A MESSAGE FROM THE SUPERINTENDENT...

Arriving here in late May, I have enjoyed meeting and working closely with the Stockbridge Valley staff and students, Pre K through 12. The individual attention and the caring for one another is obvious. Students enjoy coming to their school!

During a beautiful graduation ceremony held on June 22nd, we collectively bid farewell to 43 fine young men and women. Their accomplishments were recognized earlier at their awards ceremony. We had 43 students receiving Regents diplomas, 1 IEP diploma, 7 students earned Regents

diplomas with Technical Endorsement, 13 students earned Regents diplomas with Distinction, 4 Regents diplomas were with Honors and 16 Regents diplomas were with Advanced Designation.

The school office hours from July 9th through August 24th will be from 6:00 a.m. to 4:30 p.m. On August 27th we will return to our regular office hours.

Thank you to everyone that helped to make all of this possible. Your on-going support is greatly appreciated. Congratulations to Mr. Douglas Reed, Board President, for a job well done. On July 1st, Mrs. Barbary Reaves will begin a three year term as the newest member of the Board of Education.

Have a safe and enjoyable summer.

Respectfully,

Dr. Patrick J. Curtin

Dr. Patrick J. Curtin • Interim Superintendent

Stockbridge Valley Central School District Mission Statement

The mission of the Stockbridge Valley Central School District is the education of all of its students, including but not limited to, the areas of intellectual, social, physical, and psychological growth.

The purpose of this education is to give each student the skills, knowledge, understandings of relationships, ability to analyze and solve problems, and guidance in moral, social, and ethical behavior necessary to become an independent being, able to function in an ever increasingly complex global and technological society.

In pursuing this endeavor, the members of the Stockbridge Valley Central School District and its community will strive to mold a society in the image that it wishes to be, rather than accepting it as it is.

5th Grade

Imagine stepping off a school bus one summery morning and stepping back into time. That's what students from Stockbridge, Madison, Morrisville and Hamilton did on Friday, June 8th. Once again Civil War Day was a great success. We traveled from station to station exploring all facets of life during the 1860s. We practiced marching, played with toys from this time period, shopped at a General Store and listened to fascinating stories about the challenges faced by soldiers and civilians during the Civil War era. Several presenters commented that the students from Stockbridge were the most polite and best behaved.

Mrs. Meneses and Mrs. Roberts hope that all our fifth graders and their families have a wonderful summer.

Read All About It!

As you know, math is all around us! One can create a mathematical equation just about anywhere! The weather has been so beautiful this season that we were able to do just that in math AIS this year! Living in CNY we have to take advantage of the beautiful days because they seem far and few between. We participated in a sidewalk chalk activity in 4th grade, focusing our efforts on adding and subtracting fractions. In 5th grade we actually engaged in an outside

Mrs. Smith

math lab activity that involved perimeter and area. This activity also instilled the idea of being able to work and maintain focus in different environments other than the classroom setting. Both groups did an amazing job!

Time & Time Again!

Over the course of our 6th grade year – we did a lot of reading. One of our stories we read had a protagonist that made a time capsule. This evoked a lot of conversation and together, as a class, we decided to make our very own time capsule. In history, time capsules

have been used to communicate with the future. Inside our time capsule we placed some meaningful artifacts and some writing samples. We plan to dig up our time capsule upon graduation in the year 2018! A very special thanks goes out to our maintenance staff for the use of their tools! Have an enjoyable summer season.

Select Choir Performs at Annual Dinner

The Stockbridge Valley Select Choir performed at the 3rd Annual James & Dolley Madison Dinner honoring the Community Action Partnership for their exceptional service to the Madison County community. They are pictured here with NYS Attorney General Eric Schneiderman who was the keynote speaker. This was a great opportunity for the students to show their talents to Sen. David Valesky and Assemblyman Bill Magee who also attended the dinner and spoke.

News from the SVCS Marching Cougar Regiment

The S.V.C.S. Marching Cougar Regiment is winding down after a busy season. We have marched in several parades including the Canastota Boxing Hall of Fame parade and attended the Sherburne Pageant of Bands as spectators. We will also be attending the Drums Along the Mohawk Drum & Bugle Corps competition as spectators on the 2nd of August.

The Cougar Regiment would like to thank everyone who helped with the now Annual Pie Sale Fundraiser. We raised over \$600 from the fundraiser and hope to hold it again in the fall in time for Thanksgiving. The monies raised helped to purchase new uniform tops for the color guard and other marching accessories. Thank you for your support!

The Cougar Regiment will be marching in the Ruritan Community Fair Parade on Friday, July 27 at 7:00 p.m. We hope to see you there. Thank you again to everyone for supporting our efforts!
