Harassment & Discrimination is prohibited at SVCS

You should never feel that it is not safe to come to school and participate in all school activities. A student may not act toward another student in a way that reasonably might make that other student feel threatened or unsafe, or that might reasonably make that other student unable to concentrate on their school work, because of the other student's race, color, weight, national origin (where their family comes from), ethnic group, religion, religious practices, disability, sexual orientation, gender, or sex, or for any other reason. It is against school rules for any student or school staff member to do this by physical actions or by verbal statements, including electronic messages. Student Privacy-FERPA Notice

Dear Parent or Eligible Student:

The **Family Educational Rights and Privacy Act** of 1974 (**FERPA**) affords parents or "eligible students" (students who are over 18 years of age or are entering a postsecondary educational institution) certain rights with respect to the student's education records. The purpose of this letter is to inform you of some of those rights and to provide you with the following contact information for the District's Records Access Officer: Mrs. Beth Lamb, Business Administrator.

Examples of FERPA rights include:

The right to inspect and review the student's education records within 45 days of the day the School receives a request for access. Written requests for such access may be submitted to the Records Access Officer between 8:00 a.m. and 3:00 p.m. on any school day. Such requests should be submitted on the District's Application For In-

spection of Student Records form that is located in the Office of the Records Access Officer.

The right to request the amendment of the student's education records that the parent or eligible student believes is inaccurate, misleading or an invasion of the student's privacy rights. A request for an amendment may be submitted to the Records Access Officer during regular business hours. Such requests should be submitted on the District's Request For Correction of Student Records form that is located in the Office of the Records Access Officer. If the Records Access Officer denies a properly submitted request for an amendment, the person seeking the amendment will be advised of his/her right to a hearing regarding the requested amendment.

The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. For example, the District may, without consent, disclose:

Personally identifiable information to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor or support staff member (including health or medical staff and law enforcement unit personnel); a person serving the School Board; a person or attorney, auditor, medical consultant, or therapist, and including entities that host and disseminate student information such as grades, homework and messages from teachers on the Internet); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Appropriately designated "directory information", unless the parent or eligible student has advised the District to the contrary by filling out and returning the Request To Limit Disclosure of Directory Information form. The primary purpose of the directory information is to allow the District to include this type of information from the student's education records in certain school publications such as a playbill (showing the student's role in a drama production), an annual yearbook, an honor role or other recognition list, a graduation program, or a sports activity sheet (such as a wrestling program that discloses participants height or weight), etc. Directory information may also be disclosed to outside organizations such as companies that manufacture class rings or publish yearbooks or other companies. Additionally, Federal Law requires Districts receiving certain federal assistance to provide requesting military recruiters with secondary school names, addresses, telephone listings and possibly other directory information, unless parents or eligible students have ad-

vised the District that they do not want their student's information disclosed without prior written consent.

The right to know that the District has designated the following information as directory information: Directory Information: student's name, parent's name, address, telephone number, email address, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, most recent previous educational agency attended by student, photograph, and video images of students engaged in routine activities when those images are not records of the district's law enforcement unit. If you do not want the District to disclose directory information without your prior written consent, you must complete and return to the District the Request To Limit Disclosure of Directory Information form by October 1, 2015.

The right to file a complaint with the following office if you believe the District has violated your FERPA rights: Family policy Compliance Office, US Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.

Additionally, please be aware that:

It is the District's policy to disclose education records without consent to officials of another school district in which a student seeks or intends to enroll, and,

The District uses video surveillance cameras on school property and in school vehicles to maintain the physical security and safety of the campus. The District has designated its building principals as its law enforcement unit and has assigned to them the responsibility of maintaining the video surveillance images.

From the Health Office

As part of a required school health examination, a student is weighed and his/her height is measured. These numbers are used to figure out the student's body mass index or "BMI". The BMI helps the doctor or nurse know if the student's weight is in a healthy range or is too high or too low. Recent changes to the New York State Education Law require that BMI and weight status group be included as part of the student's school health examination. A sample of school districts will be selected to take part in a survey by the New York State Department of Health. If our school is selected to be part of the survey, we will be reporting to New York State Department of Health information about our students' weight status groups. Only summary information is sent. No names and no information about individual students are sent. However, you may choose to have your child's information excluded from this survey report.

