SUPERINTENDENT'S MESSAGE

CONGRATULATIONS TO THE CLASS OF 2018!

We are proud of our 27 newest alumni! The Class of 2018 was exceptional and has accomplished much during their time here. Nineteen of this year's graduates are going to a two-year or four-year college, five are directly entering the workforce, two are attending vocational or trade programs and one will join the military. The entire SVCS community will be watching their successes during the next phase of their lives.

We've wrapped up another successful school year, and I know we're all looking forward to enjoying the summer. I want to thank you again for approving our school budget during this year's vote. The Board of Education adopted what it believes is a responsible plan that offers as many educational opportunities as possible. We're pleased that you supported this plan, and we'll do our best to meet your expectations.

It has been a busy spring, with many student achievements in the classroom, in extracurricular activities and on the athletic fields. We had wonderful graduation and year-end ceremonies for our pre-k, kindergarten and sixth graders. We wish them well as they prepare to move up to their next grade levels.

Looking forward to next year, we will engage our entire ninth grade class in a year-long leadership development program. The Madison County Youth Bureau's youth leadership piloted a leadership program with our full ninth grade class this year and we were so pleased with the results that we plan to continue this important work. I am excited to share this program so that all of our ninth grade students can benefit from a leadership program in the upcoming school year.

Next year, we will also continue our push to improve student attendance. Our principals and I talked with you several times this year about the importance of students being on time and in school every day and to do their best when they are here. I understand that children get sick and other situations arise that may require students to occasionally be absent, but these things should not be the norm for most of our families. Please think about this issue when you begin preparing for the new school year.

For now, enjoy the next few months and use the summer to rest and recharge. We will see you back here in September.

Sincerely,

Cindy Stocker

News from the High School Office

Welcome Summer! The 2017-2018 school year has ended and it was a great year at SVCS. We have so many fantastic things to report from the last few months.

During the spring sports season we had two of our Varsity teams win league championships. The Softball team won their 13th consecutive league title and the Golf team captured its first league title in nearly twenty years. Both teams showed heart and poise as they marched to victory and made us all proud to be Cougars.

The months of May and June are hectic and crazy, but we had plenty to celebrate. In May, Hannah Reaves earned the Student Achievement Award through the Oneida-Madison-Herkimer School Boards Institute. We are so very proud of her. Our honor roll students were celebrated at our annual Honor Roll Breakfast. In early June, our varsity athletes were recognized for an outstanding year. Beau Burke and Alaina Beane were named the Outstanding Senior Athletes. The Class of 2018 was honored at the Senior Class Awards Night. Our seniors took home nearly \$20,000 in awards and scholarships. Thank you so much to the community for supporting the Class of 2018

in this way. Our seniors were also celebrated at the annual Baccalaureate Service on June 17. In addition to these great accomplishments,

we celebrated the Class of 2019 Prom and our middle school students danced the night away at our Spring Fling.

It was with great pleasure that we were able to honor the Class of 2018 at the 90th Commencement of Stockbridge Valley Central School on Friday, June 22. Valedictorian **Elizabeth Collins** and Salutatorian **Ashleigh Staudt** gave heartfelt speeches on behalf of their classmates. Dr. Mark Montgomery of Mohawk Valley Community College gave an inspiring address and called the graduates to action. Our 27 graduates of the Class of 2018 will now embark on a new and exciting adventure. Some are off to college, others to the military, and some will begin their careers. We are extremely proud of them and wish all the best to the graduating Class of 2018.

The summer months are a great time to relax and recharge for our students. However, the High School Office will be working hard in preparations for the 2018-2019 school year. In August, be on the lookout for schedules and information regarding 7th and 9th grade orientations. Enjoy your summer and see everyone in September!!

Please call our office with any questions you have, 315-495-4450.

The Senior Class of 2018 is GENEROUS!

The Senior Class has raised enough money this year to donate \$982 to both the 1st Congregational Church's Food Pantry and the SVCS School Food Pantry. What a great way to show off their Cougar trait of generosity and giving back to the community!

To the Class of 2019

Welcome to your Senior Year! This is a very exciting and busy year for you all! We will be meeting in the beginning of the school year to discuss applying to colleges, financial aid, scholarships, and other post-graduation plans. The following are some things that you can start doing this summer to be sure that you are prepared:

- Start visiting colleges this summer. It will give you a good idea of what to expect when you get there and if that college would be a good fit for you.
- If you have not taken your SAT's yet, please sign up to take them in October. The sooner, the better if you are planning on going to college. Please see me if you need help to register.
- Work on your brag sheets! We use these sheets to write your letters of recommendations that you will need for your college applications and scholarships.
- Start thinking about where you would like to go for your Senior

trip. Keep in mind – trips that involve overnight and/or special transportation arrangements are very expensive and will require fundraising efforts from everyone in the class!

And as always, if you need anything throughout the summer, give me a call or email. I'm in periodically and will help you out as soon as I can!

Career Exploration in the Middle School

Over the past couple months, students in grades 7 and 8 had the opportunity to explore various careers in the Agricul-

ture and Skilled Building Trades industries. Students were able to participate in a variety of hands on activities showcasing the many careers available in each area.

