First and foremost, I am very pleased to announce that Mr. Ron Spadafora began as Stockbridge Valley's Interim 7-12 Principal on October 13th. Ron retired as the Superintendent of Oneida last year. Previous to that position he was the Deputy Superintendent of Oneida and High School Principal at Syracuse City Schools for several years. He has been getting to know the students, faculty, and staff. I am sure you will meet him soon as he is enjoying the games and school functions.

The District has started a search for a new principal. I am hoping that we will have the principal in place by January 1st, 2017.

The year is definitely underway and we are off to a great start. It may seem early to discuss the state assessments, however I want you to know how we used the Superintendent's Conference Day. Last year I asked all of you to please support your student(s) in taking the state ELA and Math assessments. Many more of our students participated in the assessments in the Spring, but we continue to fall short of the state required 95%

participation rate. I encourage you again this year to you allow your child(ren) to participate in the ELA and Math assessments. I explained last year that the Commissioner had shortened the tests and promised to release more of the questions so that districts could use the data for professional development. The Commissioner held true with her promise and during our Superintendent's Conference Day, we reviewed and analyzed the data. The teachers reviewed the data for program gaps so that we can continually improve our instructional practices to meet the needs of all of our students. Teachers will also be using the data to vertically align our curriculum. I am thankful that we have the ability to do this again, as we did in the past, as it is a tool that will bring us closer to our mission. Thank you for supporting our efforts.

I mentioned in the "Back to School" newsletter that the 6th and 7th grade teachers are being trained in Project Based Learning and how to incorporate these strategies into their curriculum. We also took advantage of an opportunity that presented itself when develop-

ing the schedule this summer. We were able to schedule the 6th grade students in one of the high school labs each day during fourth period. Mr. Josephs and Mr. Eanniello are team teaching the 6th grade students and offering a chance for them to use a science lab prior to being in the high school. Our hope is that this will build the students' love of science, while lessening the transition from elementary school to high school next year. Along with this opportunity we were asked to partner with Seimens and the Alliance to Save Energy to teach our students about the importance of saving energy. The 6th grade students will conduct an energy audit on the school's use of energy, analyze the audit and present their findings publicly. The students will also present solutions to the concerns that they find. They will be energy saving experts! The most exciting thing about this is that they will be solving real world problems while learning. They will use critical thinking, math, and science, while having fun. The students will hone their presentation and collaboration skills during this year.

Stockbridge Valley Central School District Mission & Vision Statement

Mission: We empower students through education.

Vision: We aspire to be recognized as a high-performing school district that instills excellence and graduates all students prepared for college or a career.

SUPERINTENDENT'S MESSAGE

With the warm weather that we have had, it is hard to believe that it is October. I will hope for a mild winter like last year, however the Farmer's Almanac disagrees with my hope. The town does an exceptional job of keeping our roads clear, however,

there are days with blowing snow and decreased visibility that make it dangerous for our buses. Just as a reminder, please listen for school delays and closings. We will also send a school messenger alert when school is delayed or closed.

Thank you all for your support.

Cindy Stocker

Cindy Stocker,
Superintendent of Schools

New Faces at Stockbridge Valley

SVCS welcomes the new staff members:

7-12 Interim Principal, **Ron Spadafora**

Guidance Counselor, **Cassandra Gleason**

Teacher Assistant, **Karen McDonough**

A Note from the Guidance Department

Dear Parents/Guardians and the Senior Class of 2017,

Deadlines are quickly approaching and applications to colleges should have already begun. The following is a list of steps/checklist of things that need to be completed as you apply to college:

1. **Financial Aid (FAFSA)** - the Free Application for Federal Student Aid is the entrance point for all federal and state financial aid. All students and their parents/guardians should complete this form ASAP which opened on October 1st, 2016. <https://fafsa.ed.gov/>
2. Take the **SAT** or **ACT**. Every college will have different requirements and about 80% of them require one of these exams. Please see the college website to see what exams will be required. It is recommended to take the exams by December in order to get your scores in time to apply. Deadline for the **SAT** in December is November 3rd and the deadline for the **ACT** in December is November 4th. Please see Mrs. Gleason with any questions.