The information sent to the New York State Department of Health will help health officials develop programs that make it easier for children to be healthier.

If you do not wish to have your child's weight status group information included as part of the Health Department's survey this year, please complete and sign your name below and return this form to:

FFA Members Attend Camp Oswegatchie

From July 5-10, 117 FFA members from New York, Pennsylvania and Connecticut visited Camp Oswegatchie in Croghan, New York. Sixteen of the 117 total members were from Stockbridge Valley. Megan Lamb, Jarret Jacobs and Joshua Wagner were among the SVCS members that visited camp. They served as Counselors in Training (CIT's). They also served as banquet officers at the end of the week banquet where they fulfilled the offices of Student Advisor (Megan), Vice President (Jarret), and Sentinel (Joshua).

Some activities that were enjoyed at camp were canoeing, kayaking, horseback riding, mountain biking, archery, zip lining and leadership classes. Members who visited camp had a wonderful experience and are looking forward to returning to camp again.

Summer Reading Program

Cougars pounced into reading this summer at the SVCS Library Media Center. Every other Tuesday, students and families were invited to check out books, hear a story, eat a snack, and do an activity! The first week, students heard an excerpt from the **The Time Warp Trio** series "**Summer Reading is Killing Me!**" by Jon Scieszka and decorated their own T-shirts. The second week younger students found their inner superheroes by making their own superhero capes! Older students were inspired by "**Battle Bunny**" by Jon Scieszka and Mac Barnett to rewrite their own books. It was a full house the third week when Ryan Bliss from CNY Magic Shows amazed almost 50 students and their families with his magic tricks! This last week it is time to get ready for back to school. Students will create pencil cases and decorate their back to school gear with duct tape!

August 2015

Dear Parent/Guardian:

Welcome to the 2015-2016 school year. We hope your child is looking forward to new learning opportunities and being involved in our academic, extra-curricular, and school lunch programs.

We wish to encourage the participation of your child in the school lunch program for the coming year. Please review the information regarding the Free/Reduced Price Breakfast and/or Lunch program and be assured that all information is handled in a confidential manner and is not specifically identifiable as children enter and exit through the serving line.

We understand that finances in many households may have changed over the last few years, therefore, if eligible, we encourage you to complete the Free/Reduced Application for the Breakfast/Lunch program as it also directly supports and relates to the District's eligibility for State Aid in financing our school programs. If you need assistance, please contact us.

For the 2015-16 school year, breakfast and lunch prices are as follows: breakfast-\$1.25 and lunch will be \$1.80 per child (no change in breakfast or lunch prices). Our School Lunch Cook-Manager continues to introduce new items to the menu, while meeting required guidelines for nutrition and we hope your child will try the new items.

Additionally, the district will continue to offer the "MyLunchMoney" online service which allows parents to pay for school meals via credit/debit card or electronic check and monitor student cafeteria purchases, balances, and spending limits. Please see the back side of this letter for information about how to enroll.

If you have any questions regarding the Breakfast/Lunch program, please contact Ms. Kathy Carney, at 495-1909. You may also contact the school for information at 495-4400.

We look forward to your participation and a successful school year.

Stockbridge Valley Central School
Letter to Parents for School Meal Programs

Dear Parent/Guardian:

Children need healthy meals to learn. **Stockbridge Valley Central School** offers healthy meals every school day. Breakfast costs **\$1.25**; lunch costs **\$1.80**. Your children may qualify for free meals or for reduced price meals. Reduced price is **\$0.25** for breakfast and **\$0.25** for lunch.

