Upcoming Votes

On Tuesday, March 13th, we will be proposing the purchase of one small and one large school bus. These will replace two buses which both have about 100,000 miles on them. After our transportation aid is deducted, the purchase of the two buses will cost the district a total of approximately \$20,000. Regular replacement of busses over the past few years has allowed the district to reduce its maintenance costs, thus creating significant savings for district taxpayers.

Tuesday, May 15th, is the day the district-wide vote is held for the 2012-2013 school budget. Over the past three years our school district has taken significant reductions in state aid. Unfortunately, these cuts have targeted high need schools (like SVCS) unfairly. Add the new property tax cap to the substantial cut in state aid and this creates major problems for poor districts. We continue to review every line of our budget to find efficiencies and areas that we can trim costs while attempting to have a minimal impact on school programs.

Along with the school budget vote, community members will also have the opportunity to vote for school board members. There are three seats up for reelection this year. If you are interested in serving on the school board,

petitions will be available in the District Office from March 16th through April 16th between the hours of 8 a.m. and 4 p.m. If you have questions, please contact Pam Mennig at 495-4400.

Please know that we understand that local taxpayers cannot be asked to shoulder the burden of drastically higher property taxes!! We will continue to do everything humanly possible to provide our community with a budget that is kid-friendly and fair to our taxpayers. Our public presentation of the budget will occur in early May. In the meantime, if you have any suggestions/questions/concerns, please feel free to e-mail me at cchafee@stockbridgevalley.org or call 495-4400. Thanks!!

Write your Senator and Assemblyperson!!

Last month I met with faculty and staff and I shared with them the current fiscal situation of our district as well as other district's like SVCS. Many of them asked what can be done. Write letters. Send e-mails. Make phone calls!! Pass this information on to everyone you know and encourage them to do the same. Post the letters on facebook, twitter, etc. Produce a YouTube video. The sky's the limit!! We have time, but time is ticking fast!! Please do everything you can to get the message to

continued on next page

Stockbridge Valley Central School District Mission Statement

The mission of the Stockbridge Valley Central School District is the education of all of its students, including but not limited to, the areas of intellectual, social, physical, and psychological growth.

The purpose of this education is to give each student the skills, knowledge, understandings of relationships, ability to analyze and solve problems, and guidance in moral, social, and ethical behavior necessary to become an independent being, able to function in an ever increasingly complex global and technological society.

In pursuing this endeavor, the members of the Stockbridge Valley Central School District and its community will strive to mold a society in the image that it wishes to be, rather than accepting it as it is.

DISTRICT NEWS DISTRICT NEWS DISTRICT NEWS

our elected officials. For many, the only thing they understand is getting reelected. WE MUST HAVE MORE EQUITABLE FUNDING TO LOW WEALTH-HIGH NEEDS SCHOOL DISTRICTS, LIKE SVCS!!

I have produced a couple of sample letters. This first one is a "cafeteria" type. Simply copy and paste the paragraphs you want to use for each of the four sections. The names and addresses of the elected officials are included at the top of the page. Simply copy and paste as well. I also have a letter from a teacher in the Morrisville-Eaton school district who lives in Canastota. She produced a generic letter that you can use—simply modify as you wish. If you would like a copy of these letters, please e-mail me at cchafee@stockbridgevalley.org

Family Watchdog

Madison County Office of the Sheriff is pleased to announce a partnership with Family Watchdog. Family Watchdog can proactively notify you when a registered sexual predator moves within five miles of a given address that you care about. You may use any address that you want; home, school, church, playground, day care center or a parent's house. Whatever address is important to you. Sexual predators have no physical borders and are not confined to any given socio-economic group. This service uses email as a primary notification mechanism. They receive data from multiple sources and combine and cross reference the data from all sources in order to provide the most possible coverage and protection. Family Watchdog can also track of-

fenders and send you notifications if the specified offender has a change. Family Watchdog allows you to see where registered sexual offenders live around you. There is no fee associated with looking up offenders and viewing maps. All are welcomed and encouraged to sign up. <http://www.madisoncony.familywatchdog.us>

Stay fit during—your school is open for Walkers!!

The school is open for people interested in walking indoors. Beginning in October, the building has been open from 5-8 pm, Monday through Thursday evenings. Entrance is through the Elementary Tunnel. Please bring walking sneakers with you to prevent slips due to wet floors. If you have any questions/suggestions, please call Pam at 495-4400.