3. Talk to teachers/community members/employers for letters of recommendation. You will want about **2 to 3** letters. Be sure to ask for these letters prior to submitting your application.
4. Apply to your college of choice. If you need assistance applying, Mrs. Gleason is more than willing to stay after school and assist you through the process. There are several different ways to do so:
 - One popular option is the Common App. This application can be used to apply to over 700 different colleges. You can find the app at commonapp.org.
 - Interested in only SUNY schools? SUNY has their own app you can use to apply to. This can be found at suny.edu.
 - If you are planning on starting off at a community college, apply directly to their website. Many community colleges will waive the fee if you do so.
5. Once you have applied, see Mrs. Gleason. She needs to know so that she can send in your transcripts, etc.
6. Periodically check the scholarship binder/school website for updated information regarding scholarships. Many deadlines for scholarships approach quickly so check regularly so that you don't miss out.

Please do not hesitate to contact Mrs. Gleason if you need any help or have any questions at:

495-1908 or cgleason@stockbridgevalley.org

10 Study Tips for Students

- **Study Alone** – Unless your friends are super serious about studying with you, put off the social time until you are prepared to take your test.
- **Create your perfect study area** – Comfortable, quiet, and free from distractions.
- **Get it all out** – Don't give yourself another excuse to get up once you sit down. Get everything you need at once and dig in.
- **Make flash cards from your notes** – This will help you narrow down to the important facts. Rewrite them into Q & A as you make them.
- **Snack Healthy** – Stay away from junk food. Eating a banana or apple will give you the boost you need without the crash from caffeine.
- **Narrow it down** – You'll go crazy trying to remember everything your teacher said. Focus on the important stuff then move into the finer details.
- **Take a break** – Take about a 15 minute break for every hour you study. This will help clear your head and refocus to allow all of the information to sink in.
- **Put yourself to the test** – Use your flashcards to allow others to test you. Carry your cards with you to review during your free time prior to the test.
- **Get some sleep** – Pulling an all-nighter is only going to cause more trouble during the test. Get some sleep to recharge your brain.
- **Study all year long** – Review your notes frequently so that you are not cramming for a test. Reviewing what you went over in class each day will allow the information to stick easier.

Elementary Principal's Office

It's hard to believe we are already so far into our first marking period already!

Some members of the Munsville Volunteer Fire Department visited us on October 14th for grade level presentations on fire prevention and safety. Members of the fire department take time out of their busy schedules to come here for the morning and teach us all about fire prevention and what to do in case of an emergency. This is a very informative presentation that these volunteers do for us each year and it is greatly appreciated.

If you haven't already signed up for your parent-teacher conference online, be sure to sign up as soon as possible. Just go to www.stockbridgevalley.org, click on the Elementary Office link and then Parent Teacher Conferences. Once you click on the “Book Appointment” button at the bottom of the screen, you will be walked through the process step by step. When the appointment is scheduled, you will immediately receive a confirmation email and you will also receive a reminder email one day before your conference. If you

need any assistance scheduling your conference or should you have any questions or concerns, please contact the Elementary Office at 495-4550.

Open House was a huge success thanks to the support of our community members! It was nice to see so many students in attendance with their families. Parental involvement is an integral part of your child's success at school. Thank you for your continued support!

This year our students in grades 4-6 will have a more hands on approach to their Character Education Program and assemblies. We will continue to have monthly character education assemblies and if your child is receiving an award at the assembly, you will receive an invitation to the assembly. However, students in grades K-3 will have an assembly one month and students in grades 4-6 will have a separate assembly the next month. The students will be running the program and they will also be writing the script. Each grade level will have their own contribution to the assembly. The Stockbridge Valley Educational Foundation approved a grant to purchase new t-shirts specifically designed for

our upper level elementary students and their new program. Thank you to the SVEF for their generosity and continued support!

Mrs. Nichole Newman, school counselor, continues to use our Second Step Character Education curriculum in the classrooms. Please visit www.stockbridgevalley.org to access links to the curriculum for your child's grade level. Your continued support of the curriculum at home is appreciated.

We will be hosting our annual Veterans' Breakfast on Thursday, November 10 at 9:00 a.m. in the cafeteria. Family members of students and also community members that have served or are currently serving in the armed forces are welcome to attend. Our first character education assembly for students in grades 4-6 will immediately follow the breakfast. For more information on the breakfast, please contact the Elementary Office at 495-4550.

