**HAMPTON TOWNSHIP SCHOOL DISTRICT
2024-25 GENERAL FUND BUDGET**

General Fund Budget Summary:

The 2024-25 general fund expenditure budget of \$64,497,548 is an increase of \$3,105,659 or 5.06% from the 2023-24 final budget. The 2024-25 general fund budget revenue projection at the updated 2024-25 millage rate of 23.00 mills is \$64,197,548. This is an increase of \$3,205,659 or 5.26% from the 2023-24 final budget. Both increases are slightly inflated due to the addition of both a revenue and expense of \$286,618 for the 3-year technology equipment leases. Previous budgets only included the annual payments. This budget and future budgets will include the gross amount of the leases due to the new accounting standards. This is entirely a “paper” change and does not increase the budget or impact the tax rates.

* - The median property assessed value in Hampton is \$173,450 as of May 2024.

** - Net tax includes the reduction for the annual Act 1 homestead exemption.

The 2024-25 exemption is \$238 per homestead – an increase of \$39 or 20%.

State Gaming Distribution for Property Tax Relief:

The 2024-25 final state property tax relief allocation to the district is \$1,301,519. This is a significant increase of 20% over last year’s allocation. The tax relief amount will be divided evenly among the 5,465 approved homesteads and will provide each qualifying Hampton property owner with a \$238 decrease to their 2024-25 school district property taxes. Homeowners must apply for the homestead / farmstead exemption through Allegheny County (Act 50 program) to be eligible for the District’s program. The District notifies homeowners who are not listed as “approved” for the program each December of the application process. The first Act 1 State gaming distributions occurred in the 2008-09 year.

2024-25 GENERAL FUND BUDGET**

General Fund Budget Summary (continued):

Hampton Township School District Property Tax Relief Program:

Funds for the Senior Citizen Property Tax Relief Program are included in the budget for the 2024-25 fiscal year in the amount of \$10,000. The 2023-24 program was updated to include adjusted income of up to \$35,000 and offers property tax relief of up to \$1,000 to qualifying senior citizen homeowners who have applied for and received a rebate under the “Commonwealth of PA Rebate Program.”

Real Estate Assessed Value / Allegheny County common level ratio (CLR):

In 2022, Allegheny County was sued by a group of taxpayers who challenged the accuracy of the common level ratio (CLR). The CLR is a state statistic derived annually from sales data. The CLR provides a method to adjust a current sales price to reflect what the property would have sold for in the 2012 base year. As a result of the lawsuit, the 2023 CLR was reduced from 81.1% to 63.3% and the 2024 CLR was calculated at 54.5%. The reduction in the CLR has and will continue to a negative impact on the district’s taxable assessed value through the county appeals process by both the district and taxpayers. The District will use the gross assessed value with an allowance for pending and future appeal settlements. The details and calculation are on page 12.

The history of the 2013 base year gross assessed value for Hampton is as follows:

Date	Hampton Gross Assessed Value
May 2024	\$1,825,047,164
May 2023	\$1,819,695,189
May 2022	\$1,805,456,617

May 2015	\$1,659,933,573
May 2014	\$1,655,929,545

PA Section 688 and the 2023-24 General Fund Budget:

The Pennsylvania Section 688 guideline states that a school district wishing to balance its budget with a millage rate increase cannot have a projected ending unassigned fund balance greater than 8% of the subsequent year’s gross budget. The District’s audited June 30, 2023 unassigned fund balance was \$3,904,478. The projected June 30, 2024 unassigned fund balance is \$4,100,146 or 6.36% of the 2024-25 expenditure budget.

2024-25 GENERAL FUND BUDGET**

General Fund Budget Summary (continued):

Act 1 Index Impact and the 2024-25 General Fund Budget:

On December 4, 2023 the District approved a resolution stating that it would not raise any rate of tax for the 2024-25 year in excess of the state-calculated Act 1 Index of 5.3%. Based on the current real estate tax rate of 21.85 mills, the maximum 2024-25 millage rate is 23.00 mills (current millage rate of 21.85 mills + 1.15 mills = 23.00 mills.)

