

What does CIS do?

CIS helps students improve in academics, attendance, and/or behavior. CIS encourages students to stay in school, graduate and prepare for college and/or employment. CIS provides services and resources through community partnerships to ensure a comprehensive case - management approach to meet the needs of students.

CIS helps students:

- * Feel more confident and better about themselves
 - * Deal with life issues
 - * Improve their grades and attendance
 - * Receive outside assistance
- * Improve behavior and attitude toward school and life
 - * Stay in School
 - * Prepare for college

CIS understands that parental involvement is very important for student's success. CIS supports parents and families by:

- * Helping become more involved and familiar with the school
 - * Finding resources
- * Promoting parent-teacher relationships
 - * Organizing parent support groups
 - * Addressing social service needs