Sincerely,

Mary Anne Iritz

Mrs. Mary Anne Iritz, K-6 Principal

DISTRICT NEWS **DISTRICT NEWS** DISTRICT NEWS**Character Education**

We are excited and pleased to continue our third year with implementing the Second Step program. The Second Step Program is a researched based program which has helped teachers/counselors to instill social-emotional skills for over

20 years. It teaches skills in the following four areas; Skills for Learning, Developing Empathy, Emotional Management and Problem Solving.

There are many creative ways of implementing the program. Through the use of music, brain builders, group discussions, think-pair-share lessons, and story time, this program allows all types of learners to develop social-emotional skills needed to be the best learners possible. This year all elementary families are receiving a weekly home link that is being e-mailed home. If you prefer a paper copy, please let your child's teacher know.

We want your child to be as successful as possible at school. Success in school is not just about reading and math. It is also about knowing how to learn and how to get along with others. If you would like to learn more about the Second Step Program please call or email Nichole Newman, School Counselor at 495-1805, or nnewman@stockbridgevalley.org.

Best Regards,

Nichole M. Newman

Nichole M. Newman, School Counselor.

Kindergarten News

The kindergarten classes are off to a fantastic start! We began our school year in August by coming to Kindergarten orientation. The students were able to meet the teachers, see the classroom, and parents were given lots of helpful information.

In September we went to North Star Orchards. We took a hay ride, saw animals, went through a corn maze, and brought back apples and pumpkins. Some of the things we learned about in class are nursery rhymes, numbers to 5, cutting, tracing, and writing our names.

In October we learned about fire safety from the Munnsville Volunteer Fire Department and we got to see the fire trucks! We are also learning about our five senses, numbers to 10, popcorn words, and letters!

Next up...Halloween!

Mrs. Pete & Mrs. Latella

Kindergarten Teachers

**Students Get Involved in Effort to Make Sylvan Beach "Smoke-Free"**

Sylvan Beach, NY – Eight teenagers from Madison, Stockbridge, and Canastota traveled to the beach on Saturday October 8th, not to swim or hang out, but to clean up the beach. The focus was on the most littered item in the world, cigarette butts. Roughly 4.5 trillion are being tossed each year. The teens did the clean up to help reduce this impact, but they did it even more to show elected officials that Sylvan Beach needs to be tobacco-free.

Hailey Bernet, a seventh grader at Stockbridge Valley Central whose family owns a camp on Sylvan Beach says "I wish the beach was smoke-free, so that kids don't pick up cigarette butts to decorate a sand castle, and so kids don't end up smoking later in life, turning a family beach trip into a disaster."

The group of teens collected over 300 cigarette butts from 19th Ave to 22nd Ave. They put the butts they collected in clear plastic piggy banks to give to the Village of Sylvan Beach. Kat Wojsiat a freshman at Holy Cross Academy said, "We didn't want to leave the cigarette litter there, and we didn't want to throw it in the trash. The filters are not biodegradable, so we decided to share our findings with those who can improve this beach. We hope to have an opportunity to talk with them soon about what they can do."

DISTRICT NEWS DISTRICT NEWS DISTRICT NEWS

"It felt good at first to be cleaning up the beach and helping out a community, but after a while we just were overwhelmed by the amount of tobacco litter. We hope that the little that we did made a difference, but we know a tobacco-free beach would be the best solution for the health and safety of families that visit this beach." said Riley Hysell an eighth grader from Madison Central School.

If you want to help make Sylvan Beach Tobacco-Free contact Reality Check at realitycheckcny@gmail.com

Noteworthy News...

The SVCS Music and Drama Departments are in full swing this fall! We are very excited to present **"Foot-loose"** on November 4th & 5th at 7:00 p.m. Order your tickets from Pam Mennig in the district office!

Mark your calendars now for the winter concerts. The Elementary Choral night will include students in grades first-sixth performing a variety of holiday entertainment. We hope to see you there on December 8 at 6:30pm. The High School Winter Concert, including Guitar Ensemble, Community Chorus, Concert Choir, Mixed Chorus, Select Choir, Wind Ensemble and Symphony Band will be on December 14 at 7:00 p.m.

