### "E<sup>3</sup>: EXTRAORDINARY EDUCATION EVERYDAY..."

Dear SVCS Community,

It's hard to believe that in just several days our students will walk through the doors of our schools and be greeted by staff and administrators who have eagerly prepared for their return. The start of a new school year always brings a promise of new hope, new challenges, new learning and new fun. Educators, parents and students alike are given an opportunity to begin anew with renewed energy and enthusiasm for our common purpose: sparking, nurturing, and sustaining a love of learning in us all.

This school year we welcome nine new staff members, including Mrs. Gina Terzini, Secondary Principal Grades 7-12. They each embark upon their new positions with a sense of passion, purpose and dedication to our students and community, and we are thrilled to have them on our team.

In addition to welcoming new staff, there is much to be excited about in the new school year with regard to teaching and learning. One exciting plan that we will be implementing this year is our new Strategic Plan, "**E<sup>3</sup>: EXTRAORDINARY EDUCATION EVERYDAY.**" This plan, focused on raising the outcomes of students and instructional rigor, enhances Stockbridge Valley's rich tradition of excellence in education. In support of this plan two curricular areas will be a priority for new growth in our district this year.

First, our teachers have been preparing to continue to implement new instructional strategies in reading using the NYS Common Core Learning Standards. Our curriculum will help catapult our students' learning in this important area. Students will be provided with deeper and broader opportunities for exploration in English Language Arts while advancing their skills in reading fluency and comprehension. Continued implementation of our curriculum provides a tremendous opportunity to refine our instructional practices and reach new heights and depths in student achievement in this regard.

Secondly, our students will continue to make tremendous strides in the area of technology. Several classrooms are equipped with cutting-edge tools such as Chrome Books, Learn Pads and interactive Whiteboards. Teachers are being provided with professional development to ensure that technology becomes a fully integrated tool for teaching, learning, and student engagement. Through technology-integrated teaching and learning, students are able to master a wide range of reasoning, critical thinking skills and practical applications related to information, media and technology in ways that will support lifelong learning and success within the 21<sup>st</sup> century.

Please know that our students will be exposed to technology throughout all aspects of their school day, and beyond. We will work to capitalize on these experiences to ensure that our students have rich and diverse learning opportunities that lead to both practical and innovative means for addressing new challenges in the future.

As you can all tell, it is a very exciting time to be teaching and learning within Stockbridge Valley Central School District! For me personally, the 2014-15 school year is especially exciting as my family

**Stockbridge Valley FFA Sends Twenty to Oswegatchie FFA Camp**

The Stockbridge Valley FFA Chapter sent twenty members and Advisor, Ms. Erin McCaffery, to FFA Camp Oswegatchie. Members ages 11-17 enjoyed a fun week of activities in the Adirondack Park.

The Oswegatchie Educational Center in Croghan, New York is nestled on 1200 acres of wooded land within the Adirondack Park. Oswegatchie is owned and operated by the New York FFA Leadership Training Foundation, Inc. The camp mission is "To provide campers with meaningful experiences in leadership development, environmental education, and outdoor recreation".

The week began with a reflection program put on by the New York State FFA Officers, kicking off this year's camp theme as building character. Every student from a total of 157 campers, throughout New York State and Connecticut were required to take a leadership course with the New York State FFA Officers on site that week. The New York State FFA Officers on site that week were, Kaylee Eaton, President, Gabe Rater, Treasurer, and Kait Issac, Reporter. Members throughout the week enjoyed water activities on five bodies of water, including tubing to kayaking, and also participated in hikes, horseback riding, arts and crafts and many more activities. The favorite activity of many campers is the high and low ropes course where members learn team building activities. The fun and excitement doesn't end when it gets dark, members are able to put on skits, have picnics, and have a small carnival at Oswegatchie throughout the week.

On Wednesday election of banquet officers was held, and Stockbridge Valley FFA was well represented with three out of seven banquet officers. The officers from Stockbridge included, Andrew Renner, Vice President, Josh Wagner, Sentinel and Megan Lamb, as Student Advisor. Great job to the officers representing Stockbridge FFA!

