Culture of Hope

SUPERINTENDENT'S MESSAGE

Thank you to the community for showing your continued support of our students by passing the school budget. We will continue to do our very best to serve this community.

Thank you to the PTSO, SVCS Foundation and community for the support and encouragement that the students and district received from all of you during this very unique school year. We are working toward re-opening the school in the fall. There has been no decision made by the governor, however, we are developing a plan to keep our students and staff safe and healthy. We will be seeking your input throughout the summer via surveys. Please check the website for updates.

Congratulations to the Class of 2020!

We are proud of our 27 newest alumni! We are all very proud of the Stockbridge Valley School District Class of 2020! Although this year has been a senior year like no other that any of us have experienced, our seniors stood strong and courageously got through. As human beings, we are not judged by the situations that we encounter. We are judged by the way that we carry ourselves through those challenging times. Our senior class is a strong class. We all wish them well and hope that each of them uses their strength to enter the next chapter of their lives knowing that they possess the characteristics to be successful in any situation.

Sincerely,

MESSAGE FROM THE 7-12 PRINCIPAL

Hello SVCS Families!

Summer is upon us and I hope you are all getting some time to relax and enjoy. The pandemic challenged us all, but I was inspired by the show of dedication to our students by teachers, staff, and families. Thank you all!

Despite the unexpected closing and chaos, our students persevered. On June 19, 2020, twenty-five of our students graduated from Stockbridge Valley CSD. Our seniors received many awards and honors including distinctions in all subject areas. I would like to express my sincere congratulations to the Class of 2020 and wish them the best of luck with their future endeavors. Thank you to everyone who helped to make the ceremony a success and to those who were able to attend to cheer our students on. It was my honor to share that moment with you.

As we look to next year there are still many questions and uncertainties. As we receive information from the state pertaining to the fall, we will let you know as soon as possible. We are working in the building this summer and here for you if you have any questions or concerns. I hope you have a fantastic summer.

Thank you,

Andrea Stabak
7-12 Principal

THE SENIOR CLASS OF 2020 IS GENEROUS!

The Senior Class has raised enough money this year to donate over \$2,000 to the SVCS School Food Pantry. What a great way to show off their Cougar trait of generosity and giving back to the school/community!

A shout out to Micki Dailey (SVCS Counselor, Cassandra Gleason's mother in law) for making ribbons for every senior and the Stockbridge Valley Education Foundation for providing the funds to make this possible! Thank you so much!

Congratulations to the Class of 2020!

During her high school career, many might remember her as a little bit of a rebel and a young girl who would push the envelope when she could. Ellen may have been seen by some as an average student, but to one of her teachers, she was a “diamond in the rough.” This teacher always saw her potential and made sure she told her so. This kindness was something that Ellen carried with her when she found her passion in life. She earned her associates degree in Criminal Justice from MVCC, her bachelor’s degree in psychology from Columbia College and was in the Nursing program at SUNY Morrisville studying to be an RN. Her mother describes her as a “jack of all trades” and a “super mom” who loved hunting, camping, boating, yard work, but most of all taking care of her two young children. Ellen’s hard work and determination to achieve her personal and professional goals was something to be admired.

HANDS ON LEARNING FOR SENIOR

Zach Jones, who graduated in June, did an internship at SVCS. In February, he completed his resume, practiced interview skills and interviewed with three faculty and staff members. After meeting with High School Principal, Andrea Stabak and MORIC Network Technician, Duane Sterle to find out what his IT internship would involve, he started to work in the computer lab, returning repaired computers to students.

Mrs. Stabek gave him a laptop to tear down, and he jumped right in, with no instruction! He pulled up a YouTube video and found out how to take the Chromebook apart. In only a few hours

he had it completely apart and could identify all of the components.

Then school closed for COVID and Zach had two months without the laptop to work on. He found another video to guide him to put it back together and used the tool kit provided from the computer lab. Zach was able to put the laptop back together, in working condition, in only several hours! --Teacher, Elise Spinelli

From a YouTube video, Zach Jones, SVCS Class of 2020 graduate, takes apart a Chromebook, identify components and put it back together in working condition.