Congratulations to our 5 students attending Area All State at Oneonta College: Elizabeth Collins, Saleena Berry, Devin Bartlett, Kyleigh Jones, and Megan Lamb. These students will represent SVCS and perform with some of the best student musicians in all of New York State! We wish them well at their concert on November 19.

FFA's Summer!

Camp Oswegatchie 2016! A Week of fun at camp for Jr. and Sr. High FFA members!

July 22nd - 23rd, the FFA participated in the Community Fair with a mini petting zoo and selling Maple products.

Members took part in the NY Beef Council "Perfect Burger" Cook-Off at the NY State Fair! Stockbridge Valley FFA took 1st place. Members of the team were Sam Smith, Kyleigh Jones, and Serene Boronow.

August 1st - 5th, Hannah Reaves and Serene Boronow traveled to Suny Colleges with other FFA members and 4-H members from all around New York state to tour the campuses and learn about agricultural careers and pro-

grams offered at the colleges. They visited Alfred State, Morrisville State College, Cornell University and SUNY Cobleskill. The students were also accompanied by state

NYS 4-H & NYS FFA Tractor Operators Contest, 3rd place Michael Wagner. Welding Team CJ Skellem and Josh Wagner 8th place at Empire Farm days!

officers throughout the week. The officers did a workshop with the students at Morrisville. Hannah Reaves states that her favorite visits were Morrisville and Cobleskill, and she

DISTRICT NEWS **DISTRICT NEWS** DISTRICT NEWS

was thankful to the sponsors and Mrs. McCaffrey for the experience.

New York State Fair Ag competitions included Poultry CDE, Vegetable Crop/Horticulture CDE Dairy foods, Meat ID and Agronomy.

Stockbridge Valley FFA's booth at the state fair "Take a Walk on the Wild Side" in the Ag building.

Washington Leadership Conference

Through the FFA, members have amazing opportunities. Joshua Wagner and Megan Lamb went to Washington, D.C. for the Washington Leadership Conference, or WLC. During this week of activities, Megan and Josh had the opportunity to bring out their leadership qualities, learn how to value other people's opinions, and how to help others.

Josh spoke about his time in D.C. He said, "I had a fantastic experience in Washington. We had workshops to expose our minds to the fact that there are countries out there that have poor water supply, shortage of food and poor living conditions. We as FFA members created "Living to Serve" plans to help those in need. Every day we went out into the city and did different activities. We took a night tour of the monuments and my group from New York went on a tour through the Capitol Building."

Megan also spoke about her trip to Washington. She said, "It was an amazing experience. I didn't exactly know what to expect at first but it ended up being a great trip and one I won't forget for a long time!"

Stockbridge Valley FFA Members Serving on the NY State Officer Team

Two of the members of our FFA chapter have recently had great achievements. Megan Lamb is the President of District V and Jacob Ax is the treasurer of the New York State FFA Association. Megan said that "Being a District President is an extra responsibility, but one I really enjoy. I've gotten to meet more members and visit other chapters within our area and that's something I wouldn't have gotten to do without becoming a District President."

Jacob Ax was very excited to be selected as a state officer. He had to go through a very long interview process in order to be selected. He knows that being a state officer will be challenging, but a lot of fun. He likes traveling around New York and meeting with many chapters. He thinks this year will be an amazing experience and he is happy to have the chance to serve the New York State FFA Association.

Library News and Events

Welcome back to the Library! Students have spent much of September learning or reviewing all that the Library has to offer and we are now delving into various projects! After reading the book over the summer, the MS/HS Library Club saw *Miss Peregrine's Home for Peculiar Children* in theatres on Saturday, October 1st for a fun field trip. We all agreed that the book was better! The Elementary Library Club has grown to over 60 members! Fourth, fifth, and sixth graders meet once a month after school until 5 p.m.

to wonder, experiment, make, create, and share in our Makerspace. Using only the materials provided, members worked together in teams to create working

marble runs during our September meeting. Thank you to some of our MS/HS members for staying to help, as well as to Mr. Josephs for stopping by to help out. I can't wait to see what students will create at our future meetings!

