I would like to extend the Board of Education's congratulations to the class of 2019 as well. I am happy and proud to report that 23 of this year's graduates are going to a two-year or four-year college, 6 are entering the workforce, and 1 will join the military. We cannot wait to see what these young adults accomplish next!

I hope all of you have a wonderful summer. Something that I read recently put life with our children into perspective for me. We only have 18 summers with our children before they are off on their own, make the most of every moment.

Sincerely,

Vision: We embrace a culture of respect and support that allows every student to recognize their worth, realize their purpose, cultivate their passions and achieve their ultimate potential.

MESSAGE FROM THE 7-12 PRINCIPAL

It was truly an outstanding spring at SVCS. In May, we recognized our Honor Roll students with breakfast. This was followed by a wonderful Junior Prom and Senior Class Trip to Philadelphia in early June. Later in June, we honored our athletes at our Awards Night. Congratulations to Wyatt Becker and Haylee Eaton (photo below) who were named Athletes of the Year. The Senior Awards Night was a great success as the Class of 2019 walked away with over \$10,000 in awards and scholarships. A huge thank you to the community for all their donations and support in making this night such a success.

In addition, our athletes enjoyed a very successful spring sports season. The softball team continued their reign over the CCL and the golf team captured its second consecutive league title. The Varsity Baseball team also enjoyed a birth in sectionals.

Other clubs and activities had great successes. The FFA enjoyed a wonderful showing at the NYS FFA Convention. The Math and Science Club took their annual trip, this time to the Adirondacks. The Clay Target Club and the SVCS News Team also enjoyed great success in their first year.

The 2018-2019 school year is in the books. It was an exceptional year to be a Stockbridge Valley Cougar. I am so honored and proud of all of our students for their hard work this year. I am especially proud of the Class of 2019. To our graduating seniors: Good Luck in all that you do!!!

Lastly, please follow me on Twitter(@SVCS_Kilian) for important updates and reminders about what's happening at Stockbridge Valley.

Please call our office with any questions you have, 315-495-4450.

Ellen may have been seen by some as an average student, but to one of her teachers, she was a "diamond in the rough." This teacher always saw her potential and made sure she told her so. This kindness was something that Ellen carried with her when she found her passion in life. She earned her associates degree in Criminal Justice from MVCC, her bachelor's degree in psychology from Columbia College and was in the Nursing program at SUNY Morrisville studying to be an RN. Her mother describes her as a "jack of all trades" and a "super mom" who loved hunting, camping, boating, yard work, but most of all taking care of her two young children. Ellen's hard work and determination to achieve her personal and professional goals was something to be admired.

MESSAGE FROM THE GUIDANCE COUNSELOR

TO THE CLASS OF 2019

It has been truly great being able to work with you all this year, not only as the School Counselor but your Senior Class Advisor as well. You all are off to do great things and I cannot wait to hear about all the wonderful things you will all accomplish. Congratulations and best of luck!

TO THE CLASS OF 2020

Welcome to your Senior Year! This is a very exciting and busy year for you all! We will be meeting in the beginning of the school year to discuss applying to colleges, financial aid, scholarships, and other post-graduation plans. The following are some things that you can start doing this summer to so that you may stay ahead of yourself:

- ★ Start visiting colleges this summer. It will give you a good idea of what to expect when you get there and if that college would be a good fit for you.

- ★ If you have not taken your SAT's yet, please sign up to take them in October. The sooner, the better if you are planning on going to college. Please see me if you need help to register.
- ★ Work on your brag sheets! We use these sheets to write your letters of recommendations that you will need for your college applications and scholarships.
- ★ Start thinking about where you would like to go for your Senior trip. Keep in mind – trips that involve overnight and/or special transportation arrangements are very expensive and will require fundraising efforts from everyone in the class!

And as always, if you need anything throughout the summer, give me a call or email. I'm in periodically and will help you out as soon as I get in!

A MESSAGE FROM THE K-6 PRINCIPAL

GREETINGS FROM THE ELEMENTARY OFFICE!

We hope everyone is enjoying his or her summer and able to get out and enjoy the wonderful weather we are having! Our elementary students ended the year on a high note with many amazing activities. Our Kindergarten graduated to first grade with a wonderful Dr. Seuss themed ceremony and sixth graders received numerous awards along with diplomas to graduate to the high school.

Thank you to the SVEF for sponsoring the sixth grade awards

We also had an incredible Spring Social full of games, prizes, baskets, and a silent auction along with our Elementary Picnic and Field Days full of water play and fun!

Now we are getting ready for the new school year! The school is very quiet without all of our students here to liven things up. Luckily we have our students here for our Summer Learning Academy in July who are working on academic skills while having fun with a camping theme. We had Mr. and Mrs. Jacobs come and take us on a “hiking and camping adventure” on our playground, and we look forward to visiting Oxbow Falls Park along with our ending program picnic.

We look forward to seeing you all in September for another awesome school year full of fun and learning!

Sincerely,

Julie Suber • K-6 Principal

NOTEWORTHY NEWS

The Music Department has been in full swing this spring! Elementary and High School concerts were in May and showed the great progress our music students have made over the year. Highlights were seeing the 5th

graders shine in starring roles in *Walt's World*, a mini musical about Walt Disney as a grandpa! The 4th graders rocked it at their first band concert as well! Many thanks to all the custodians and staff who helped make the concerts run so smoothly!