MESSAGE FROM THE GUIDANCE COUNSELOR

Dear Families of the Stockbridge Valley,

These past few months have certainly been stressful to say the least. Although it is still uncertain of what the future may bring, I would like to remind everyone that you are not in this alone. There are services available through Madison County that could help with reaching resources available for things such as mental health support, domestic violence, abuse, addiction, etc. **There is a 24 hour crisis hotline available that may be reached at (315) 366-2327 (prompt 1).**

If you would like any assistance reaching any of these or other services, please call or email me and I would be happy to help! 315-495-1908 or cgleason@stockbridgevalley.org

To the Class of 2020 -

It has been truly great being able to work with you all this year, not only as the School Counselor but your Senior Class Advisor as well. This year has definitely thrown you guys some curveballs but I'm confident that if you can get through a pandemic, you can get through anything! You all are off to do great things and I cannot wait to hear about all the wonderful things you will all accomplish. Congratulations and best of luck!

To the Class of 2021 -

Welcome to your Senior Year! This is a very exciting and busy year for you all! We will be meeting in the beginning of the school year to discuss applying to colleges, financial aid, scholarships, and other post-graduation plans. **The following are some things that you can start doing this summer to so that you may stay ahead of yourself:**

- **Start visiting colleges this summer.** It will give you a good idea of what to expect when you get there and if that college would be a good fit for you. Most colleges are doing these tours virtually so be sure to check their websites for information.
- **If you have not taken your SAT's yet, please sign up to take them in September/October.** The sooner, the better if you are planning on going to college. Please see me if you need help to register.
- **Work on your brag sheets!** We use these sheets to write your letters of recommendations that you will need for your college applications and scholarships.
- **Start thinking about where you would like to go for your Senior trip.** Keep in mind – trips that involve overnight and/or special transportation arrangements are very expensive and will require fundraising efforts from everyone in the class! If a trip will not be possible this year, think of some other things that you may like to do.

And as always, if you need anything throughout the summer, give me a call or email. I'm in periodically and will help you out as soon as I get in!

Mrs. Cassandra Gleason, School Counselor

We hope everyone is enjoying his or her summer and able to get out to enjoy the wonderful weather! Our school year certainly didn't end as we had anticipated. Thank you for all of your support throughout our school building closure. Working together as a Stockbridge community, we ensured that our children got through this difficult time and continued to grow despite multiple obstacles. A huge shout out to our teachers and staff who went above and beyond to help provide your children with a quality education and support. They also helped everyone have closure to the year in awesome ways including virtual spirit and field days, the positivity challenge, and virtual sixth grade and kindergarten graduations. Working together to support our children and families is what truly makes Stockbridge a great place to be!

Now we are getting ready for the new school year!

We are busy making plans for what next school year will hold. As soon as we get specific guidelines from the state, we will be finalizing these plans and letting you know what you can expect. Things are changing every day! Next year's homeroom teacher was listed on the report cards mailed in June. You should have a label indicating your children's teachers for next year. School supply lists are not available yet as we are waiting to see what students will need for the upcoming year. This way you won't have to purchase unnecessary items.

Office staff is still in the building this summer and are here to assist you. We are still accepting kindergarten registration packets and items to complete registration packets. You can request a kindergarten packet by calling the elementary office if you still need one. You may mail information to the school or call us to arrange another way to get the information needed to us. If you are new to the Stockbridge community and need to register your children, please call us to assist you in getting this ready for September. We look forward to welcoming them!

We look forward to seeing you all in September for an awesome school year full of fun and learning!

Sincerely,

STUDENTS USE QUARANTINE TO CREATE

Students in Mrs. Waldron's woodworking classes get creative during quarantine. Summer Boronow constructed a replica of the Eiffel Tower; Leo Jayson made cages to support the tomatoes in his garden; Austin Nolley created a beautiful new bedframe (assisted by his sister, Madison.) Nice job, students!