The Library Club will be sponsoring the Scholastic Book Fair from November 15th - 22nd in the Library. We will also be open during the PTSO Bazaar on Saturday, November 19th, so please stop up with your family and friends! If you have little ones who want to play while you shop in peace, we will also be offering Santa's Workshop in the Library! For a small fee, little ones can play games, watch movies, do arts and crafts, and be

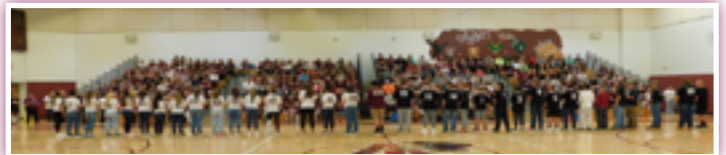

under adult supervision. If you have any questions, please contact Ms. Ingalls at (315) 495-1809.

MS/HS Library Club students: Kevin, Dawson, Abby M., Jasmine, Raine, Abby T., Ms. Ingalls

SVCS Spirit Week 2016

The Student Council organized a spirit week and pep rally aimed towards unifying the school and preparing the soccer teams for their big games under the lights against Madison at Morrisville State College. Each day of the week had a designated theme and students were encour-

aged to dress-up with their class. The class that had the most students participate would be awarded a pizza party. Monday was class color day and each grade was assigned a color that they would

wear. On Tuesday, students were encouraged to wear tie-dye. Many students participated in character day on Wednesday. There were superheroes and Disney characters all over the school. Thursday was twin day and many friends dressed alike to show their spirit. Finally, on Friday, the

DISTRICT NEWS DISTRICT NEWS DISTRICT NEWS

school was encouraged to show their Cougar pride by wearing maroon and white. That afternoon, students were invited to the gym to enjoy a pep rally. Both the boys and girls soccer teams were announced and they also played games to encourage competitive spirit throughout the school. Thank you to everyone that participated and congratulations to the 3rd grade for winning the pizza party!

Athletics

Boys Varsity Soccer Recap:

The Boys Varsity Soccer team ended their regular season with a league record of 5-7 and overall 7-9. The team was able to hold their opponents to five shut out games led by 8th grade goal keeper, Wyatt Reed. The leading scorer for the Cougars was Jordan Jacobs with 9 goals. Andrew Renner helped the cause with 5 assists. Some of the highlights of the season was the four-game win streak to qualify us for sectionals with three of them being shut-out victories. The best team performance came with a decisive 4-0 win over DeRuyter. The Boys Soccer team continued with post season play that began the week of October 16th.

Girls Varsity Soccer:

The Girls Varsity Soccer Team ended their regular season with a four game winning streak and out scoring their opponents 24-2. The win streak gave them enough wins to qualify for sectionals. The Lady Cougars entered sectional play with a 5-7 league record and 7-9 overall. 7th grader Jill Jacobs earned Athlete of the Week honors by scoring ten goals in three games.

Winter Season Start Dates:

Boy Modified Basketball	10/26/2016
Girls Modified Volleyball	10/26/2016
Boy JV/Varsity Basketball	11/7/2016
Girls JV/Varsity Volleyball	11/7/2016
Girls Varsity Basketball	11/7/2016

School Spirit

Dear Parents & Spectators,

The Stockbridge Valley Administrative Team and Coaching Staff would like to thank you for your attendance at the "Game Under the Lights" at Morrisville College.

Interscholastic athletic events are among the most popularly attended school sponsored activities. Spectators at an athletic contest take on the important role of representatives of our school district. Actions are seen and comments are heard by family and friends, opposing fans, local community residents, the media, coaches and ath-

letes. Our school district expects that all spectators will conduct themselves in a way consistent with our theme of respecting the rights, person and property of others.

In response to feedback regarding Stockbridge Valley spectator conduct, we would like to take this opportunity to review the Stockbridge Valley Central School District guidelines for spectators.

Guidelines for Spectator Conduct at Interscholastic Athletic Events

The following rules of sportsmanship for spectators at School District events outline how you can contribute to making these contests a positive experience for all persons in attendance:

- Learn the rules of the sport so that you can understand and appreciate the action that takes place
- Treat visiting players, coaches, cheerleaders and fans with courtesy as you would a guest in your own home
- Accept that athletics are a learning experience for the participants and value the athletes' efforts
- Respect the integrity and judgment of officials
- Cheer for your team, not against your opponent
- Show concern for an injured player, regardless of the team
- Follow the facility rules set by the game-site management /administration
- Do not attend events under the influence of any controlled substances (alcohol, drugs, tobacco, etc.) that will alter your thoughts and reactions to the situations of the contest

