Annual Notification to Parents

Woodlands Academy, in accordance with the AHERA, had an inspection for friable and non-friable asbestos in July 1988. From this inspection, a management plan was developed to control asbestos fiber release and protect human health and the environment. Subsequent inspections have taken place every three years. The management plan and inspection reports are available for you review from the Business Office between 9 am and 3 pm, Monday through Friday. This information is available to you under the terms of the Freedom of Information Act.
