did see! That is until he loses his voice.

Cicada Bibada and the Healing Springs teaches young readers about the importance of finding balance between hard work and self-care. Follow Cicada on a courageous journey to find his voice!

The author is still offering signed copies of his book. If parents are interested in purchasing them for \$12, they can send money in an envelope with their child's name.

PROMETHEAN BOARDS INSTALLED IN CLASSROOMS

Every classroom at Stockbridge Valley will soon be equipped with Promethean boards. These electronic boards are connected to your computer, projects what is shown on your computer screen, and allows you to use specialized pens or highlighters to write on the screen and interact with the images shown. The board itself is easy to use, as seen here with teacher, Mrs. Byron. Students enjoy the interactive activities it can provide. The board comes with several different tools, including specialized software, a remote and pens.

Nicole Byron, 1st grade teacher works with the electronic board. All of the elementary classrooms have been equipped with the Promethean boards. The middle and high school classrooms will soon have them installed.

WANDERER'S REST FUNDRAISER

The SVCS elementary Student Council members collected donations every Friday from classroom teachers for Wanderer's Rest. Toys, food, beds, treats, and blankets were dropped off. The fundraiser was organized with help from First grade Teacher, Mrs. Byron. "Help cats and dogs fill their bowl, to feed their soul," was the idea of students Anna Baker & Aven Hofmeyer!

SUMMER SCHOOL PESTICIDE NOTICE

Dear Summer School Parents/Guardians & Staff,

The Stockbridge Valley Central School uses Integrated Pest Management practices to reduce the use of pesticides in the Stockbridge Valley buildings and on the grounds. It is unlikely that the Stockbridge Valley campus will use pesticides this summer. New York State law requires that schools maintain a list of staff and parents who wish to receive written notice forty-eight (48) hours prior to a pesticide application at their school facility if the building will be occupied within seventy-two (72) hours of an application.

If you wish to be included on this notification list, or would like further information on the Stockbridge Valley's pesticides program, please contact Beth S. Lamb, Business Administrator at 315-495-4445 or write to:

REMINDER TO ALL PARENTS/GUARDIANS REGARDING THE UPCOMING 2022-2023 SCHOOL YEAR

If your child will be taking medicine at school, provider and parent permission forms are needed for both prescription and over the counter medications. New medication permission forms are required each school year.

NEW YORK STATE LAW REQUIRES THAT:

- Parents or guardians must personally deliver all medication to the school health office (unless a self-carry order form is signed by parent and physician). All Controlled Medications must be brought in by an adult.
- All medication must remain in properly labeled pharmacy or original over the counter (OTC) containers.
- A new prescription/medication form signed by the medical provider is required at the beginning of every school year.
- The parent must sign the medication permission form.

We request that you ask your pharmacist to give you a second identically labeled container for any prescription medications your student will take at school. We also request that you bring small containers of any OTC medications that your student will take. This will allow the School Nurse to send these medications on field trips and comply with New York State laws pertaining to medication storage.

Medication forms may be obtained from the School Health Office, or your physician may use their own form if desired.

New York State law also requires a health examination for all students entering the school district for the first time and when entering Pre-K or K, 1st, 3rd, 5th, 7th, 9th, and 11th grade.

Students entering these grades must have a valid physical dated on or after September 7, 2021. Health certificates are required to be submitted within 30 days from the start of the new school year.

In regards to vaccinations, New York State Law requires the following for school entrance in the fall:

KINDERGARTEN:

- 5- doses of Dtap (unless the 4th dose was on or after their 4th birthday), 4- doses of Polio (unless the 3rd dose was on or after their 4th birthday), 3- doses of Hepatitis B, 2- doses of MMR, and 2- doses of Varicella.

SIXTH GRADE:

- 1-dose of Tdap by age 11

SEVENTH GRADE:

- 1-dose of Menectra (meningococcal ACWY)

TWELFTH GRADE:

- 2-doses of Menectra (meningococcal ACWY), unless the 1st one was received on or after their 16th birthday

Appropriate certification of immunizations is required for students to attend school in the fall.

If you have any questions, please call or email me at (315) 495-4500 or mshea@stockbridgevalley.org

CONGRATS TO MYAH LAFAVE, NEW YORK FFA STATE PRESIDENT

When looking back on life, May 14, 2022 may very well stand out as a day to be remembered for an up-and-coming Stockbridge Valley senior, Myah LaFave. A long time member of the Stockbridge Valley FFA Chapter, Myah has been elected to serve for a year as the 2022-2023 New York FFA State President.

The FFA, a national youth organization once known as the Future Farmers of America, offers leadership and career development opportunities for students interested in agriculture, food system, and natural resource careers. One in five American careers is

on the road over her summer vacation. Appropriately, going along with the 2022 State Convention theme “Define Your Story”, Myah will have the opportunity to leave her impact on over 9,300 FFA members statewide throughout her year of service. She will be visiting schools, facilitating workshops and giving speeches to groups interested in agriculture education, all while guiding members, teachers, and government leaders alike in defining their own stories.

“The FFA prepares young people to be successful and career-driven young leaders,” Derek Hill, NY FFA Director said. “State FFA Officers are often the ones training their peers to become

AS STATE PRESIDENT, MYAH WILL RECEIVE OVER 250 HOURS OF TRAINING AND SPEND MORE THAN A MONTH ON THE ROAD OVER HER SUMMER VACATION

founded in agriculture and students studying agricultural education in New York high schools are preparing for careers that are essential (food safety), current (“Green” technology and renewable fuels) and lucrative (veterinary science). As an elected state officer, Myah will have the chance to promote these opportunities throughout the state to students, school administrators, businesses and legislators.

As an FFA member, Myah took advantage of many of these same opportunities. The leadership skills developed throughout membership in the FFA lead to her talent for public speaking, her knowledge of agriculture and the FFA, and her passion for servant leadership. As State President, Myah will receive over 250 hours of training and spend more than a month

those very things... their responsibilities are both significant and challenging.”

Still on an adrenaline high, Myah began her year of service with her five teammates at Base Camp training just about a week and a half after being elected. Time-management, workshop facilitation, key message identification, and character-driven decision making were explored in depth throughout the three-day conference at the Oswegatchie Educational Center in Croghan, NY. The next day it will be back to school with essays to write and homework to submit. It’s a whirlwind experience but one that will be well worth the challenge. After all, any FFA member knows being elected as a State Officer is the opportunity of a lifetime.
