

2024-25 Textbook List – Summer & Fall

This list is a fully hyperlinked document to help make ordering easier. **Please review special notes marked in each section with an * asterisk. They contain vital information.** If a particular format of book (print or digital) is required – that will be stated. If no particular format is required–you can choose any format.

You can use the ISBN and title information provided on the list to buy from other sellers. We suggest you compare prices. Always use the ISBN when searching for textbooks online.

NEW PAGE – Books that changed for fall. [Check out this pg.](#)

We recommend using Chrome web browser as some of these linked webpages do not work properly with Safari browser.

Please consider selling and buying used textbooks with other JSerra families. See our [Used Textbook website](#).

Summer 2024 Textbooks are found on page 22: [Link](#).
For **Summer Assignments**, visit this webpage: [Link](#).
[Online Dept.](#) classes do not list books on this Textbook List.

For fall textbooks, it is best to order in early to mid-July to avoid backordered textbooks. It is easier to deal with returning a book if a class schedule changes than to have backorders. Please review vendor return policies when you order.

Questions? Email Librarian, Ms. Jeanne Swedo: jswedo@jserra.org

TABLE OF CONTENTS

If there is an asterisk * next to a book ISBN – please see the applicable * note below that section.

To use the links – click on any open white space on page – then hold down CTRL key while left-clicking link with mouse.

(see asterisk instructions on next page)

** Have student bring a printed confirmation of purchase of the digital book to class (a copy of your order) so the teacher can provide the digital access. Access will then be found in the student's Schoology account. The teacher can help student find this access point.

****French *D'Accord* books are a bundled purchase of print textbook, SuperSite Plus and vText. These books must be purchased NEW. If textbook is purchased used – You must still purchase the SuperSitePlus and vText digital access from the publisher, Vista Higher Learning. Both options to purchase are listed above under the class & link provided.

Notes & Other Instructions (linked from the list) (Info on Savvas/Pearson books)

Digital book access:

Some of our Savvas/Pearson textbooks provide digital book access through the student's Schoology account. Please be aware that you still need to purchase the digital license for these books. You are purchasing a digital license to Realize – a software platform from Savvas. The publisher sends us a report showing the purchases, and the access will be provided in class.

Student access to the digital book depends on which platform the book is housed on. Here is information on that for both Savvas Realize textbooks and higher-level classes:

1. Savvas Realize access in student Schoology account:

Textbooks for the following classes are on the Savvas Realize platform:

American Government (CP)	AP Spanish	U.S. History (CP)
Biology & Foundations of Biology	Chemistry & Conceptual Chemistry	
Economics	Environmental Science	
Latin 1	Spanish 1-4	

The student should bring a PRINTED proof of purchase of digital book to class.

The teacher will then provide digital access through Schoology.

2. Savvas Higher Level Courses:

The following classes' textbooks are on the Mastering, Modified Mastering, MyMathLab, or MyPoliSciLab software website: [Link to site](#)

AP Biology	AP Physics 1 & 2	Algebra 1 Honors
Alg. 2/Trig. Honors	Anatomy & Physiology H	Astronomy
Concepts of Genetics	Intro to College Math	AP U.S. Gov. & Politics

If you buy a digital book only (no print book) – the Student access code will be emailed to you in 2 to 4 business days. Teacher will provide the Course ID/teacher access code. Bring printed proof of purchase to class. -or-

If you buy a bundle of digital book with print book – The print book will be mailed to your address in a shrink-wrapped bundle. Inside will be a card with the Student Access Code. Teacher will provide the Course ID/teacher access code. Bring printed proof of purchase to class.

FOR AP GOV only: Please send your confirmation of purchase of the digital product to Jeanne Swedo so the license can be provided. Email to: jswedo@jserra.org

Info on the Parent Used Textbook Exchange website

Ms. Swedo moderates the used textbook website to ensure that no out-of-date or otherwise incorrect textbooks are listed for sale.

When using the Textbook Exchange – please review the current Textbook List *first* to ensure the class is being offered, and the textbook you have is still being used. I will delete any listings that offer books that JSerra does not use in its courses.

If you posted a book and wish to edit the listing – Ms. Swedo can edit listings for you.

She will remove your listing after you sell the item.

Please email Ms. Swedo for edits to listings and after selling the item so it can be removed and the list can be kept up to date.

Email to: jswedo@jserra.org
