

Board of Education Goals

2022-2023

Goal 1 - Educational

- Establish district-wide expectations and opportunities that lead to optimal student growth and learning in the areas of academics, technology, and social/emotional development.
- Measurement - review curricular and AIS programs and initiatives to ensure all student needs are being met.
- Expected results - Our district will offer students all resources necessary to ensure they are successful and fulfilled citizens while being happy, confident, and engaged learners.
- * Develop a 3-5 year formal plan.

Goal 2 - Fiscal/Building

- Provide a sound budget that considers our educational, building, and ecological goals, while being fiscally responsible for both planned and unforeseen events.
- Measurement - Oversee the budget development process annually.
- Expected Result - Pass a fiscally responsible budget. Building/ecological improvements - septic system, safety upgrades, auditorium upgrades.
- * Develop a 3-year financial and projects plan.

Goal 3 - Communication/Community Outreach

- Expand our relationships with the community and varied stakeholder groups. Ensure the entire community is aware of the many events that take place at the Shelter Island School.
- Measurement - enhance posts on social media. Articles in SI Reporter, SI Gazette, and Newsday. Greater awareness of how amazing our school is.
- Expected Result - Increase community awareness of our school. Increase community involvement in our school. Increase community service for our students outside of school.
- * Develop a 3-5 year formal plan.

Goal 4 - Leadership/Culture

- Establish a climate of mutual trust within and among the Board of Education, administration, faculty, staff, students, parents, and the community at large. Support district-wide culture of personal leadership and ownership.
- Measurement - Maintain honest and open dialogue. Provide PD for all stakeholders involved. Lead by example. The culture should be set by the BOE > Superintendent > Administration > Staff > Parents > Students.
- Expected Result - Increased trust among all stakeholders. Positive, safe, and inclusive learning environment where everyone acts with respect and collaboration while seeking equity and excellence.
- * Develop a 3-5 year formal plan.