PSERS Pension Employer Contributions:

The PSERS Board of Trustees certified the 2024-25 fiscal year employer contribution rate of 33.90% in December 2023. This is a decrease from the 2023-24 rate of 34.00% and a welcome relief after more than a decade of large increases. Nevertheless, contributions to PSERS remain a significant financial pressure for the School District. Actuarial projections for future employer contributions to PSERS forecast indicate sustained rates of 34-36% for the foreseeable future.

The recent history and future projections for PSERS employer rates are as follows:

**HAMPTON TOWNSHIP SCHOOL DISTRICT
2024-25 GENERAL FUND BUDGET**

General Fund Budget Summary (continued):

PSERS Pension Employer Contributions (continued):

The PSERS rate increases have had a significant financial impact on the District. The increase from 5.64% in 2010-11 to 33.90% in 2024-25 added \$4,251,000 to the District’s budget (net of state reimbursement) or the equivalent of 2.49 mills.

Stabilization Fund:

The District was proactive in preparing for the higher PSERS contribution rates. The District established the PSERS Rate Stabilization Fund during the 2009-10 fiscal year. The fund allocated \$6.4 million towards future PSERS costs and included a formula to allocate the funds for fifteen budget years. The District adjusted and added to the original PSERS Rate Stabilization fund for the 2020-21 budget and renamed it the “Stabilization Fund.” The goal of the new Stabilization Fund was to add support to the next (3) budget years to maintain educational programs during the economic uncertainty due to the Covid-19 pandemic.

The PSERS Rate Stabilization Fund had \$1.794 million remaining on July 1, 2020 to allocate to future PSERS costs. The District used 2019-20 school closing savings a portion of the existing debt service stabilization fund to add to the existing PSERS Stabilization fund.

The updated “Stabilization Fund” had \$2.719 million to allocate as follows:

2020-21 - \$625,000	2023-24 - \$400,000	2026-27 - \$94,000
2021-22 - \$575,000	2024-25 - \$300,000	
2022-23 - \$525,000	2025-26 - \$200,000

2024-25 GENERAL FUND BUDGET**

General Fund Budget Revenue Summary:

- Revenue projections from local, state, federal and other sources are as follows:

Source	\$ Amount	% of Total
Local Revenues	\$46,634,331	72.6%
State Revenues	\$16,995,599	26.5%
Federal Revenues	\$280,000	0.4%
Other Revenues	\$287,618	0.5%

- One mill of real estate tax is projected to generate \$1.693 million in real estate tax revenue for the District. This is a slight decrease of 0.29% from the 2023-24 *budgeted* amount of \$1.698 million. The decrease in the value of a mill is due to the significant decrease in the common level ratio (CLR) and its impact on property assessment valuations.
- The budget includes an increase to earned income tax revenue of \$275,000 or 5.8% from \$4,750,000 to \$5,025,000. The increase is reflective of the current year-to-date increase and due to continued earnings growth in the township.
- The state-funded basic education and special education subsidies are projected to increase by 2.03% and 1.08% respectively. This is an increase of \$139,577 from the 2023-24 projected amounts. The smaller increase is due to the new state basic education subsidy formula as recommended by the Basic Education Funding Commission (BEFC). The average annual increase over 10 years for the three primary state education subsidies (2013-14 to 2023-24) is 2.70%.

A recent history of state education subsidies is as follows:

2024-25 GENERAL FUND BUDGET**

General Fund Budget Revenue Summary (continued):

- The budget includes a slight increase to interest earnings. Short-term rates are projected to yield an average of 4.50% - allowing the projections for annual interest earnings to increase by \$5,000 from \$620,000 to \$625,000.