Guidelines for Adhering to SVCS Facility Rules

The following behaviors are unacceptable by spectators at SVCS athletic sites:

- Cheers/chants/songs/signs/banners and gestures which are obscene, taunting, disrespectful or derogatory
- Displays of anger or profanity that draw attention away from the contest
- Throwing any object within the stands or onto the playing surface
- Standing during play in any area other than the identified spectator section of the bleachers; no standing on the court or field
- Not complying with officials' decisions regarding the use of artificial noise makers (Section III contest) and sounds meant to distract players at key times in the contest
- Bringing food or drink into the gym; water and sports drinks are allowed only in the team bench area for the athletes and coaches

DISTRICT NEWS DISTRICT NEWS DISTRICT NEWS

- The use of "silly string," confetti, or like products in the gym
- The use of tobacco and alcohol containing products and or any illegal substances on school district property

In closing, we must cheer on our children and friends but, at the same time model appropriate sportsmanship. SVCS wants to make it clear to athletes and fans that poor sportsmanship is not acceptable. Parents and fans who engage in negative cheering, or make disparaging remarks toward the officials, players, coaches or other fans, will be removed from the game.

SVCS SPOTLIGHT

Elizabeth Collins

SVCS Junior Elizabeth Collins joins National Society of High School Scholars. The society recognizes top scholars who have demonstrated outstanding leadership, scholarship and community commitment.

Jill Jacobs

Jill Jacobs claims Oneida Dispatch Athlete of the Week honors. The 7th grader netted ten goals during three must-win games as the Lady Cougars advanced to sectional play.

Karen Dailey

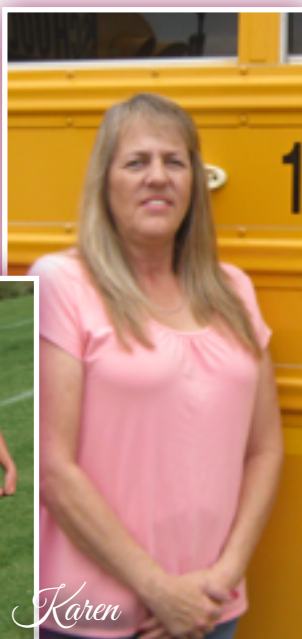

Stockbridge Valley Bus Driver, Karen Dailey placed 2nd in the Mohawk Valley Regional Bus Rodeo.

Girls' Basketball Coach Inspired by Coach Q

Coach Q

On September 29th, 2016 I had the opportunity to meet Quentin Hillsman, also known as Coach Q, the Syracuse University women's basketball coach. It was held at Syracuse University and hosted by Time Warner Cable news and the Leadership Greater Syracuse organization. "*Beyond the Arc with Coach Q*" was an occasion to learn about the coach's personal leadership skills, which brought the Syracuse women's basketball team to the NCAA finals. LGS is a non-profit organization comprised of Syracuse University alumni who play an important role in making a difference in communities around the central New York area. LGS's mission is to inspire the current and future leaders to make positive impacts on the youth of today.

As I arrived at the seminar, I immediately came into contact with Coach Q. It was at that moment where I realized where I was and who I was surrounded with. I immediately became overwhelmed and elated with emotions and thought to myself, "I'm going to shake the hand of an incredible man and one of the most influential people to my current coaching career." As the seminar began, Coach Q participated in a handful of questions in which he spoke about his accomplishments with the program, his accolades as the head coach of a major university and what made him the man he is today. Most importantly, he talked about what it is that makes him a good leader, which to me was why I wanted to participate in this opportunity.

Listening to the words of Coach Q was an incredible honor. In the short hour he spoke, I learned more about the role of becoming a leader and looking at the bigger picture on how to motivate and stimulate the minds of our youth. More directly, my basketball team here at Stockbridge Valley. Coach Q also spoke about keeping the motivation and always encouraging our youth to look forward to what's next. To keep it at the forefront of your mind to always do your best, to always crave to do more for the people who surround you and to always keep a positive outlook on your future even when times get tough.

Meeting Coach Q was an incredible experience and I am very grateful I had the chance to do so. With what I learned, I will be sure to incorporate these ideas in the upcoming season and for the duration of my coaching career.
