SUPERINTENDENT'S MESSAGE

Please allow me to share with you how privileged I am to have been selected by the SVCS Board of Education to serve as Interim Superintendent. I look forward to assisting and serving the District during this critical period of transition that will conclude when a new superintendent assumes their duties.

During the month of June, I had an opportunity to spend a number of days in the district with Dr. Calvin prior to the end of the school year. It was obvious to me that the Stockbridge Valley School District and community have worked very hard creating and instituting a number of very important initiatives which include – Multi-Year Strategic Plan, K-12 Curriculum Mapping project, Professional Development Plan and a voter-approved 5.4 million dollar Capital Building Project which will provide a new roof, upgrade classrooms and additional instructional areas.

I will work to continue the momentum and dedicated work of all the stakeholder groups within the district. The ultimate goal of this important work is to create a culture of success for current and future Stockbridge Valley students; fostering and supporting academic success while preparing SVCS graduates to meet and achieve success in their chosen careers.

I am eager to put my many years of experience in education to work for the Stockbridge Valley Central School District and look forward to helping and working with the dedicated members of the Board of Education, faculty and staff. Thank you for your continued support of Stockbridge Valley CSD.

Sincerely,

Michael Sandore

Michael Sandore, Interim Superintendent

A Note from Dr. Calvin...

Dear Community,

I am writing to thank all of you for the outstanding opportunity that was afforded to me over the last two school years. Please know, it has been a true pleasure to work with all of you on behalf of our students.

Over the last couple of school years we've been able to accomplish a lot together. Specifically, we've implemented: a multi-year strategic plan that is focused on raising student outcomes; a new school structure (K-6 and 7-12 schools); a 1:1 technology initiative; a

district-wide curriculum mapping project (scheduled to be completed in the fall); focused professional development; additional dual credit courses for secondary students and inclusive classroom settings for our students with disabilities at the secondary level.

To add to this we've been successful at passing two school budgets and bus referendums and recently passed a multimillion dollar school capitol project. As you can tell, we've done a lot of good work together!

Please know, in an effort to make sure that the district transitions smoothly

to a new leader, I have been meeting regularly with Mr. Mike Sandore, newly appointed Interim Superintendent. Mr. Sandore, in my opinion, will be an asset to the community. He is well experienced, child-centered and a great listener. Accordingly, it is my belief that the district will be in "good hands" with Mr. Sandore.

With that said, I again thank you all for your support and wish you all well. No matter what... please continue to be Extraordinary Everyday.

Yours in Education,

Dr. Mathis Calvin III, Ed. D.

Pest Management

Dear Summer School Parents/Guardians & Staff,

The Stockbridge Valley Central School uses Integrated Pest Management practices to reduce the use of pesticides in the Stockbridge Valley buildings and on the grounds. It is unlikely that the Stockbridge Valley campus will use pesticides this summer. New York State law requires that schools maintain a list of staff and parents who wish to receive written notice forty-eight (48) hours prior to a pesticide application at their school facility if the building will

be occupied within seventy-two (72) hours of an application. If you wish to be included on this notification list, or would like further information on the Stockbridge Valley's pesticides program, please contact Beth S. Lamb, Business Administrator at 495-4445 or write to:

Children's Grief Program
Hospice & Palliative Care

Hospice & Palliative Care's Brave Hearts is a unique one-day program for children 6-12 years of age from Oneida, Herkimer, or Madison counties who have experienced the death of a loved one. Brave Hearts is not only for "Hospice families"- anyone can attend!

♥ August 6, 2015 ♥

Munson-Williams-Proctor Arts Institute, Utica, New York
There is no charge. Donations always gratefully accepted!

For application or more information, please contact Kate Doran,
Bereavement/Volunteer Supervisor, at 735-6487 x240.

Application and pre-registration required to ensure this program will
be appropriate and beneficial to the child.

Application Deadline is Monday, July 20, 2015

Each child will be able to demonstrate their own unique way of
experiencing grief, share how their loved ones live on in their lives, and be
able to identify healthy coping skills.

Mosaic planters

Thank you to Ms. Bennati's and Ms. McCaffrey's classes for the beautiful mosaic planters they created to brighten up the SVCS hallways.