1. DO I NEED TO FILL OUT AN APPLICATION FOR EACH CHILD? No. Complete the application to apply for free or reduced price meals. *Use one Free and Reduced Price School Meals Application for all students in your household.* We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to: **Ms. Kathleen Carney, School Cook Manager, 6011 Williams Road, Munnsville, NY 13409 315-495-1909.**
2. WHO CAN GET FREE MEALS? All children in households receiving benefits from **SNAP, the Food Distribution Program on Indian Reservations** or **TANF**, can get free meals regardless of your income. Also, your children can get free meals if your household's gross income is within the free limits on the Federal Income Eligibility Guidelines.
3. Can foster children get free meals? Yes, foster children that are under the legal responsibility of a foster care agency or court, are eligible for free meals. Any foster child in the household is eligible for free meals regardless of income.
4. CAN HOMELESS, RUNAWAY, AND MIGRANT CHILDREN GET FREE MEALS? Yes, children who meet the definition of homeless, runaway, or migrant qualify for free meals. If you haven't been told your children will get free meals, please call or e-mail **Mrs. Beth Lamb, School Business Official, 6011 Williams Road, Munnsville, NY 13409 315-495-4400.** to see if they qualify.
5. WHO CAN GET REDUCED PRICE MEALS? Your children can get low cost meals if your household income is within the reduced price limits on the Federal Eligibility Income Chart, shown on this application.
6. SHOULD I FILL OUT AN APPLICATION IF I RECEIVED A LETTER THIS SCHOOL YEAR SAYING MY CHILDREN ARE APPROVED FOR FREE MEALS? Please read the letter you got carefully and follow the instructions. Call the school at **[315-495-1909]** if you have questions.
7. MY CHILD'S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT ANOTHER ONE? Yes. Your child's application is only good for that school year and for the first 30 days of this school year. You must send in a new application unless the school told you that your child is eligible for the new school year.
8. I GET WIC. CAN MY CHILD(REN) GET FREE MEALS? Children in households participating in WIC may be eligible for free or reduced price meals. Please fill out a FREE/REDUCED PRICE MEAL application.
9. WILL THE INFORMATION I GIVE BE CHECKED? Yes and we may also ask you to send written proof.
10. IF I DON'T QUALIFY NOW, MAY I APPLY LATER? Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced price meals if the household income drops below the income limit.
11. WHAT IF I DISAGREE WITH THE SCHOOL'S DECISION ABOUT MY APPLICATION? You should talk to school officials. You also may ask for a hearing by calling or writing to: **MRS. BETH LAMB, 6011 WILLIAMS RD, MUNNSVILLE, NY 13409. 315-495-4400.**

13. WHO SHOULD I INCLUDE AS MEMBERS OF MY HOUSEHOLD? You must include all people living in your household, related or not (such as grandparents, other relatives, or friends) who share income and expenses. You must include yourself and all children living with you. If you live with other people who are economically independent (for example, people who you do not support, who do not share income with you or your children, and who pay a pro-rated share of expenses), do not include them.
14. WHAT IF MY INCOME IS NOT ALWAYS THE SAME? List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
15. WE ARE IN THE MILITARY. DO WE INCLUDE OUR HOUSING ALLOWANCE AS INCOME? If you get an off-base housing allowance, it must be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income.
16. MY SPOUSE IS DEPLOYED TO A COMBAT ZONE. IS HER COMBAT PAY COUNTED AS INCOME? No, if the combat pay is received in addition to her basic pay because of her deployment and it wasn't received before she was deployed, combat pay is not counted as income. Contact your school for more information.

How to Apply: To get free or reduced price meals for your children you may submit an Eligibility Letter for Free Meals received from the NYS Education Department, OR carefully complete one application for your household and return it to the designated office. If you now receive SNAP, Temporary Assistance to Needy Families (TANF) for any children, or participate in the Food Distribution Program on Indian Reservations (FDPIR), the application must include the children's names, the household food stamp, TANF or FDPIR case number and the signature of an adult household member. All children should be listed on the same application. If you do not list a food stamp, TANF or FDPIR case number for all the children for whom you are applying, the application must include the names of everyone in the household, the amount of income each household member, and how often it is received and where it comes from. It must include the signature of an adult household member and the last four digits of that adult's social security number, or check the box if the adult does not have a social security number. An application that is not complete cannot be approved. Contact your local Department of Social Services for your food stamp or TANF case number or complete the income portion of the application.

