## SUPERINTENDENT'S MESSAGE

It is hard to believe that the 2020-21 school year has come to a close. This year was filled with challenges akin to last year but also included some semblance of normalcy. We were in school, we wore masks, we attended MOBOCES, we had an athletic season with attendees, and we above all did it **together**. Cougar Pride at its BEST!

2021-22 will hopefully find us returning to school where masks are not needed, fans can attend sporting events and school events, and more than two students can sit at a table to enjoy lunch. It's not just a dream, it is something that is slowly evolving to the point where we can enjoy our lives again. Until then, be safe, enjoy life and know that this will soon be just a memory.

The Board of Education is finalizing the hiring of Stockbridge Valley's next superintendent. It is a lengthy process, and one that requires the due diligence of our board, thus it takes time. We were fortunate that the board had a pool of quality candidates who were interested in leading our Cougar Nation. Stay tuned for the announcement of the successful candidate.

Congratulations to our graduating Kindergarten and 6th grade. Your path here at Stockbridge Valley is about to begin anew with much fun ahead. You are on the precipice of greatness!

## Congratulations to the Class of 2021!

To the Class of 2021 I want to thank you for allowing me to get to know you as part of the Stockbridge School family and congratulate you on your graduation. I've never met such a compassionate, intelligent and fun-loving group of seniors before. It is evident to me that all of you are well prepared to begin your new life as a Stockbridge Valley CSD alumni. Home will always be here, we will always welcome you back, and will always be here if you need anything. That's what family does. Congratulations and enjoy the many roads you will travel as the journey is often more exciting than the destination.

Respectfully,  
*Dr. Susan Vickers*  
Interim Superintendent

## SVCS MISSION/VISION

## MESSAGE FROM THE 7-12 PRINCIPAL

Dear Class of 2021,

First of all, congratulations! You have reached a spectacular milestone in your lives. We have come to the end of the school year and the final chapter of your high school career. With this comes a combination of excitement and bittersweet emotions. You graduated during an unprecedented time in history and stepped into a world forever changed.

Despite the added stressors and uncertainties, I watched you thrive. Your class demonstrated poise and leadership time and time again, from being FFA State President to baseball and softball sectionals and everything in between. I know you will make Stockbridge Valley proud!

It is your class's time to make your mark on the world. Some of you are traveling far away while others are remaining close to home. Where ever you are, I know you will make a positive impact. Just remember you will always have Stockbridge Valley to call your home, your Alma Mater.

It was an honor to get to know each of you and work with you this year. Best of luck to you all! Go Cougars!

Mrs. Andrea Smith  
7-12 Principal

Ellen may have been seen by some as an average student, but to one of her teachers, she was a “diamond in the rough.” This teacher always saw her potential and made sure she told her so. This kindness was something that Ellen carried with her when she found her passion in life. She earned her associates degree in Criminal Justice from MVCC, her bachelor’s degree in psychology from Columbia College and was in the Nursing program at SUNY Morrisville studying to be an RN. Her mother describes her as a “jack of all trades” and a “super mom” who loved hunting, camping, boating, yard work, but most of all taking care of her two young children. ### **ROBYN CARINCI MEMORIAL AWARD**

Robyn Carinci left behind her husband, Officer Mike Carinci and her two sons Matthew and Nathan when she passed in 2016. She was a teacher throughout her life and instilled upon her sons the importance of education, being respectful, being polite and always to be humble and kind. It was common phrase in Robyn's household to start and end each day with an "I love you."

Additionally, Robyn was an avid sports fan and ultimate team mom. She helped her husband Mike create an AAU basketball team that included athletes from Oneida and VVS. The two schools had been perennial rivals, so parents were hesitant about playing together at first. It was Robyn's maternal presence and positive attitude that lifted any skepticism and resulted in a team that played together for six years.

When the boys were seniors, they played their final school game at VVS's home court. Nine of the ten starting players were members of the original AAU basketball team. Before the game, when the VVS senior boys were introduced they greeted their parents on the court. They then ran to the opposing side and hugged and kissed Robyn, their original AAU mother. This speaks to her deep impact on all those who knew her.