The final night of Oswegatchie, an FFA banquet was held, and members across the state were recognized, for their accomplishments throughout the week, followed by a dance. A great week was had by all.

## Transportation Notes

In the interest and safety of all students, staff, and community residents, please observe all school traffic patterns and be reminded that School Vehicles Only are allowed to turn left out of the main parking lot. We appreciate all efforts in providing for safe bus transportation, and vehicles moving about the campus.

## BUS RULES

Please recognize the importance of cooperation for the safety of your transportation system. Your responsibilities as students are as follows:

- Reasonable behavior is expected of all students.
- Be on time for your pick-up.
- Obey and respect your driver. If students are assigned seats by the driver, they are expected to keep them unless permission to change is granted.
- WALK, do not run to your bus.
- Older students should help smaller ones.
- Students must be seated at once upon entering a bus and must remain seated until the bus stops.
- Keep your head and hands inside the bus. There should be no "horseplay" either inside or outside the bus, or unusual loudness in the way of shouting, laughing, or unnecessary confusion.
- Do not annoy or distract your driver.
- Know the location of the emergency door, first aid kit, fire extinguisher, cooperate in bus emergency drills. Tampering with equipment or emergency device is prohibited at all times.
- Keep your bus clean – eating and drinking on the bus is forbidden. It is your classroom on wheels. Students must not leave litter of any kind on the bus.
- Smoking is not allowed on the bus.
- Be ladies and gentlemen – profanity and vulgarity are out.
- Exit orderly – avoid crowding or pushing, wait for driver's signal to step forward before entering the bus at the school grounds. **STAY BACK WHEN THE BUS IS PULLING UP.** This is true at any time, including 3:16, sports runs and field trips.
- Wait for the driver to signal before you cross a road.
- Students should cease all noise at danger points, such as stop signs, railroad crossings, etc. where the bus has to stop.

- No animals, bundles, large parcels, large instruments, shall be carried on the school bus.
- If a student who does not normally ride home with you wants to ride your bus, make sure he or she has written permission from their parent and has submitted it to the principal's office in advance.
- Treat a school bus as a valuable piece of property. Avoid marking and defacing it.
- Throwing snowballs, or any other objects in the loading zone, or at buses is prohibited.

Occasionally, your bus goes to other schools in other communities. It carries your school name "STOCKBRIDGE VALLEY". Remember, you are representing your school.

## **Pesticide Notification**

The Stockbridge Valley Central School uses Integrated Pest Management practices to reduce the use of pesticides in the Stockbridge Valley buildings and on the grounds. New York State law requires that schools maintain a list of staff and parents who wish to receive written notice forty-eight (48) hours prior to a pesticide application at their school facility if the building will be occupied within seventy-two (72) hours of an application. If you wish to be included on this noti-

cation list, or would like further information on the Stockbridge Valley's pesticide program, please contact Beth S. Lamb, Business Administrator at:

Stockbridge Valley C. S.  
P.O. Box 732, • 6011 Williams Rd.

## **The New York State Dignity for All Students Act**

Please read and review the plain language summary below and share with your child. Any additional information may be found in Section 12 of the NYS Education Law and SVCS Code of Conduct Section 1040.

## **HARASSMENT AND DISCRIMINATION IS PROHIBITED AT SCHOOL**

You should never feel that it is not safe to come to school and participate in all school activities. You should never be prevented from concentrating on your schoolwork because another student or a school staff member is teasing you, making fun of you, pushing you around, or threatening you in some way, because of your race, color, weight, national origin (where your family comes from), ethnic group, religion, religious practices, disability, sexual orientation, gender, or sex, or for any other reason.

A student may not act toward another student in a way that reasonably might make that other student feel threatened or unsafe, or that might reasonably make that other student unable to concentrate on their school work, because of the other student's race, color, weight, national origin (where their family comes from), ethnic group, religion, religious practices, disability, sexual orientation, gender, or sex, or for any other reason. It is against school rules for any student or school staff member to do this by physical actions or by verbal statements, including electronic messages. This kind of conduct is prohibited on school property, on school buses, and at all school sponsored events.

