

# SUMMER READING PACKET

FOR KINDERS GOING INTO FIRST GRADE

CHOOSE 1 to complete:

**\*\*Choice 1:** Complete 4 squares in June,  
8 squares in July, and 8 squares in August  
for a total of 20 squares

Of course you can do more!!

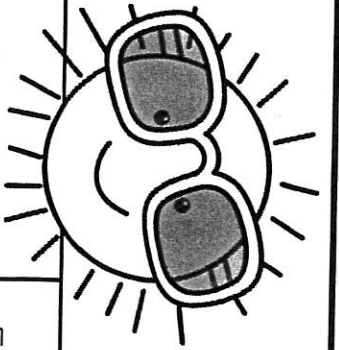

**\*\*Choice 2:** Complete: Read 8 stories from RazKids.  
You can log on through Class Link.  
After each story, fill out a box on the  
Summer Reading Log.

You also have the choice to read a book instead  
of using RazKids.

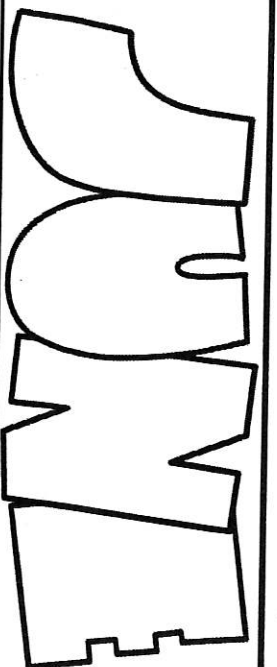

I'm looking forward to seeing you in September!  
Please bring your completed summer work on the first  
day:).

☺Ms. Moskov

Reading

Highlight each letter of the alphabet in a newspaper.	Find 10 items in your house and tell how many syllables are in the name of the items.	Read a book of your choice. Tell who the characters are and what the setting is.	List 5 things in your home that begin with the same letter as your first or last name.	List 5 words that belong in the same word family.
Count to 100!	Find 5 items in your house that have the shape of a square.	Write a word problem that includes your family members.	Practice writing your teen numbers!	Create a pattern with objects in your house.
Tell and act out 5 different verbs.	Describe an item in your house using 5 different adjectives.	List 3 words that rhyme with each other.	See if you can think of an animal for each letter of the alphabet. (a - anteater, b - bear, etc...)	Find and circle sentences in a magazine or newspaper that have 5 words in the sentence.
Find 3 objects in your home that are shorter than you. Find 3 objects that are longer than you.	Count forwards and backwards to 20.	Name a coin you learned about this year. Tell all you know about that coin.	Count by 10's to 100.	Come up with an addition problem using your toys.

WEEK 4 Math	WEEK 3 Reading	WEEK 2 Math	WEEK 1 Reading
Can you find 5 things in your house that are the same length as your hand?	Watch a movie. Tell someone about the characters, setting, problem, and resolution.	Can you find five things in your house that are the shape of a rectangle?	Write a sentence about your summer.
Practice writing your numbers 1-20. (chalk, water, markers, paint, - you can choose!)	Play sight word BINGO on <a href="http://www.starfall.com">www.starfall.com</a>	Grab a handful of cereal. Put into groups of 10. How many pieces did you grab?	Read a story of your choice. Stop halfway through and make a prediction about how it will end.
Pick a number between 1 - 20. Tell what is one more and one less.	Count the syllables for all of the names of people living in your house.	Sort the coins from a wallet in your house.	Sound out and write 5 words of things you see in your kitchen.
Can you find 3 things in your house in the shape of a cube?	Practice saying the sounds that each letter makes.	Count to 100 at breakfast, lunch, and dinner.	Circle or highlight CVC words in a newspaper or magazine. (consonant, vowel, consonant)
Compare the boys and girls in your house. Which has more? Less? Equal?	Find a book of your choice. Count the number of words in each sentence on a page.	Make a subtraction problem using toys in your house.	List 3 things that begin with an SH.

**ABC'S**

**WEEK 1**

Reading

Cut letters out of magazine and build sight words.

Listen to a story of your choice on [www.storylineonline.net](http://www.storylineonline.net)

Read a book of your choice. Was the book fiction or non-fiction? Tell the difference.

Circle the consonants in red and vowels in blue on a page of the newspaper, junk mail, or magazine.

Write or say 3 words that rhyme with mop.

**WEEK 2**

Math

Describe each teen number. (example: 15 = ten and five more)

Play a math game on [www.dbcya.com](http://www.dbcya.com)

Tell two different ways you can make 10.

Count backwards from 20 - five times today.

Find 5 things in your house that are shorter than your foot.

**WEEK 3**

Reading

Practice writing each letter of the alphabet (upper and lowercase)

Write a sentence about the weather today.

Think of 10 words that begin with the same letter as your name.

Find 3 different places in your home where you see words.

Write a sentence about your favorite thing from this summer.

**WEEK 4**

Math

Say each number between 10-20. Tell the number that is one more and one less.

Count how many shoes you have. Make an addition number sentence with that number.

Find something in your house that is 5 hands long.

Count to 100 by 1's and 10's.

Find objects in your house the shape of a circle, square, and triangle.

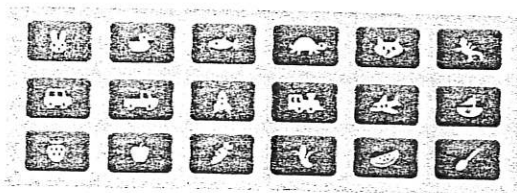

Dear Parent or Guardian,

The long summer vacation is just around the corner and I want to make sure that your child continues to make progress in his or her reading during the break. Our school has a subscription to [www.raz-kids.com](http://www.raz-kids.com), which allows your child to access an online library of reading materials from any computer connected to the Internet. Raz-Kids helps students improve their reading skills as they listen to a book read for modeled fluency. If the computer has a built-in record function, they can record themselves reading the same book. Or, students can read the book to themselves or aloud for practice. Interactive quizzes are available at the end of each book to check for understanding.

With this letter, I am sending home a summer reading contract for you and your child. **Please sign it and return it to me.** You will also find a **Summer Reading Log** for use during the summer vacation. Please make sure that your child adds the information for each book read, and that you add your initials. Have your child turn in the log to his or her teacher after the summer break.

Here is how to access the website and your child's reading assignment from any computer connected to the Internet:

1. Go to [www.raz-kids.com](http://www.raz-kids.com) from your Internet browser and click on **Log In**
2. Type in the teacher's username \_\_\_\_\_ and click 
3. Find your name or symbol \_\_\_\_\_ on the chart and click on that symbol.
4. Enter a picture password if prompted.

Or text password: \_\_\_\_\_

5. The books in your child's assignment and stars earned appear on a personal assignment page. Your child can choose to listen, read, or take a quiz by clicking on the symbols below each book. If worksheets have been assigned, these will be sent home by the teacher.

Remember, the more your child reads, the better reader he or she will become!

Sincerely,

*Ms. Moskov*