What's New in the Library?

This has been such an exciting and busy school year, especially these past couple of months! I am so thankful for the flexible schedule this year, because it gave me the opportunity to work more with many students and teachers on awesome projects. For example, in first grade, stu-

dents researched an animal or dinosaur, then created a Glogster with all of their facts and pictures! In second grade, the students learned about the

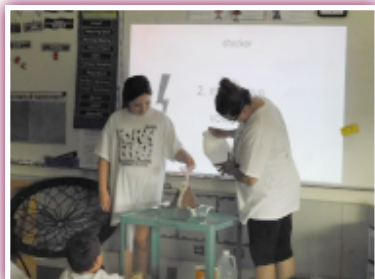

WISER research method and then I spent weeks with both classrooms assisting the teachers and students in their research

and writing; students ended up creating a terrific flip guide! What was even more exciting was when first and second grade gathered together and shared their research! Recently, in fourth grade I assisted with their end of the year Volcano research

project and PowerPoint Presentations; great job using the Notes feature to prepare fourth graders!

Thank you to Mr. Eanniello and Mr. Josephs for working with me on another Project Based Learning (PBL) collaboration with the sixth grade. This past project, students studied weather patterns and predicted what effect the weather this summer will have on crops within a certain region. This was our fourth project with the sixth grade science team and, while we are still learning and improving every time, it has certainly been an exciting journey for both the students and teachers. I am looking forward to being part of a mentor team for some of these sixth graders next year when they "move to the other side". I also hope to be able to collaborate with even more classrooms next year!

In other news, we finally had good weather to attend the Utica-Rome Speedway Races as the finale in our "Race to Read! Reading Challenge!" Special thanks again to the Shea

Honor student Adriene Byron has been chosen to receive the **Kevin McCabe Young Photographer Scholarship** to attend a Young Artist Series Workshop at Maine Media College in Rockport, Maine. Adriene was chosen for this scholarship based on her work, interest in photography, and recommendations from faculty and staff at Stockbridge Valley.

As part of the Young Artist Series offered at Maine Media, Adriene has chosen to attend the "Young Photographers in the Darkroom" workshop this summer. The Young Photographers in the Darkroom Workshop helps talented high school students learn the craft of photography as they develop their skills and improve their ability to see and make images. This comprehensive one-week photography course uses traditional film cameras, B&W film, and the darkroom to explore photographic vision. There is extensive darkroom training in film development and print-making, lots of fieldwork, along with an introduction to the history of the medium to help each student form a personal photographic vision. The course includes work in the aesthetic aspects of composition, point-of-view, the moment and subject matter. Students learn how to make fine silver prints in the darkroom, tone, and spot their photographs. They also learn how to edit, sequence images and build a portfolio that can be used in college applications. There are daily critiques,

supervised lab exercises and field trips along the Maine coast. Students will also be hiking, kayaking, and swimming. Students photograph each other, the Maine landscapes, the sea and seashore, and leave with new technical skills, an awareness of the creative potential as a photographer, and a new portfolio of work.

Adriene is excited to learn from the professionals at Maine Media and explore new areas of photography. We look forward to seeing the additions to her portfolio.

Noteworthy News

The Music Department has been in full swing this spring! Elementary and High School concerts were in May and showed the great progress our music students have made over the year. Highlights were seeing the 5th graders shine in starring roles in *Aladdin*. The first-fifth graders did a fantastic job retelling the story of how money does not matter. Love can conquer all! Many thanks to all the custodians and staff who helped make the concerts run so smoothly!

The Marching Cougar Regiment represented SVCS with four parades this year. Their rendition of "*Shut Up and Dance*" by Walk the Moon had the crowd on its feet and clapping along! We cannot wait to see what next year brings with new members! A huge shout-out to Mrs. Basford-Koe and Mrs. Fiesinger for their hard work and dedication to the marching band.

People of all ages came out on Sunday, June 3 to race in the Drama Club's 5K Fun Run. The "**Dress as Your Favorite Disney Character**" theme was a huge success with teachers showing off their style in Minnie Mouse tutus! After the winners of the race, Alex Guinto and sister Barbara Guinto, were announced, the Music Department headed to Dave and Busters for an evening of games and food to celebrate all the hard work the students put in this year. A great time was had by all! A huge thank you to Michelle Hillenbrand and Barb Collins for chaperoning that trip!

Mrs. Belanger and Mrs. Matteson spent many months preparing students of all ages for the various graduation ceremonies. The kindergarteners showed how kindness can change the world, one "please and thank you" at a time. The 6th grade students showed their school spirit by singing the High School Alma Mater at their ceremony in preparation for moving to the other side of the school in the fall. Lastly, High School Graduation was a moving ceremony with the Select Choir singing "*The Climb*" by Miley Cyrus. Great job to all the music students who helped make these ceremonies special!

Be on the lookout for audition sign-ups for the fall musical. Auditions will be the first week of school in September! The Drama Department will present the show the first weekend in November. We hope to see you there!