Home Energy Assistance Program (HEAP)

Energy prices are starting to creep up, just in time for winter. The income limits are listed in the HEAP brochure, but if a family qualifies for free and reduced lunch they will meet the guidelines for HEAP. Please pass this information on to someone who can take advantage of this. Call Madison County at (315) 366-2211 or (315) 366-2720, if you have questions. Although funding was cut for this year, there is still money available for many families as well as for emergency situations (e.g. furnace breakdown, etc.)!!

Charles Chafee
Superintendent of Schools

Senior Night

Dear Stockbridge Valley Business Owners and Community Members,

"Believe it or not, the SVCS Eighty-Fourth Commencement Ceremony is less than one hundred school days away."

The Stockbridge Valley Seniors have been busy preparing for and applying to colleges for next year. These seniors have many aspirations and hopes for their future. Every year Stockbridge Valley Central School hosts a Senior Class Night for our graduating class. This class night is important to our seniors because this is an opportunity for them to receive awards/scholarships and recognition for their hard work. Throughout the years, Stockbridge Valley Central School has been very fortunate to count on monetary donations from parents, faculty/staff members and community business owners to

fund those awards. The donations collected are placed into a general scholarship fund and are then used to recognize our senior class for their academic achievement, service to the community and dedication to SVCS. At this time, we again are asking for your charitable donation to help us honor the students that have helped make our community and school district a place of which we can be proud.

On behalf of the Guidance Office, Faculty/Staff Members and Administration, we are extremely proud of the Class of 2012 and for the potential of their future accomplishments.

If you feel you can support our students at this time, we kindly ask that you return your contribution made payable to Stockbridge Valley CSD Treasurer at P.O. Box 732, Munnsville, NY 13409 or stop by the Business Office by Friday, April 27th, 2012.

Thank you for your continued support as we pay tribute to the great students of this community.

Sincerely,

The SVCS Guidance Department and Administration

Sport Physicals

In February, parents of students in grades 6-11 will be receiving sports physical questionnaires. If you would like your child to have a sports physical by the school physician, this questionnaire must be completed, signed and returned to the nurse's office by March 23rd, 2012. No student will have a physical without a completed and signed questionnaire. The physicals will be done in April and May 2012. If you have any questions, please call 495-4500.

DISTRICT NEWS DISTRICT NEWS DISTRICT NEWS

KINDERGARTEN REGISTRATION

Kindergarten registration for the school year 2012-2013 will be held at Stockbridge Valley Central School on Monday, March 5th, 2012 through Friday, March 9th, 2012 from 8:30 a.m. to 3 p.m. in the elementary office. Any child who will be five years of age on or before December 1st, 2012 is eligible to be enrolled in kindergarten. Even if a child attends the Pre K program, they still need to be registered for kindergarten.

Registration is necessary before a student can begin school. It is not nec-

essary for the child to be present at the time of registration. However, the District requires that a parent bring the child's birth certificate, official immunization record of his or her shots and proof of residency (mortgage/lease or utility bill). Any pertinent legal papers should also be provided at this time. According to New York State Law, all children must have a certificate showing complete polio, diphtheria, regular measles, German measles, mumps, varicella and hepatitis B immunizations before entering school.

If the established dates are not convenient, parents may contact Mrs. Norine Miller in the elementary office at 495-4550 to make other arrangements.

Adult Mentors - Wanted

Parent volunteers offer a huge resource and support base for the school community while showing our kids the importance of participating within the school. Whether you are a parent, grandparent or community member who would like to volunteer a few extra hours each week we would like to hear from you. Would you be willing to assist in the cafeteria, work on math facts or read to our elementary children? If so, please call Mr. Petrilli at 495-1805 or e-mail wpetrilli@stockbridgevalley.org to discuss your support in more detail.

To the Stockbridge Valley School Community,

It never ceases to amaze me how this small community pulls together time after time to help its' people. As you all know, I have had health issues the past few months. I would like to thank everyone for their many prayers, moral support and acts of kindness.

I would like to express a very special thank you to the "Fab Four" and everyone involved with the fund raising for Joe and I. From the baking to all the cool ideas. Brittany LaLonde, Dana Smith, Danielle Smith and Morgan Rood, girls, you truly are a blessing in the Stockbridge Community. Not only have you given of yourselves, you have grasped hold of something special at a very young age. Well done ladies, my hat is off to you. At this most joyous occasion of the year, may you and your families be blessed and be prosperous in the New Year.

I would like to remind everyone that there is a benefit on January 28th at the Munnsville Legion for Joe (Hawver). Live entertainment, raffles, some great food, as well as some good times to be had by all. Hope to see you there.