Reporting Changes: The benefits that you are approved for at the time of application are effective for the entire school year. You no longer need to report changes for an increase in income or decrease in household size, or if you no longer receive SNAP.

Income Exclusions: The value of any child care provided or arranged, or any amount received as payment for such child care or reimbursement for costs incurred for such care under the Child Care Development (Block Grant) Fund should not be considered as income for this program.

Nondiscrimination Statement: This explains what to do if you believe you have been treated unfairly.

The U.S. Department of Agriculture (USDA) prohibits discrimination against its customers, employees, and applicants for employment on the bases of race, color, national origin, age, disability, sex, gender identity, religion, reprisal, and where applicable, political beliefs, marital status, familial or parental status, sexual orientation, or all or part of an individual's income is derived from any public assistance program, or protected genetic information in employment or in any program or activity conducted or funded by the Department. (Not all prohibited bases will apply to all programs and/or employment activities.)

If you wish to file a Civil Rights program complaint of discrimination, complete the USDA Program Discrimination Complaint Form (PDF), found online at http://www.ascr.usda.gov/complaint_filing_cust.html, or at any USDA office, or call (866) 632-9992 to request the form. You may also write a letter containing all of the information requested in the form. Send your completed complaint form or letter to us by mail at U.S. Department of Agriculture, Director, Office of Adjudication, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410, by fax (202) 690-7442 or email at program.intake@usda.gov.

Individuals who are deaf, hard of hearing or have speech disabilities and you wish to file either an EEO or program complaint please contact USDA through the Federal Relay Service at (800) 877-8339 or (800) 845-6136 (in Spanish).

USDA is an equal opportunity employer.

Meal Service to Children With Disabilities: Federal regulations require schools and institutions to serve meals at no extra charge to children with a disability which may restrict their diet. A student with a disability is defined in 7CFR Part 15b.3 of Federal regulations, as one who has a physical or mental impairment which substantially limits one or more major life activities. Major life activities are defined to include functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working. You must request the special meals from the school and provide the school with medical certification from a medical doctor. If you believe your child needs substitutions because of a disability, please get in touch with us for further information, as there is specific information that the medical certification must contain.

Confidentiality: The United States Department of Agriculture has approved the release of students names and eligibility status, without parent/guardian consent, to persons directly connected with the administration or enforcement of federal education programs such as Title I and the National Assessment of Educational Progress (NAEP), which are United States Department of Education programs used to determine areas such as the allocation of funds to schools, to evaluate socioeconomic status of the school's attendance area, and to assess educational progress. Information may also be released to State health or State education programs administered by the State agency or local education agency, provided the State or local education agency administers the program, and federal State or local nutrition programs similar to the National School Lunch Program. Additionally, all information contained in the free and reduced price application may be released to persons directly connected with the administration or enforcement of programs authorized under the National School Lunch Act (NSLA) or Child Nutrition Act (CNA); including the National School Lunch and School Breakfast Programs, the Special Milk Program, the Child and Adult Care Food Program, Summer Food Service Program and the Special Supplemental Nutrition Program for Women Infants and Children (WIC); the Comptroller General of the United States for audit purposes, and federal, State or local law enforcement officials investigating alleged violation of the programs under the NSLA or CNA.

Reapplication: You may apply for benefits any time during the school year. Also, if you are not eligible now, but during the school year become unemployed, have a decrease in household income, or an increase in family size you may request and complete an application at that time.

The disclosure of eligibility information not specifically authorized by the NSLA requires a written consent statement from the parent/guardian. We will let you know when your application is approved or denied.

Sincerely,

Ms. Kathleen Carney
School Cook Manager
