

Be a Foster Parent... Change a Life

With over 13,500 children placed in foster care services each year in Pennsylvania, there is a critical need to provide a safe and secure place to call home. Merakey is looking for **foster care parents** to provide that home.

Together, with a support team from Merakey, foster care programs work with children and adolescents who cannot live with their own families.

When children are in a safe and secure home, they are given the chance to:

- Develop their unique personalities in a healthy environment
- Attend school and complete their educational goals with their peers, which could result in lifelong friendships
- Be part of a community where they have access to proper supports and resources
- Develop trusting relationships with family members

As a foster care parent at Merakey, you are:

- Compensated for your valuable care and services
- Given the chance to change the life of a child in need
- Respected and valued participants of a comprehensive support team
- Provided with the most up-to-date training and resources
- Supported by qualified and friendly staff, 24/7, including holidays
- Active participants of remarkable behavioral changes as a result of stable parenting