The Marching Cougar Regiment represented SVCS with five parades this year. The pinnacle of their season was winning First Place in the Darien Lake Parade. Way to go Marching Band!!

People of all ages came out on Sunday, June 2 to race in the Drama Club's 5K Fun Run. Aspen Tucci, Dakota Crowley and Becca

Ax took first place in each of their categories. Thank you to all who came out to support the Drama Club. Participants of the race also really "Seized the Day"... when they found out about the fall musical. We are so excited to start working on the musical, *Newsies*, in September!

Be on the look-out for audition sign-ups for the fall musical. Auditions will be the first Saturday after school starts in September! We hope to see you there!

MENNIG ATTENDS ANTI TOBACCO RALLY IN RICHMOND, VA

In May, SVCS high school student, Rachel Mennig traveled to Richmond, VA along with 100 teen leaders from Reality Check of CNY. They spoke out at tobacco's largest shareholder meeting. Reality Check is a teen-led, adult-run program that seeks to prevent and decrease tobacco use among young people throughout New York State.

Rachel will be starting her sophomore year in September.

REMINDER TO ALL PARENTS/GUARDIANS REGARDING THE UPCOMING 2019-2020 SCHOOL YEAR

If your child will be taking medicine at school, provider and parent permission forms are needed for both prescription and over the counter medications. New medication permission forms are required each school year.

NEW YORK STATE LAW REQUIRES THAT:

Parents or guardians must personally deliver all medication to the school health office (unless a self-carry order form is signed by parent and physician). All Controlled Medications must be brought in by an adult.

All medication must remain in properly labeled pharmacy or original over the counter (OTC) containers.

A new prescription/medication form signed by the medical provider is required at the beginning of every school year.

The parent must sign the medication permission form.

We request that you ask your pharmacist to give you a second identically labeled container for any prescription medications your student will take at school. We also request that you bring small containers of any OTC medications that your student will take. This will allow the School Nurse to send these medications on field trips and comply with New York State laws pertaining to medication storage.

Medication forms may be obtained from the School Health Office. Your physician may use their own form if desired.

New York State law also requires a health examination for all students entering the school district for the first time and when entering Pre-K or K, 1st, 3rd, 5th, 7th, 9th, and 11th grade.

Students entering these grades must have a valid physical dated on or after **September 6, 2018**. Health certificates are required to be submitted within 30 days from the start of the new school year.

IN REGARDS TO VACCINATIONS, NEW YORK STATE LAW REQUIRES THE FOLLOWING:

KINDERGARTEN	6 TH GRADE	7 TH GRADE	12 TH GRADE
5 - doses of Dtap (unless the 4 th dose was on or after their 4 th birthday) 4 - doses of Polio (unless the 3 rd dose was on or after their 4 th birthday) 3 - doses of Hepatitis B 2 - doses of MMR, and 2 - doses of Varicella.	1 - dose of Tdap by age 11	1 - dose of Menectra (meningococcal ACWY)	2 - doses of Menectra meningococcal ACWY (unless the 1 st one was received on or after their 16 th birthday)

Appropriate certification of immunizations is required for students to attend school in the fall.

If you have any questions, please call or email me at (315) 495-4500 or mshea@stockbridgevalley.org. Thank you in advance for your attention in this matter.

Sincerely,

Mattie Shea, RN • School Nurse

**Statement on Legislation Removing Non-Medical Exemption
from School Vaccination Requirements**

On June 13, 2019, Governor Andrew M. Cuomo signed legislation removing non-medical exemptions from school vaccination requirements for children. The United States is currently experiencing the worst outbreak of measles in more than 25 years, with outbreaks in pockets of New York primarily driving the crisis. As a result of non-medical vaccination exemptions, many communities across New York have unacceptably low rates of vaccination, and those unvaccinated children can often attend school where they may spread the disease to other unvaccinated students, some of whom cannot receive vaccines due to medical conditions. This new law will help protect the public amid this ongoing outbreak.

What did the new law do?

As of June 13, 2019, there is no longer a religious exemption to the requirement that children be vaccinated against measles and other diseases to attend either:

- public, private or parochial school (for students in pre-kindergarten through 12th grade), or
- child day care settings.

For those children who had a religious exemption to vaccination, what are the deadlines for being vaccinated?

Children who are attending child day care or public, private or parochial school, and who had a religious exemption to required immunizations, must now receive the first age appropriate dose in each immunization series by June 28, 2019 to attend or remain in school or child day care. Also, by July 14, 2019 parents and guardians of such children must show that they have made appointments for all required follow-up doses. The deadlines for follow-up doses depend on the vaccine. The New York State Department of Health follows the Centers for Disease Control and Prevention's Advisory Committee on Immunization Practices catch-up immunization schedule and expects children to receive required doses consistent with Table 2 at the following link in order to continue to attend school or child day care: <https://www.cdc.gov/vaccines/schedules/downloads/child/0-18yrs-child-combined-schedule.pdf>

What is the deadline for first dose vaccinations if my child is not attending school until September?

Parents and guardians of all children who do not have their required immunizations are encouraged to have them receive the first dose as soon as possible. The deadline for obtaining first dose vaccinations for children attending school in the fall is 14 days from the first day of school. Within 30 days of the first day of school, parents and guardians of such children must show that they have made appointments for all required follow-up doses.

Additional information will be forthcoming.
