Dare to SOAR!

SUNSET NEWS

A Note from the Principal

Sunset Families,

We are in the final month of our 2023-2024 school year. Thank you all for helping make the daily time change adjustment run smoothly. We really appreciate your partnership this school year.

We still have a lot of events happening as we end the school year. We ask that you continue to encourage your students to end the school year with positive behavior and effort on all assignments.

In May we celebrate Teacher Appreciate Week. Please consider helping with meals for staff. PTA will send out a sign-up sheet soon.

We need PTA officers. The next meeting is May 2, 2024 at 6:30 p.m. PTA helps with so many wonderful things at Sunset. Please keep looking for updates and upcoming events online.

The last day of school will be May 22, 2024 with normal dismissal times. I wish each of you a summer filled with adventure and family fun.

Best regards,

Dr. Brandon J. Cheeks

Principal

Grades K-Second - (9:00-11:00 a.m.) and grades Third-Fifth - (1:00-3:00 p.m.)

On Friday, May 17, Sunset Elementary will be having its annual Play Day celebration. All students will be participating in Play Day. Come out and cheer on your kiddos as they partake in ten exhilarating stations!

Each station will be ten minutes long. Two stations will have water and drinks for the students as they go through the stations.

Grades K- second will play in the morning: 9:00-11:00 a.m.

Grades third-fifth will play in the afternoon: 1:00-3:00 p.m.

Some stations will include water. (Students may get wet.)

A list of helpful necessities for your child on play day: sunscreen, tennis shoes, change of socks, comfortable appropriate outdoor play clothes.

We hope to see you all on Play Day!

Third Grade - Kansas Fitness Day

May is National Physical Education and Sport month and every year the Elementary Physical Education teachers from USD 305 sponsor a fitness day for third grade students. During our event over 700 third grade students from around the area will gather to celebrate physical activity, health and safety with two hours of fun fitness activities. In May 2023, nearly 750 third graders participated.

The 24th annual Saline County Kansas Kids Fitness Day (KKFD)

Friday, May 3, 2024

9:30 a.m. – 12:00 p.m.

East Crawford Recreation Area, Salina

Some of the sponsors for the event include Salina USD 305, Salina Fire Department, Salina Education Foundation, McPherson College, South and Central High schools, Southeast High School, Salina Parks and Recreation and numerous other community agencies. The purpose of KKFD is to promote physical activity, wellness and safety for third grade students in Saline County.

The site for all activities will be the East Crawford Recreation Area at the south end by the water tower. Opening ceremonies will begin promptly at 9:40 a.m. Activities will begin at 10:00 a.m.

Please be sure to put this event on your calendar if you would like to come watch and cheer on the students. If you have any questions or concerns, please contact P.E. teacher, David Weir, (785) 309-4567.

Spotlight on Fifth Grade

Mr. Wallace, Mrs. Barten, Mr. Davis

Fifth grade has been on the go recently. We've been traveling to some exciting places in Salina, and "beyond." Speaking of "beyond," several of our destinations have been focusing on traveling through outer space. Over the past couple of months, fifth grade has completed Starbase, donated to Match Madness, and traveled to the Cosmosphere.

Students completed the Starbase program where they got to program robots, fly in an airplane simulator, build and shoot off rockets and many other amazing activities.

Then we got to take a trip to the Salina Field House for the annual Match Madness event that is used to raise money for many of the non-profit organizations in Salina. We were fortunate, in that every fifth grader got to select a non-profit to receive a donation from a very generous donor.

Finally, we traveled to the Cosmosphere in Hutchinson. which focuses on teaching people about a wide variety of science topics.

Our fifth graders got to experience a dome movie to see what it's like on Mars. Then they got witness some very "explosive" experiment demonstrations. The trip ended with a walk through a museum showing the history of space travel.

With fifth grade Honor Night coming up next month, life in fifth grade has been pretty exciting lately. Some might even say, "it's been out of this world!"

Lost and Found

So many clothing items need to go home with their owners. Please stop by the school to look over the items and take home what is yours. Unclaimed items will be donated.

Helping Your Child Succeed

Three Ways to Prevent the Summer Reading Slide

Many children, especially struggling readers, forget some of what they've learned or slip out of practice during the summer months. Try these strategies to help your reader improve her reading during the summer and beyond. It can be hard to keep up a reading routine in a season packed with distractions and diversions.

These suggestions will fit into a busy schedule and make reading fun!

1. Six books to summer success

Research shows that reading just six books during the summer may keep a struggling reader from regressing! When choosing the six, be sure that they are just right – not too hard and not too easy. Take advantage of your local library. Ask for help selecting books that match your child's age, interests, and abilities. The Salina Public Library offers a fun summer reading program, so check it out and visit often!

2. Read something every day

Encourage your child to take advantage of every opportunity to read. Find them throughout the day:

- Morning: The newspaper – even if it is just the comics or today's weather.
- Daytime: Schedules, TV guides, magazines, online resources, etc. For example, if your daughter likes the food channel, help her look for a recipe on the network's Web site – then cook it together for more reading practice.
- Evening: End the day by having your child read to you from the book he is currently reading (one of the six books above). Have him rehearse a paragraph, page, or chapter before reading to you. Rereading will help him be more fluent – able to read at an appropriate speed, correctly, and with nice expression.

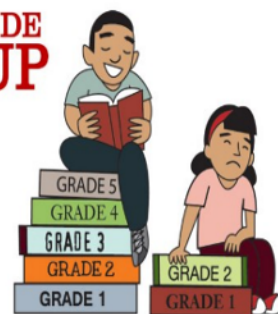

3. Keep reading aloud

Reading aloud benefits all children and teens, especially those who struggle. One benefit is that you can read books your child can't, so she will build listening comprehension skills with grade level and above books. This will increase her knowledge and expand her experience with text, so that she will do better when she reads on her own.

SUMMER SLIDE ADDS UP

When kids don't read over the summer they fall behind.

By the end of 5th Grade, kids in need are nearly 3 grades behind their peers in reading skills.
