## **HUSD Welcomes You**

Volunteer assistance in schools enriches the educational programs, enhances supervision of students, contributes to school safety, and strengthens the District's relationships with the community. Thank you so much for supporting Humboldt Unified School District as a volunteer. We hope that you will find it to be a rewarding experience.

### **Volunteer Categories**

- "Regularly-Scheduled Volunteer"—Someone who volunteers on a regular basis with a schedule that has set days and times.
- "Occasionally-Scheduled Volunteer"—Someone who volunteers only occasionally or intermittently (i.e. field trips, special events, etc.)

## **COVID-19**

Our ability to remain in in-person learning, while also keeping everyone safe, rests in our willingness and ability to relentlessly follow our protocols:

- Wear a cloth face mask at all times while on campus
  - Socially distance whenever possible
  - Wash hands/use hand sanitizer frequently, and avoid touching your face, mouth, or eyes ●
- Conduct daily wellness checks of yourself before arriving to an HUSD campus. STAY HOME if you don't feel well, are experiencing any symptoms of COVID-19, have been exposed to, or are being tested for COVID-19.

## **Rewards of Volunteering**

In sharing your time with students and staff, you will:

- Model service and volunteerism to our children and staff
- Establish valuable school/community partnerships that support quality education •
- Have the opportunity to offer your skills and talents
- Gain a better understanding of how children learn
- Have a chance to meet and work with teachers, administrators and staff •
- Obtain valuable new skills for the future

## **Time and Attendance**

Always sign in and out in the school volunteer log book. For your security and insurance coverage, the District must keep records reflecting volunteer days and hours spent at each site. Keeping track of volunteer hours also enables the District to evaluate the program and recognize our volunteers.

The teacher or staff member with whom you are working will schedule duties for you each day that you volunteer. It is very important that you notify the school office if you are unable to report for duty.

## **Confidentiality**

When you begin your volunteer position with the District, you will be asked to sign a Volunteer Code of Conduct (included in Handbook). It is important to remember that you may see or hear information regarding a student or staff which should not be repeated. Do not offer advice or express opinions regarding school policies or procedures. Most are approved and established by the Governing Board.

## **Emergencies and Illness**

If a student is injured or becomes ill during the school day, or while attending a school sponsored activity, it is the responsibility of any staff member, including volunteers, to render reasonable assistance and summon help. Immediately refer students who are ill to the school nurse. Do not administer any medication or give medical advice. Always follow school and District established policies and procedures.

Please do not come to work if you are ill. We don't want you to jeopardize your own health, and we want to protect our students and staff. One of the best methods to prevent illness is to practice good hygiene by washing your hands before eating and after using the restroom. You should wash for at least 15 seconds. Use running water, soap and friction. Dry with a paper towel and turn off the faucet with the towel.

## **Safety Rules**

Employees and volunteers are required to comply with District policies and procedures. Following is a list of some general safety rules for all volunteers.

- Under no circumstances should a volunteer place him/herself or anyone else in a dangerous situation.
- Work areas (on or off school site) are to be kept orderly and clean. Report unsafe conditions to your supervisor immediately.
- Protective equipment (i.e. goggles, shoes, gloves, etc.) should be worn when specifically required. Loose jewelry or clothing should be avoided.
- Follow good lifting practices; ask for help when needed; stack materials safely.
- Do not attempt to repair defective electrical equipment.

- Use tools and school equipment only for their intended purpose.
  - Know evacuation procedures and the location of alarms and fire extinguishers. •
- Always keep your personal property secured.

## **Working with Students**

- Relax and be yourself.
- Be friendly toward all students and staff.
- Follow school/classroom student discipline protocols.
- Be interested in the students' activities.
- Encourage and praise students for a job well done.
- Remember that students often respond better to suggestions rather than commands. •
- Don't do for a student what he or she can do for him/herself.
- Call students by name at each opportunity.
- Be flexible and don't be afraid to admit your mistakes, no one is perfect. Students are usually delighted by honesty and authenticity.