Early in 2015 Robyn was diagnosed with stage four cancer. She fought her battle with dignity and courage for about 18 months. During that time, Robyn always remained positive and upbeat. She was more concerned about her family and loved ones than she was about any pain. She did everything in her power to make her remaining time with her family a very special time.

After Robyn passed, hundreds of previous players, students and a college baseball team all wore purple wrist bands displaying angel wings and the words "Humble and Kind". Robyn epitomized these words.

We would like to recognize a senior that also embodies all that Robyn held dear with the Robyn Carinci Memorial Award. This senior is active in extracurricular activities, excels in the classroom, shows humility and is kind to others

Her mom, Marie and her sister, Audrey Burleson were also long-time employees of Stockbridge Valley. Upon graduation, Ruthie followed in her family's footsteps of public service and became an LPN at Oneida Hospital working in the Medical Surgical and operating room. Ruthie will be long remembered for the compassionate care she gave her patients, her comical sense of humor that put them at ease during

## SENIOR CLASS TRIP TO GREEN LAKES STATE PARK

## MESSAGE FROM THE GUIDANCE COUNSELOR

Thank You Class of 2021!

The 2020-2021 Seniors have had a senior year like no other before them. Mrs. Gleason and Mrs. Belanger would like to take this opportunity to thank the seniors for being flexible and working hard this year. We had a blast being your class advisors!

On May 22 we celebrated our seniors by hosting a food truck for a game night. The students won numerous prizes including a mini fridge and ear buds.

Our final senior adventure was to Green Lakes State Park on June 18. The seniors swam, played lots of cornhole, ate delicious burgers and hot dogs cooked by Mr. DeBraccio and enjoyed spending time with each other for the day.

Best of luck in your future endeavors!

## MESSAGE FROM THE K-6 PRINCIPAL

### Greetings from the Elementary Office!

The 2020-2021 school year will be definitely one to remember! We have worked together to provide a great year of learning despite the many challenges that this year has brought. Our children learned how to be patient, flexible, and resilient. They grew academically, socially, and emotionally this year. We are so proud of all that they have achieved!

We want to congratulate our kindergarten and sixth grade students as they embark on their next educational journey. Kindergarten will be moving down the hall to first grade. We will miss our sixth graders as they enter high school. We know that both groups of students are on the road to achieving amazing things!

Enjoy the summer! We hope that you take time to relax and spend time doing things that you love. We can't wait to see everyone in September!

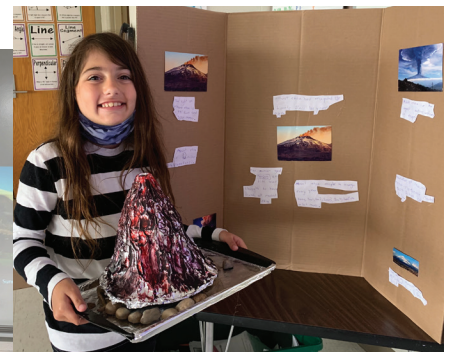

Mrs. Julie Suber

Mrs. Tubb's class celebrated the end of the year with a picnic and lemonade making project!

## 5<sup>TH</sup> GRADERS EXPERIENCE VIRTUAL FIELD TRIP SERIES IN THE CLASSROOM

Fifth graders had the opportunity to participate in a program through Cornell Cooperative Extension of Madison County's 4-H Youth Development Program and the NYS Agriculture in the Classroom Dairy Initiative Grant. 5th graders experienced four virtual field trips to North Harbor Dairy where they learned about calves, feeding and health of all cows, milking, transportation of milk and making ice cream. On June 15 educators Courtney and Tess from Cornell Cooperative Extension joined Mrs. Wright's class for a lesson on interdependence in the dairy industry. Students were able to make their own ice cream!