Thank you,

Dave Fort

HIGH SCHOOL NEWS HIGH SCHOOL NEWS HIGH SCHOOL NEWS

Awards and Recognitions

Each new school year brings an opportunity to examine the procedures we use in our school. At Stockbridge Valley Central School students have been recognized for their accomplishments in many different ways. In the past there have been awards assemblies that provided recognition for students.

This year we will be trying a different approach to student awards. Students will be rewarded for good citizenship or academic excellence or their perseverance by class recognition. These awards will be provided by teachers during classes. Some students may be recognized by administrators. This award is for students who stand up for what is right.

Juniors who have the highest grade in their Regents Exams will receive a free yearbook. Student Council is purchasing the yearbooks for the students.

Students who have perfect attendance will receive a certificate and be recognized in the District Newsletter.

Each quarter high school students who qualify for the honor roll will receive a certificate and a small token of recognition. This could include a snack bar food item or a sundae party.

Each month there is an Elementary Character Education Program which recognizes specific character traits of individual students. This includes students who are good bus citizens. These students receive a certificate and are honored at the monthly assembly.

HIGH SCHOOL NEWS HIGH SCHOOL NEWS HIGH SCHOOL NEWS

In each monthly newsletter there will be a section for awards and recognitions. All of the above award winners will be recognized in this section. I hope that this recognition will continue to promote excellence in academics and good citizenship in our school.

Awards and Recognitions

Jolene Mitchell stood up for what is right.(1)

Perfect Attendance 2010-2011. (2)

Students with Highest Regents' Grades as Juniors in 2010-2011. (3)

Students on the honor roll for First Quarter. (4)

A big thanks to Dana and Danielle Smith, Morgan Rood and Brittany LaLonde for their tireless efforts to raise money for our two beloved bus drivers that have been sick and unable to drive. The girls spearheaded several fundraisers including a bake sale, staff jean week and hat days. In addition, the young ladies solicited money from the clubs

and organizations in our school. They were able to present checks to Joe Hawver (5) and Dave Fort right before Christmas. (6)

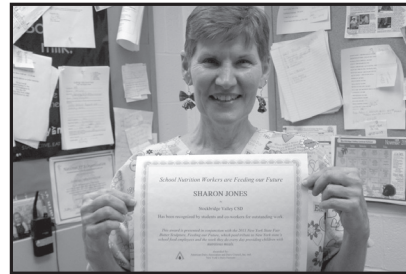

By Mrs. Fritz

Sharon Jones Recognized

For those of you that visited the New York State Fair this year, you may remember the butter sculpture, "Feeding Our Future" which paid tribute to the hard working men and women who feed our students in the school cafeterias. Sharon Jones received a certificate recently recognizing her for her hard work and dedication to the students of Stockbridge

Valley. Sharon has been employed at S.V.C.S. for the past 26 years, and as cafeteria manager Hollie Ackerman states, "She runs a tight ship!"

Congratulations, Sharon!! Thanks for all you!

From the Guidance Office

As college acceptance letters begin to trickle in during the next few months, be sure that your seniors bring in a copy to the Guidance Office so we can shine a spot light on them in the upcoming newsletters! We would like to CONGRATULATE the following students on their College Acceptance(s):

- Christopher Baker, III was accepted to Onondaga Community College
- Catrina Collins was accepted to Mohawk Valley Community College, Onondaga Community College and Keuka College
- MaKayla Glauer was accepted to Utica College and Mohawk Valley Community College
- Brittany Huckabone was accepted to Mohawk Valley Community College
- Alex Kiehn was accepted to Morrisville State College
- Samantha Manaseri was accepted to Mohawk Valley Community College, Herkimer County Community College and Onondaga Community College
- Kasey Nazel was accepted to Mohawk Valley Community College and Onondaga Community College
- Emily Oot was accepted to Savannah College of Art and Design (SCAD)
- Matthew Phillips was accepted to Mohawk Valley Community College
- Allison Smith was accepted to Tompkins Cortland Community College
- Ryan Thorna was accepted to RIT

Junior Prom

The Junior Prom will be held on May 12th, 2012 at Madison Hall in Morrisville. There will be a crowning in the Charles E. Stratton Auditorium before the Prom begins.

2012 Yearbooks

The 2012 Yearbook is on sale now. Please make checks payable to MECS Yearbook for \$55. Elementary yearbooks are also on sale for \$12.

2011 Holiday Basket Drive

The 5th Annual Holiday Basket Drive was the most successful yet. Thanks to generous donations from clubs, individuals, and organizations,

we were able to deliver 20 baskets to St. Theresa's Church in Munnsville.

