

## **Part-Time Enrollment**

**JBC**

Any child residing in the district may enroll part-time to attend any courses, programs, or services offered by the district if the child:

- is also enrolled in a nonaccredited private elementary or secondary school or in any other private, denominational, or parochial school as required by law;
- requests to enroll part-time in the district; and
- meets the age of eligibility requirements for school attendance.

District administrators shall make a good faith attempt to accommodate scheduling requests of students enrolling in the district in these situations but shall not be required to make adjustments to accommodate every such request. Part-time students, other than those specified previously in this policy, may enroll with the administration's permission if they complete all paperwork in a timely fashion and are in attendance no later than September 19. Such part-time students may be admitted only to the extent that staff, facilities, equipment, and supplies are available, and the students follow the district's student conduct policies and rules.