General Fund Budget Expenditure Summary:

- Salaries, benefits, debt service, utilities and student transportation comprise 87.3% of the District's 2024-25 budgeted expenditures.
- District salaries are budgeted to increase by \$878,555 or 3.04% from the 2023-24 amounts. The salaries budget includes all staffing changes and retirements.
 - 1) There are (5) instructor retirements/resignations. Four of these positions will be replaced. The High School English position will be consolidated with other resources within the High School.
 - 2) The budget allocates \$112,750 to budgetary reserve for up to two long-term substitute instructors to address potential class size needs. The funds in the budgetary reserve will allow the district to monitor enrollments throughout the summer.
- The District's projected cyber/charter school enrollment for 2024-25 is (23) students with a budgeted expense of \$528,500. This is a budgetary decrease of (6) students and \$139,500 from the 2023-24 budget.
- Medical Insurance rates through the Allegheny County Schools Health Insurance Consortium (ACSHIC) will increase 9% for the 2024-25 year. This increase follows the 2023-24 increase of 14%, the 2022-23 increase of 8% and the 2021-22 increase of 5%. The four recent increases follow the previous decade's trend of minor increases of 2-3% annually. The 9% increase will add \$540,000 to the District's 2024-25 budget.
- The District's overall contributions to the A.W. Beattie Career Center are projected to increase by \$9,031 or 1.0% from \$868,402 to \$877,433. The smaller than expected increase is attributable to the slight decrease in Hampton students attending the A.W. Beattie Career Center. District shares are prorated based on a 5-year rolling average of enrollment. Hampton's enrollment decreased from 98 students in 2022-23 to 83 students in 2023-24. The decrease is primarily due to class size caps at A.W. Beattie.
- The special education budget of \$1,354,941 represents an increase of \$3,658 or 0.3% from the 2023-24 budget. The budget includes tuition amounts for approved special education private schools, extended school year tuition and contracted special education services. The recent budget increases are primarily for out of district special education program placements and the projection that many of the placements do not qualify for the 60% state funding share.

Technology:

The technology budget of \$976,639 is an increase of \$168,246 or 21% from the 2023-24 budget. The technology budget absorbed the shift of \$72,000 for one technician from the salary budget to a contracted service within the technology budget. Without the shift, the increase is \$96,246 or 12%. The technology budget’s focus is on the maintenance of technology services and systems and upgrades to dated equipment. Highlights of the technology budget include the following:

- The 2024-25 technology budget includes financing payments for equipment purchases in the amount of \$384,549. The District initiated financing of student and staff devices in the 2021-22 year. The previous and future payments and interest expense are as summarized below.

General Fund Budget Initiatives (continued):

Curriculum Resources:

The total 2024-2025 proposed curriculum resources budget is \$286,616, which is a decrease of \$7,517 or 2.55% from the 2023-24 budget. Highlights of the curriculum resources budget are as follows:

Elementary

The proposed expenditures at the elementary level include a new mathematics program, *Into Math K-5*, which is currently being piloted at different grade levels. Like the purchase of *Wonders*, the program will be financed over three years, with 50% of the costs due during year 1.

Middle School

The middle school's curriculum budget contains no new purchases for next year.

High School

The only new high school textbook requests are for AP Biology and CHS Spanish IV. The updated AP Biology book is necessary for the AP course because it meets the AP requirements. For CHS Spanish IV, the partnering college is mandating this change of resources for our CHS Spanish courses.

Facilities / Buildings & Grounds:

- The budget includes \$400,000 of new/additional debt service for a \$10 million bond issue to begin funding for phase 2 of the High School renovation project. The tentative plan is to phase multiple bond issues over the next (3) budget years to fund the estimated \$32 million project cost.
- The budget includes a capital projects transfer of \$328,002 to fund projects totaling \$180,000 in the annual "5-Year Facilities Improvement Plan." The significant 5-year plan items are as follows:

- 1) HVAC van replacement - \$58,400
- 2) Middle School gymnasium floor resurfacing - \$36,000