Photos courtesy of Mike Jacquays

NHS Thanksgiving Food Drive

The National Honor Society students held their annual Thanksgiving Food Drive all during the month of November. This year was one of the most successful drives to date. The students go from classroom to classroom every morning in November. They push a grocery cart through the halls collecting non-perishable food items donated by the SVCS student body. Teachers run contests and offer incentives to the students to bring in donations. The Honor Society donates the food to local food pantries and churches. Thanks to all who contributed to another successful food drive.

National Junior Honor Society

The National Junior Honor Society 9th grade students attended a day of community service at the Syracuse Rescue Mission on December 15th, 2011. The group was divided into 3 teams providing different services at different places on the Rescue Mission Campus. One team worked in the kitchen preparing turkeys, sorting food, and serving lunch with a Christmas smile. The other two groups worked on sorting food bags for families in Auburn that would be delivered during the Holidays, and

decorating gift bags for the Christmas meals to be delivered on Christmas day. Another group sorted clothing donations by size and adult versus children clothing, then bagged these to go to the store which was not open that day. Kally DeGroat said she really enjoyed serving the men and women their lunch, and that the people were appreciative and friendly. Being reminded how much we have at Stockbridge and in

our own families helps us appreciate our time with family at Christmas even more.

2nd Annual District 5 Jr. High FFA Workshops and Kickball Tournament

As the youngest members of the FFA, Jr. High members rarely have FFA events exclusively for them. The Sr. High members of the Stockbridge Valley FFA chapter decided to host a workshop specifically for Jr. High members in District 5.

The 2nd Annual District 5 Jr. High Workshop and Kickball Tournament, on December 10th, gave Jr. High members a chance to meet other members in our district including Hamilton, Madison, VVS, and Stockbridge Valley. The event was well attended with 63 members present. Members participated in workshops run by NY FFA State President, J.W. Allen, NY State Reporter, Miranda Parkhurst and District 5 President, Kaylin Broadwell. Following the workshop members participated in a kickball tournament, where teamwork and good times were had.

At the end of the day pizza was served for dinner.

The 2nd Annual District 5 Jr. High Workshops and Kickball Tournament was a huge success. We hope that everyone that came had lots of fun and we look forward to seeing you next year.

Respectively Submitted,

Sasha Demenezes • Stockbridge Valley FFA Reporter

Music News

The Music Department had a busy fall and is looking forward to a musically satisfying winter and spring! Congratulations to all the students who participated in "The Music Man". The show was a success! Students learned about stage etiquette and acting techniques, as well as developed their vocal skills. Working as a team toward a challenging goal proved to be worthwhile for all involved!

The weekend after the musical four students participated in the New York Area All State Chorus at Oneonta College. Great job to Travis Kirk, Kimberly March, Dale Durant, and Makayla Glauer. These students scored above a 95% on their NYSSMA solo last spring and were selected to be a part of the honors choir. We look forward to having more students participate in the future.

Several students who auditioned for and were selected will be participating in the January All County Festival. This is a great opportunity for our students to create music with musicians from all over the county. Congratulations to Kayla Smith, Megan Lamb, Elizabeth Collins, Megan Trew, Catherine Meeker, Nicholas Misiaszek, Sarah Papa, Matthew

Stockbridge Valley Central School District

Papa, Emily Oot, and Travis Kirk.

Also coming up is our annual Madison/Stockbridge Exchange Concert which will take place on March 6th, 2012 at Madison Central School. The theme this year is Peace. We are excited to share a night of music with you!

We hope to see you at our Pancake Breakfast on March 25th! Enjoy some pancakes and afterward check out how the maple syrup is made at the FFA Sugarhouse Open House.

Musically Yours,

Mrs. Belanger and Mrs. Meyer

YOU ARE INVITED...

To a Gold, Silver & Diamond Party Fundraiser to benefit the Class of 2012.

Sell your unwanted gold, silver, platinum and diamonds-get paid on the spot!

- Party of Gold will donate: 15% of all gold & diamonds, 10% of all silver they pay out.
- Hosted by the Class of 2012
- Wednesday, March 7th (Snow Date March 14th)
- Open House 3 p.m. – 7 p.m.
- Stockbridge Valley Cafeteria

Accepting yellow, white, rose and gold, as well as platinum and silver jewelry. In addition, silver platters, bowls, candle sticks, flatware etc. and silver coins 1964 and prior (no nickels.) Will purchase diamonds .25 ct. and larger. Jewelry with stones? They can remove most stones and return them to you.

Your support will be truly appreciated!

Be charitable and profitable all at the same time.

Questions: Mrs. Cameron, Senior Class Advisor

First Grade

It is hard to believe that we are almost half way through the first grade school year already! We have been counting every day, and we are close to the 100th day of school. Each day has been a great adventure with so many new things for us to learn.

