

Parents, schedule a free screening for your child!

Email brightstart@usd266.com
or call 316-722-3105.

BRIGHT **START**

Early Childhood
Developmental
Screening

The Maize Special Education Cooperative invites you to attend a free Bright Start screening to assess children, ages birth through five, in the following areas:

- vision
- hearing
- thinking/problem-solving skills
- fine and gross motor skills
- self-help skills
- communication skills
- social skills

Receive information on the growth and development of your child.

Sponsored by the Maize and Renwick school districts for any child ages birth to five who lives within either district's boundaries.