## Student Privacy-FERPA Notice

Dear Parent or Eligible Student:

The Family Educational Rights and Privacy Act of 1974 (FERPA) affords parents or "eligible students" (students who are over 18 years of age or are entering a postsecondary educational institution) certain rights with respect to the student's education records. The purpose of this letter is to inform you of some of those rights and to provide you with the following contact information for the District's Records Access Officer: Mrs. Beth Lamb, Business Administrator.

### Examples of FERPA rights include:

The right to inspect and review the student's education records within 45 days of the day the School receives a request for access. Written requests for such access may be submitted to the Records Access Officer between 8:00 a.m. and 3:00 p.m. on any school day. Such requests should be submitted on the District's Application For Inspection of Student Records form that is located in the Office of the Records Access Officer.

The right to request the amendment of the student's education records that the parent or eligible student believes is inaccurate, misleading or an invasion of the student's privacy rights. A request for an amendment may be submitted to the Records Access Officer during regular business hours. Such requests should be submitted on the District's Request For Correction of Student Records form that is located in the Office of the Records Access Officer. If the Records Access Officer denies a properly submitted request for an amendment, the person seeking the amendment will be advised of his/her right to a hearing regarding the requested amendment.

The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. For example, the District may, without consent, disclose:

Personally identifiable information to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor or support staff member (including health or medical staff and law enforcement unit personnel); a person serving the School Board; a person or attorney, auditor, medical consultant, or therapist, and including entities that host and disseminate student information such as grades, homework and messages from teachers on the Internet); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Appropriately designated "directory information", unless the parent or eligible student has advised the District to the contrary by filling out and returning the Request To Limit Disclosure of Directory Information form. The primary purpose of the directory information is to allow the District to include this type of information from the student's education records in certain school publications such as a playbill (showing the student's role in a drama production), an annual yearbook, an honor role or other recognition list, a graduation program, or a sports activity sheet (such as a wrestling program that discloses participants height or weight), etc. Directory information may also be disclosed to outside organizations such as companies that manufacture class rings or publish yearbooks or other companies. Additionally, Federal Law requires Districts receiving certain federal assistance to provide requesting military recruiters with secondary school names, addresses, telephone listings and possibly other directory information, unless parents or eligible students have advised the District that they do not want their student's information disclosed without prior written consent.

The right to know that the District has designated the following information as directory information: Directory Information: student's name, parent's name, address, telephone number, email address, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, most recent previous educational agency attended by student, photograph, and video images of students engaged in routine activities when those images are not records of the district's law enforcement unit. If you do not want the District to disclose directory information without your prior written consent, you must complete and return to the District the Request To Limit Disclosure of Directory Information form by October 1, 2014.

The right to file a complaint with the following office if you believe the District has violated your FERPA rights:

#### Family Policy Compliance Office

US Department of Education

400 Maryland Avenue, SW • Washington, DC 20202-4605.

### Additionally, please be aware that:

It is the District's policy to disclose education records without consent to officials of another school district in which a student seeks or intends to enroll, and,

The District uses video surveillance cameras on school property and in school vehicles to maintain the physical security and safety of the campus. The District has designated its building principals as its law enforcement unit and has assigned to them the responsibility of maintaining the video surveillance images.

## Directory Information

The Stockbridge Valley Central School District Board of Education has designated the following types of student information contained in student educational records as "directory information", which may be publicly disclosed without parental consent: Each student's name, address, telephone listing, major field of study, participation in officially recognized activities and sports, height and weight (if member of athletic team), dates of attendance, degrees and awards received, and most recent education agency or institution attended.