### From Cow to Cone:

#### Growing Crops

(growing food for our cows)

#### Harvesting Crops

(stored in tall silos for our cows)

#### The Cows

(cows are the star of the show)

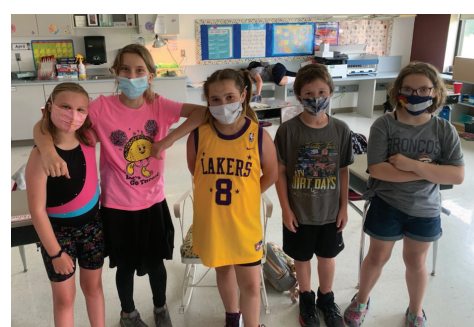

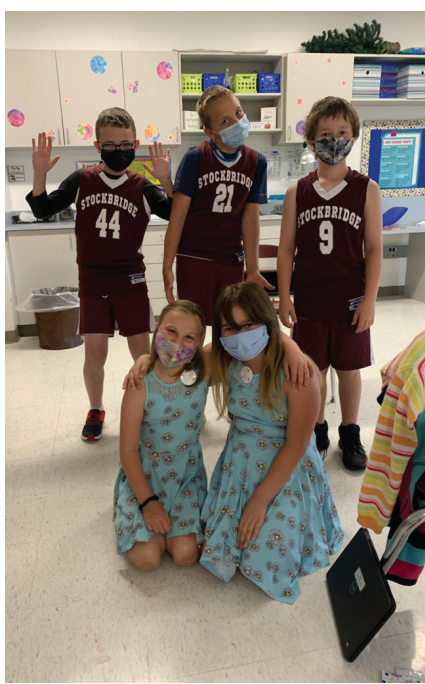

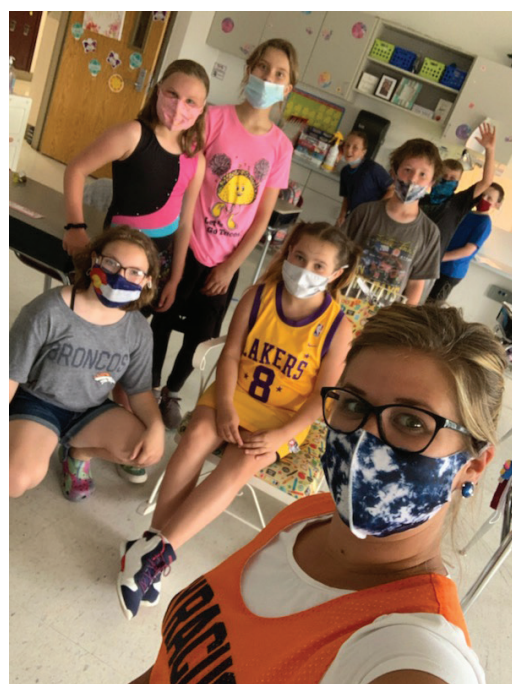

#### Milking Time

(cows get milked twice a day)

#### Processing the Milk

(Ice cream with the most delicious natural ingredients)

#### Hand-Crafted Ice Cream

Ms. Stedman's 5<sup>th</sup> grade class voted on different days to dress up this last full week of school! We had a sports day, twin day, crazy hat/hair day, tropical day, and cougar day. We remembered pictures on some days and others we forgot because we were still busy learning and growing!

## Summer School Pesticide Notice

Dear Summer School Parents/Guardians & Staff,

The Stockbridge Valley Central School uses Integrated Pest Management practices to reduce the use of pesticides in the Stockbridge Valley buildings and on the grounds. It is unlikely that the Stockbridge Valley campus will use pesticides this summer. New York State law requires that schools maintain a list of staff and parents who wish to receive written notice forty-eight (48) hours prior to a pesticide application at their school facility if the building will be occupied within seventy-two (72) hours of an application.

If you wish to be included on this notification list, or would like further information on the Stockbridge Valley's pesticides program, please contact Beth S. Lamb, Business Administrator at 315-495-4445 or write to:

Stockbridge Valley C. S.