In math we just finished Unit 5 on Addition Facts to 20. We worked on problem solving by doing two-question problems, and word problems with three addends, as well as adding three numbers. We are starting Unit 6 on Subtraction Facts to 20.

With the completion of Theme 3 in reading, we covered a variety of skills such as story details, plot, setting and comparing/contrasting. We learned 42 new sight words as well as 10 different spelling words every week!

As part of our study in science on animals, we discovered the difference between vertebrate/invertebrate, kinds of coverings animals have (fur, hair, feathers, scales), and how they move (legs, wings, flippers).

December was a very busy month. Mrs. Belanger helped us work hard and practice for the Christmas concert. First graders did an excellent job at their performance.

Check out our websites for more information about upcoming events and what is going on in our classrooms.

Mrs. Holmes & Mrs. Henriksen

4th Grade

The fourth grade students recently completed a project about the Native American Indians of New York State. Each student was required to research and learn information about one aspect of Native American life. The fourth grade curriculum involves learning about the Iroquois and Algonquian Indians. The students then used that information to write a report about Native American life in New York State and created a project to go along with their report. All of the students did a wonderful job. The projects were outstanding! Parents, students and staff were able to observe the projects on display during the week of parent-teacher conferences. Thank you to all of the families who contributed to such a fun learning experience.

Mrs. Dixon & Mrs. Passante

5th Grade

Our school year is nearly half over and our fifth grade program has been action packed. We ended the 2011 part of our school year with two exciting events.

On December 12th we held our DARE graduation in our school auditorium. This was a culmination of a fifteen week program. Through a variety of activities and discussions, fifth graders learned the strategies and facts they will need to stay drug free. We enjoyed short speeches, awards, a slide show and presentation of certificates. At the conclusion of the ceremony, each student received a special gift, followed by refreshments in the cafeteria. We are confident that the skills acquired in DARE class will be useful in making wise choices in the future.

A second noteworthy event was our trip to Utica to tour the Munson-Williams Proctor Art Museum and Fountain Elms. We were inspired by famous paintings and sculptures in the art museum. The fifth graders enhanced their holiday spirit by learning about Christmas traditions in Victorian times. We topped off our trip with a tasty lunch at McDonalds. The teachers and chaperones were proud of the students and the way they represented our school.

In the weeks ahead we will gear up for the state assessments and continue to do all we can to encourage our fifth graders to do their best in every way!

Mrs. Meneses & Mrs. Roberts

Math = Fun at Stockbridge Valley

Shaving cream + math concepts = a great time. On December 2nd, 2011 we had a great day in 4th grade AIS (academic intervention services.) The 4th graders were invited to bring a buddy to AIS. Often times, kids feel like they are missing out on the fun either by having to go to AIS or not being part of AIS. As the saying goes, the grass is always greener...

Once everyone finished the paper/pencil spiral review task, they traded that "ticket" in for a smock and some shav-

ELEMENTARY NEWS ELELMENTARY NEWS ELEMENTARY NEWS

ing cream. Mrs. Jones and Mrs. Smith would put up a new math problem on the board and the kids would eagerly try to attempt the problem.

We smoothed out the shaving cream on the tops of our desks and students would write the equations with their finger. Who knew shaving cream could be so useful? Not only were the problems easy to erase, but it was also just a fun way to review math concepts!

Giraffe Residing in S.V.C.S. Library

Did you know giraffes love to read? At least the one taking up residence in the library with Mrs. Aronowsky does. This five and a half foot tall creature is sitting atop a stack of books, reading and grinning ear to ear.

He (or she) was donated to Stockbridge Valley by Alex and Joyce Stepanski who presented it to the school during this year's elementary Christmas concert. Mr. Stepanski explained that his wife spotted the giraffe statue while on vacation last spring and thought what a great addition it would make to the school library. They had it commissioned and shipped from Cozumel, Mexico to Munnsville.

Mrs. Stepanski told the audience that every time she saw the statue it made her smile. (*This was quite often because it was sitting in the corner of her dining room since the end of June.*) She hopes it will do the same for the students at S.V.C.S. and will also encourage a love of reading.

The students and staff of S.V.C.S. would like to send a special THANK YOU to the Stepanski's for their generous, fun-loving donation. In the near future, Mrs. Aronowsky will be organizing a contest for students to name the amiable giraffe.

A special thanks goes out to Teresa Meeker and MaKayla Morris for their help and support. Without the extra help in the room, none of this would have been possible. It is great to work in such a caring, motivating, and creative environment!

May Your Integers Always Be Positive!
