1. Definition

Sexual harassment means unwelcome conduct or communication of a sexual nature. Sexual harassment can occur adult to student, student to student or can be carried out by a group of students or adults and will be investigated by the District even if the alleged harasser is not a part of the school staff or student body. The district prohibits sexual harassment of students by other students, employees or third parties involved in school district activities.

The term "sexual harassment" may include: acts of sexual violence; unwelcome sexual or gender-directed conduct or communication that interferes with an individual's educational performance or creates an intimidating, hostile, or offensive environment; unwelcome sexual advances; unwelcome requests for sexual favors; sexual demands when submission is a stated or implied condition of obtaining an educational benefit; and sexual demands where submission or rejection is a factor in an academic, or other school-related decision affecting an individual.

Allegations of criminal misconduct will be reported to law enforcement, and suspected child abuse will be reported to law enforcement or Child Protective Services.

7. Confidentiality