## REMINDER TO ALL PARENTS/GUARDIANS REGARDING THE UPCOMING 2021-2022 SCHOOL YEAR

If your child will be taking medicine at school, provider and parent permission forms are needed for both prescription and over the counter medications. **New medication permission forms are required each school year.**

### **NEW YORK STATE LAW REQUIRES THAT:**

- **Parents or guardians must personally deliver all medication to the to the school health office** (unless a self-carry order form is signed by parent and physician). All Controlled Medications must be brought in by an adult.
- All medication must remain in properly labeled pharmacy or original over the counter (OTC) containers.
- A new prescription/medication form signed by the medical provider is required at the beginning of every school year.
- The parent must sign the medication permission form.

We request that you ask your pharmacist to give you a **second identically labeled container** for any prescription medications your student will take at school. We also request that you bring **small containers of any OTC** medications that your student will take. This will allow the School Nurse to send these medications on field trips and comply with New York State laws pertaining to medication storage.

Medication forms may be obtained from the School Health Office, or your physician may use their own form if desired.

**New York State law also requires a health examination for all students entering the school district for the first time and when entering Pre-K or K, 1st, 3rd, 5th, 7th, 9th , and 11th grade.**

Students entering these grades must have a valid physical dated on or after September 6, 2020. Health certificates are required to be submitted within 30 days from the start of the new school year.

In regards to vaccinations, New York State Law requires the following for school entrance in the fall:

### **KINDERGARTEN:**

- 5- doses of Dtap (unless the 4th dose was on or after their 4th birthday), 4- doses of Polio (unless the 3rd dose was on or after their 4th birthday), 3- doses of Hepatitis B, 2- doses of MMR, and 2- doses of Varicella.

### **SIXTH GRADE:**

- 1-dose of Tdap by age 11

### **SEVENTH GRADE:**

- 1-dose of Menectra (meningococcal ACWY)

### **TWELFTH GRADE:**

- 2-doses of Menectra (meningococcal ACWY), unless the 1st one was received on or after their 16th birthday

Appropriate certification of immunizations is required for students to attend school in the fall.

If you have any questions, please call or email me at (315) 495-4500 or [mshea@stockbridgevalley.org](mailto:mshea@stockbridgevalley.org).

## FFA HAPPENINGS

This year has been CRAZY - with COVID shutting us down in 2020 and all our events being virtual, we thought FFA would never be the same again. Luckily, we got the chance to hold our Annual FFA Banquet COVID style. With the work of our awesome vice presidents and president we held our banquet on June 11 in the auditorium. Each member got to have 2-4 guests join them as we celebrated all of our accomplishments throughout this past year. We got to enjoy the bitter sweetness of our chapter seniors' last FFA banquet. To say I'm unbelievably proud of them would be an understatement. Myah LaFave describes her experiences at our modified banquet as, "A really good opportunity to be able to get back together after not being able to for so long."

A huge congratulations is in order for our new chapter officers this year! Ethan Smith- President, Tristan Ellerbruch-Strengthening Ag Vice President, Amanda Brown-Building Communities Vice President, Madison Nolley-Growing Leaders Vice President, Edward DeMenezes-Treasurer, Abby Smith-Secretary, Rowan Cady-Social Media Reporter, Austin Zaleski-Print Reporter, Alexis Mazzye-Sentinel, Myah LaFave-Student Advisor! Congrats to you all, I cannot wait to see what you hold in store for the next year! Stay tuned for dates on our officers retreat!

As we end the school year, Camp Oswegatchie becomes closer and closer. Those of you who signed up, get ready for some fun! Also, to all FFA members be sure to keep an eye out for news on the virtual CDE's, chapter summer picnic and other FFA opportunities this summer! It is a good opportunity to get involved with the chapter and for you new members out there, the picnic is a very good way to bond with our older members and really see what the FFA is really about.

Now, the news most of you have been wanting to hear; I'm excited to announce that our new District 5 President is Myah LaFave! She will be reaching out and interacting with students and new members in our

district as well as throughout the state. We are all so proud of you Myah, and can't wait to see all the great activities you have planned for the next year!