The votes are in and SVCS has an official Cougar logo!

Throughout the year, the SVCS community submitted design options for a cougar image that would help standardize and unify Stockbridge Valley sports, extracurricular activities and academics. Students, staff and community members voted this spring on four finalists selected by a committee of administrators and faculty.

Thank you to 2003 SVCS graduate, Chad Hill for submitting his design, and thank you to all of our community members who participated in the logo contest.

Now that the community has selected a single image it wants to see on all things SVCS, the district will work on a rollout and implementation plan. We'll update you in the fall on next steps.

Reminder to all parents/guardians regarding the upcoming 2018-2019 school year.

There are two important changes in Education Law effective 7/1/2018:

As of July 1, 2018 New York State law requires a health examination for all students entering the school district for the first time and when entering Pre-K or K, 1st, 3rd, 5th, 7th, 9th, and 11th grade. In addition, these examinations must be completed on the approved NYSED Student Health Examination Form for School for the health exam.

Students entering these grades must have a valid physical dated on or after September 7, 2017. Health certificates are required to be submitted within 30 days from the start of the new school year.

In regards to vaccinations, New York State Law requires the following:

Kindergarten:

5 - doses of Dtap (unless the 4th dose was on or after their 4th birthday), 4 - doses of Polio (unless the 3rd dose was on or after their 4th birthday), 3- doses of Hepatitis B, 2 - doses of MMR, and 2 - doses of Varicella.

Sixth Grade:

1 - dose of Tdap by age 11

Seventh Grade:

1 - dose of Menectra (meningococcal ACWY)

Twelfth Grade:

2 - doses of Menectra (meningococcal ACWY), unless the 1st one was received on or after their 16th birthday

Appropriate certification of immunizations is required for students to attend school in the fall.

If you have any questions, please call or email me at (315) 495-4500 or mshea@stockbridgevalley.org. Thank you in advance for your attention in this matter.

A Note from the Sports Booster Club...

On behalf of the Sports Boosters we'd like to thank everyone for your support. We were able to get the batting cage up and functional for our athletes. The cage will be available for our community athletes young and old. We as sports boosters are always looking for fresh ideas and new faces. Come out and join us as we get ready to start the 2018-19

season in September. If interested or if you have any questions, please call Curt Couture @ 315-264-3948, Rob Renner @ 315-264-1412 or Pat Becker @ 315-461-9776.

Scholar Athletes

Congratulations to Dylan Anderson and Alaina Beane for representing Stockbridge Valley as our 2018 Section III Scholar Athletes.

2018 Varsity Softball Recap

The Stockbridge Valley Varsity Softball team had a very successful 2018 campaign once we were finally able to get it started. The 2018 team not only had to battle youth and inexperience, but also Mother Nature and a grueling schedule. I would first like to thank the parents for their dedication to their child's extracurricular endeavors and support of our program. I would also like to thank the community for their continued support of our program as well as all the athletic programs here at Stockbridge Valley. Lastly, I'd like to thank the community members who run our youth sports programs, you are the foundation on which all of this is built.

The motto for this season was "I am, because we are". Our success this season was going to be based on embracing the

fact that it was going to take all of us working together towards a common goal and helping each other along the way. The Lady Cougars finished the season with a 12-3 overall

record. They went 10-0 in the Central Counties League securing their 13th straight Central Counties League title. They secured the #1 seed in sectional play and won our opening round game before being knocked off by a hard-hitting Oriskany team in the Quarterfinals. We had two Section III All Stars: Alaina Beane and Jill Jacobs. We also had five Central Counties League All Stars: Alaina Beane, Jill Jacobs, Haylee Eaton, Madeline Cross and Ashley Wilson.

There were many highlights this season. One great highlight was beating Brookfield on Senior Night with the league title hanging in the balance. It was all you could ask for in a game of that magnitude... six lead changes, and a walk off hit in the bottom of the 7th by Madeline Cross to clinch the title outright for the 13th straight season. Another was our opening round sectional game against Lyme where the bats went silent and the defense had some struggles. Our lone senior, All-Star Alaina Beane took the team and put them on her shoulders, working out of jams all day striking out 15 in the victory. This squad most definitely showed their youth and inexperience at

DISTRICT NEWS DISTRICT NEWS DISTRICT NEWS

times, but they also showed the resilience and perseverance that is the foundation of softball at Stockbridge Valley.

Looking forward to seeing all of you out next spring as the 2019 Lady Cougars begin their quest to once again continue the tradition of excellence that is Stockbridge Valley Softball.

Have a great summer!

SVCS Summer Office Hours:

Offices will be open from 7:30 a.m. to 3:00 p.m. daily in July and August. You may leave voice mails and someone will return your call as soon as possible.

The elementary and high school offices will be closed during the weeks of July 30th and August 6th, reopening August 14th. The District/Business offices will be open during those weeks.

The guidance office is open for 20 days each summer. If you need transcripts please call to make sure that the guidance office is open. If you have questions or concerns, we will do our best to assist you. Thank you, and enjoy the summer!
