STUDENT TRANSPORTATION GUIDELINES

(Copied onto back of Transportation Request Form for parents to acknowledge)

Bus Stop Assignments

Each student being transported to school by a District-owned or contracted bus service shall have a **single, consistent pick-up** and a **single, consistent drop-off** which is within district boundaries.

Variations from these may be made on a given day if the parent or legal guardian notifies the school or transportation department, preferably in writing, with infrequency, and should be based on an unusual and non-recurring circumstance.

Delays and Early Dismissals Due to Weather

Example #1:

If your child's school of attendance is in Gettysburg School District and Gettysburg decides to have weather-related two-hour delay and CVSD is running on time; your child's transportation will run on normal schedule. Your child's school should have a staff member on the premises to take care of the students when they arrive early.

Example #2:

If your child's school is running on time and CVSD has a two-hour delay, we will transport your child according to the CVSD two-hour delay (2 hours late).

Example #3:

In-Service Days – If CVSD has an in-service day, but your child's school does not have an in-service day, you child *will* be transported.

Questions regarding this policy may be addressed by contacting the CVSD Transportation Department @ 717-624-2157 ext 1010 or email transportation@cvcolonials.org.

Thank you.