Parents (or students who are 18 or over) have the right under the Family Educational Rights and Privacy Act to refuse to permit any or all of such information to be disclosed from their child's education records without their consent, except as provided by law. Any parents (or student who is 18 or over) who refuse to permit disclosure, must notify the school Guidance Counselor in writing at: Stockbridge Valley Central School, P.O. Box 732, Munnsville, New York, 13409 on or before October 1, 2014, of the types of information that they do not want disclosed. Forms to be used for this purpose may be obtained from the Guidance Office at P.O. Box 732, Munnsville or call 495-4450.

## From the Health Office

As part of a required school health examination, a student is weighed and his/her height is measured. These numbers are used to figure out the student's body mass index or "BMI". The BMI helps the doctor or nurse know if the student's weight is in a healthy range or is too high or too low. Recent changes to the New York State Education Law require that BMI and weight status group be included as part of the student's school health examination. A sample of school districts will be selected to take part in a survey by the New York State Department of

Health. If our school is selected to be part of the survey, we will be reporting to New York State Department of Health information about our students' weight status groups. Only summary information is sent. No names and no information about individual students are sent. However, you may choose to have your child's information excluded from this survey report.

The information sent to the New York State Department of Health will help health officials develop programs that

make it easier for children to be healthier.

If you do not wish to have your child's weight status group information included as part of the Health Department's survey this year, please print and sign your name below and return this form to:

## Jarret Jacobs & Jacob Ax Attend the FFA Washington Leadership Conference

High school students from throughout the country spent a week of their summer vacations undergoing training that will help them identify their strengths, establish personal goals and strengthen leadership skills.

Jarret Jacobs, Jacob Ax and Ms. Erin McCaffrey attended the National FFA Organization's 2014 Washington Leadership from the Stockbridge Valley FFA. They were joined by more than 340 students and teachers from throughout the U.S..

During the week FFA members received instruction and training led by education professionals, counselors and FFA staff Through workshops, seminars and small groups, students studied the best practices to advocate for agriculture and agricultural education and learn about the importance of valuing people, taking action and serving others.

While in the nation's capital, students toured Arlington National Cemetery, the U.S. Capital, enjoyed a night tour of national monuments and visited the Smithsonian. Students also shared needs of their respective communities and worked together to create a community service project that their FFA chapter can implement in their home towns.

The conclusion of the week at the Washington Leadership Conference is a day of community service. This year, through the sponsorship of the Feeding Our World Starting at Home sponsors, the 340 students during the week packed 57,216 highly palatable meals that were distributed directly to the food insecure of Washington, D.C. The conference also offered the

opportunity for students to engage representatives from sponsors companies CSX, Monsanto, TransCanada, Farm Credit, and Crop Production Services to learn about their operations and discuss future career opportunities.

Dear Parent/Guardian:

Welcome to the 2014-2015 school year. We hope your child is looking forward to new learning opportunities and being involved in our academic, extra-curricular, and school lunch programs.

We wish to encourage the participation of your child in the school lunch program for the coming year. Please review the information regarding the Free/Reduced Price Breakfast and/or Lunch program and be assured that all information is handled in a confidential manner and is not specifically identifiable as children enter and exit through the serving line.

We understand that finances in many households may have changed over the last few years, therefore, if eligible, we encourage you to complete the Free/Reduced Application for the Breakfast/Lunch program as it also directly supports and relates to the District's eligibility for State Aid in financing our school programs. If you need assistance, please contact us.

**For the 2014-15 school year, breakfast and lunch prices are as follows: breakfast- \$1.25 and lunch will be \$1.80 per child (lunch prices have increased by \$.05/meal).** Our School Lunch Cook-Manager continues to introduce new items to the menu, while meeting required guidelines for nutrition and we hope your child will try the new items.

Additionally, the district will continue to offer the "MyLunchMoney" online service which allows parents to pay for school meals via credit/debit card or electronic check and monitor student cafeteria purchases, balances, and spending limits. Please see the back side of this letter for information about how to enroll.

If you have any questions regarding the Breakfast/Lunch program, please contact Ms. Kathy Carney, at 495-1909. You may also contact the school for information at 495-4400.

We look forward to your participation and a successful school year.

Sincerely,

Beth S. Lamb  
Business Administrator
